

SECRET OF ENGLAND'S GREATNESS.—We hope the following paragraph is reliable for it will add another gem to the coronet of womanly and Christian graces which encircles the head of England's noble Queen: It was a noble and beautiful answer of our Queen, says the *British Workman*, that she gave to an African Prince, who sent an embassy with costly presents, and asked her in return to tell him the secret of England's greatness and England's glory, and our beloved Queen sent him, not the number of the fleet, not the number of her armies, not the account of her boundless merchandise, not the details of her inexhaustible wealth. She did not, like Hezekiah, in an evil hour, show the ambassador her diamonds and her rich ornaments, but handing him a beautifully bound copy of the Bible, she said, "Tell the Prince that this is the secret of England's greatness."

The Louisville Journal (supporting the Bell and Everett ticket) gives the following gratuitous testimony on behalf of Lincoln: "The Republican organs, by common consent, designate their candidate for the Presidency as 'Honest Old Abe.' We are by no means disposed to deny his right to the designation. We know him personally, and have observed his public course, and however strongly we may condemn some of the doctrines to which he is committed, we have at no time seen reason to doubt his honesty. We believe that he has the good of his country at heart. Thus much we take pleasure in saying in his behalf."

The following from the Washington correspondent of the New York Evening Post, about Douglas's reception of Lincoln's nomination, is more explicit than other accounts: "Singular as it may seem, Mr. Douglas was the receiver of the first news of Lincoln's nomination, and he took the dispatch at once to Mr. Foot, who was in the chair, and then to other Republican members. 'Well,' said Douglas, 'Lincoln and I have called each other some pretty hard names on the stump, but I'll do him justice. He is an honest, able and very popular man.'"

Senator Wigfall said in a late speech that Douglas would not get the vote of a single Southern State except in preference to a Black Republican. Some six or eight States would rather have a black Republican than Douglas. To the Senator's remark that Douglas was politically dead, Mr. Doolittle replied that if so, this was the longest funeral sermon he had ever heard.

The Republicans of Dayton, Ohio, had a rousing meeting to listen to the Hon. Thomas Corwin, who delivered a speech two hours in length. Of Mr. Lincoln he spoke in the highest terms, as an honest, upright, able man, who, if elected, would administer the Government with a strict regard to his constitutional obligations and with a determination to mete out equal and exact justice to all sections of the Union.

A Texas paper says that Rev. R. P. Thompson, a native missionary in that State, is "breaking himself of the habit of swearing, and reads the Scriptures quite fluently."

Every Opposition paper in Indiana supports Lincoln, including eight or ten which supported Fillmore in 1856.

"I can administer to a mind (and body) diseased, And with a sweet oblivious antidote Cleanse the foul system of the perious stuff." —Shaks. **A Blessed & Divine Remedy** **SANGUIFEROUS NERVINE TONIC!** Read my Theory of **LIFE and DEATH.** WHAT most diseases prove fatal; that early death occurs; that people live for years a living death, weak, inanimate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease.—Give them strength, and nature will relieve herself, if stimulated. She has given us herbs and plants to effect all this. Purify the blood, render the intestines, the liver, the heart, and all the natural functions of man or woman active, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous or Invigorating Cordial produces all the effect above described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the tebricite, the debauchee, and the invalid, revive under its influence, as if new life were given them. **Dr. Webber's Sanguifer** acts on the blood, heart, brain, intestines, sinews, nerves, the fluids and semi-fluids, and the whole physique, and **BENEFITS ALIKE** the gloomy hypochondriac, the dyspeptic, the nervous, debilitated and feeble, the over-dressed invalid, the bilious and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer ill health.

"OH HORRIBLE! OH HORRIBLE! Most Horrible!!!" When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the partaker feels then that sedation is caused—his skin is damp, his limbs supple and active, he feels a want for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, because his liver is made active, the bile neutralized or ejected, and his blood thinned and purified. If he has a foul stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases where I have seen Dr. Webber's Invigorating Cordial act most beneficially: Nervousness, Weakness, Langour, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described in a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from stagnation is rapid, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of animation, mentally and bodily; their chest and breast was before heavy; all they ate seemed to settle there; their rest was unquiet; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Schuyler, of Petaluma, says: "For years both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."

**Inebriates and Drunkards! READ!** The Appetite for Liquor Destroyed! ONE of the beautiful properties possessed by DR. WEBBER'S INVIGORATING CORDIAL is that it removes all longing or taste for liquor.—Many inebriates have found that after it has renewed and strengthened them, quitted their nerves, it has caused aversion to spirits. I have seen it cure some of the most frightful cases where delirium tremens had actually occurred. It sold by all respectable Druggists in Oregon and California.

Beware of Counterfeits!—See that the names of T. JONES and J. WEBBER, M. D., are on the top of each outside wrapper, and blown in the glass of each bottle. Buy none other!

**SANDS' SARSAPARILLA,** For Purifying the Blood, AND FOR THE CURE OF Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sore, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the STOMACH, the CIRCULATION, and the SWEATS, and thus three processes, which are ordinarily the result of THREE different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising. **REMARKABLE CURE.** LINN COUNTY, Oregon Ter., March 11, 1855. Messrs. A. B. & D. SANDS, New York: Gentlemen.—In the spring of 1853, while on our way from Indiana to this place, our eldest boy was seized with swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this emergency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. This encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully, CALEB DAVIS. Prepared and sold by A. B. & D. SANDS, Wholesale Druggists, 100 Fulton street, corner of William, New York. Sold also by H. JOHNSON & Co., San Francisco; RICE & COFFIN, Marysville; R. H. **No More Mills Burnt!** MR. BOOTH—DEAR SIR: I have now in our Mill one of your *Centre Feed* *Patent* *SMUT MACHINES*, put up two weeks ago—I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually remedied. That part of the mill before occupied by the *Smut Machine* is now as clean as any part of the mill. I can say that it is the best souter of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in mill previous to this a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast. A. J. CHAPMAN. ISLAND MILLS, Oregon City, May 24, 1860. WM. MASTERIS, Agent, Portland, Oregon.

**To the Millers of this State:** You will never regret trying this *Smut Mill*.—You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made. A. J. CHAPMAN. Oregon City, May 26, 1860. 5d

**No More Mills Burnt!** MR. BOOTH—DEAR SIR: I have now in our Mill one of your *Centre Feed* *Patent* *SMUT MACHINES*, put up two weeks ago—I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually remedied. That part of the mill before occupied by the *Smut Machine* is now as clean as any part of the mill. I can say that it is the best souter of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in mill previous to this a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast. A. J. CHAPMAN. ISLAND MILLS, Oregon City, May 24, 1860. WM. MASTERIS, Agent, Portland, Oregon.

**To the Millers of this State:** You will never regret trying this *Smut Mill*.—You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made. A. J. CHAPMAN. Oregon City, May 26, 1860. 5d
