

The Broken Heart.
I saw on the top of a mountain high,
A form that glowed like fire by night;
I seemed a star that had left the sky,
And dropped to sleep on its lonely light.
I climbed the peak, and found it soon,
A lump of ice in the clear cold moon.
Can you its hidden sense impart?
'Twas a cheerful look and a broken heart.

FLIPPAINT CRITICISM OF SERMONS.—"Perhaps the worst thing in this way of judging ministers and their efforts," says the Christian Times, "is the harmful fallacy which so often accompanies it—that if the hearer of a sermon fails to find it 'interesting,' his responsibility as a hearer ceases. If a man goes unconverted from the manifold privileges of a land of Sabbaths and sanctuaries to the bar of God, we cannot think that the sentence of the Judge will be turned aside by the plea that too few of the ministers have been orators, and too many of the sermons have been dull."

"Church Door."—The Baptist Messenger quotes an article from one of our correspondents on the "Door of the Baptist Church," and says: "The Bible has no such expression, and it is, therefore, as much the duty of Christians to define what is the window of the church, the roof of the church, the gable end of the church, as the door of the church."—Religious Herald.

Our hearts naturally are like the island of Patmos, which is so barren of any good, that nothing will grow but in earth that is brought from other places; yet Christ can make them like a watered garden, and like a spring of waters, whose waters fall not.

It was a good saying of one to a great lord, upon his showing his stately house, and pleasant gardens: "Sir, you had need make sure of heaven, or else when you die, you will be a very heavy loser."

Sin is bad in the eye, worse in the tongue, worse still in the heart, but worst of all in the life.

It has long been a most important desideratum
in the practice of medicine, to obtain a remedy
similar to this, and accordingly we find it resorted
to almost universally in all those tormenting dis-
eases of the skin springing from the impurities and
injurious to the health. It is a tonic, aperient, and
disinfectant. It acts simultaneously upon the
STOMACH, the CIRCULATION, and the BOWELS, and
these three processes, which are ordinarily the re-
sult of THREE different kinds of medicine, are car-
ried out at the same time through the instrumen-
tality of this one remedial agent. Its great
merit is that it meets and neutralizes the active
principle of disease itself, and when that is gone,
the symptoms necessarily disappear. The tri-
plicity with which the patient recovers health and
strength under this triple influence is surprising.

REMARKABLE CURE.
Linn County, Oregon Ter.,
March 11, 1855.
Messrs. A. B. & D. SANDS, New York: Gen-
tlemen,—In the spring of 1853, while on our way
from Indiana to this place, our eldest boy was
seized with a swelling and severe pains in the legs
which day by day grew worse, until his legs con-
tracted, and became so painful that he could not
walk, and we had to carry him about like an infant.
We reached Albany on the 3d of October,
completely worn out by fatigue. By this time,
he was reduced to a perfect skeleton. Here we
were obliged to consult a physician (Dr. Hill),
who honestly confessed he could not cure him, al-
though he could give him medicine that would re-
lieve the pain. In this exigency something must
be done, or death was inevitable. Being recom-
mended to try your Sarsaparilla, I procured a bot-
tle. After taking some, he appeared worse; but
persevering with it, I obtained a second bottle,
which seemed to grapple with the disease, and
caused a marked improvement: the swelling and
pains in the legs were reduced, his appetite im-
proved, and his color began to return. This en-
couraged, I purchased a third bottle; thus tak-
ing in the swells in his legs broke, and some
pieces of bone one eighth of an inch long came
out, after which his legs straightened and healed.
He is now perfectly recovered has no ap-
pearance of a cripple, and can perform most
kinds of common labor, as all our neighbors
can certify. Yours, respectfully,
CALEB DAVIS.

**FARQUAR'S
MEDICATED
CALIFORNIA
WINE & BRANDY
A DELICIOUS
TONG BITTER
JUICE OF THE
GRAPE
MEDICATED WITH
JUNIPER RHUBARB,
PERUVIAN BARK
FOR INVALIDS**

THIS is simply the fermented juice and the
distilled juice of the California grape, judi-
ciously medicated with Peruvian Bark, turkey
rhubarb, juniper berries, and other vegetable re-
medial agents, skilfully combined, and in such
minute and exact quantities as to constitute a
small or homoeopathic dose of each remedy;
which when combined form an innocent, harm-
less, yet active, tonic, alterative, anti-dyspeptic,
diuretic, anti-febrile, and sedative beverage, pleas-
ant to the taste.
The inventor, in calling the attention of the
public (especially the Californians who know the
excellence of the California grape) to these pre-
parations, does so with pride and confidence;
pride in proving the excellence of our native
grape, and confidence in their remedial virtues,
adapted for the following diseases:
Dyspepsia, Indigestion, Loss of Appetite, Hae-
morrhoidal Constipation, Acidity of the Stomach,
Stomach, Diseases of the Kidney,
Gravel, Disorders of the Urinary
Organs, Remittent and Inter-
mittent Fevers, Fever &
Ague, Nervousness,
Weakness, Debility, Dry-
ness of the Skin, or want of
Perspiration, Pains in the Stom-
ach or Bowels, Cholera, Dysentery, &c., &c.
The proprietor does not pretend that his Medi-
cated California Wine and Brandy is a "wonder
or a miracle" in medical science, but appeals to
the common sense of the public, and he does not
hesitate to avow that he knows from experience
that the medicines in this, though small in quan-
tity, will often effect a cure in some of the dis-
eases enumerated, when more violent and power-
ful remedies have failed in their object.
If these drinking liquor only in the morning
or before breakfast, would find the Brandy ac-
ceptably on the nerves and stomach, keeping the
bowels regular, &c.
If as a general beverage, it is pleasant to the
taste, slightly exhilarating, perfectly harmless, and
gives the weak and feeble a feeling of health and
strength.
Read this certificate of analysis made by
Theophilus N. Real, Analytical and Manufacturing
Chemist, Boston:
I do hereby certify that, after a minute and
careful analytical examination of the California
wine and brandy, manufactured by Dr. James L.
Farquar, in order to ascertain its composition and
quality, I have, after various experiments, arrived
at the following result: The wine is of a very
agreeable taste, light color, and agreeable aroma,
and consists of grape sugar 9.30, volatile oil 2.13,
tonic acid 1.73, coloring matter 1.84, alcohol 97
64, water 73.10, bitartrate of potassa 0.907, sul-
phate of potassa 0.45, salt 0.81.

Valuable Property For Sale.
THE CHAMPOEG FLOUR MILL.
THIS MILL, situated about three fourths of a
mile from Champeog in the midst of the great
grain-growing country in Oregon, is offered for
sale. During high water in winter, flour, &c.,
can be shipped direct from the Mill. Attached
to the mill is a granary for receiving and storing
wheat, a dwelling-house and garden for the use
of the person in charge. The whole property
embraces about FIVE ACRES.
The machinery of the mill is of very superior
quality, having been imported from Rochester,
N. Y. There are two sets of the best French
Burr, and an extra patent run of smaller Burrs
for chopped feed, &c. The frame-work, for
strength, &c., cannot be surpassed in Oregon, and
the mill in all respects is the best in the State.

PURIFY THE BLOOD.
**MOFFAT'S
Vegetable Life Pills**
AND
PROMIX BITTERS.
THE high and envied celebrity which these pre-
eminent Medicines have acquired for their
invariable efficacy in all the diseases which they
 profess to cure, has rendered the usual practice of
puffing not only unnecessary, but unworthy of
them. They are known by their fruits; their good
works testify for them, and they thrive not by the
faith of the credulous.
In all cases of asthma, acute and chronic rheu-
matism, affections of the bladder and kidneys,
bilious fevers and liver complaints,—in the south
and west, where these diseases prevail, they will
be found invaluable. Physicians, farmers, and others,
who once use these Medicines, will never af-
terwards be without them.
Dyspepsia.—No person with this distressing
disease should delay using these medicines imme-
diately. Eruptions of the skin, erysipelas, flatu-
lency, fever and ague—for this scourge of the
western country, these medicines will be found a
safe, speedy, and certain remedy. Other medi-
cines leave the system subject to a return of the
disease—a cure by these medicines is permanent.
Try them, as advised, and be cured.
Mercurial Diseases.—Never fails to eradicate
entirely all the effects of Mercury infinitely sooner
than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous
complaints of all kinds, Organic Affections,
Pulmonary of the Heart, Painter's Cholic.
Piles.—The original proprietor of these medi-
cines was cured of Piles 35 years' standing by
the use of these Life Medicines alone. Worms
of all kinds are effectually expelled by these medi-
cines. Parents will do well to administer them
whenever their little ones are suspected. Relief will
be certain.
The Life Pills and Phlegm Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will show the LIFE
PILLS and PHEMIX BITTERS beyond
the reach of competition in the estimation of every

PROMIX BITTERS.
THE high and envied celebrity which these pre-
eminent Medicines have acquired for their
invariable efficacy in all the diseases which they
 profess to cure, has rendered the usual practice of
puffing not only unnecessary, but unworthy of
them. They are known by their fruits; their good
works testify for them, and they thrive not by the
faith of the credulous.
In all cases of asthma, acute and chronic rheu-
matism, affections of the bladder and kidneys,
bilious fevers and liver complaints,—in the south
and west, where these diseases prevail, they will
be found invaluable. Physicians, farmers, and others,
who once use these Medicines, will never af-
terwards be without them.
Dyspepsia.—No person with this distressing
disease should delay using these medicines imme-
diately. Eruptions of the skin, erysipelas, flatu-
lency, fever and ague—for this scourge of the
western country, these medicines will be found a
safe, speedy, and certain remedy. Other medi-
cines leave the system subject to a return of the
disease—a cure by these medicines is permanent.
Try them, as advised, and be cured.
Mercurial Diseases.—Never fails to eradicate
entirely all the effects of Mercury infinitely sooner
than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous
complaints of all kinds, Organic Affections,
Pulmonary of the Heart, Painter's Cholic.
Piles.—The original proprietor of these medi-
cines was cured of Piles 35 years' standing by
the use of these Life Medicines alone. Worms
of all kinds are effectually expelled by these medi-
cines. Parents will do well to administer them
whenever their little ones are suspected. Relief will
be certain.
The Life Pills and Phlegm Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will show the LIFE
PILLS and PHEMIX BITTERS beyond
the reach of competition in the estimation of every
patient. Pre-
