A Blessed & Divine Remedy

SANGUIFEROUS NERVINE TONIC: Read my Theory of LIFE and DEATH, THAT most disease prove fatal; that early death occur; that people live for years a living death, weak, insipid, and exhausted—not from the disease itself, but from an inability to sustain, and nature's strength to withstand or maintain life through the ravages of disease.

Dr. Webber's Sanguifer acts on the blood, heart, brain, intestines, sinews, nerves, the fluids and semi-fluids, and the whole physique, and BENEFITS ALIKE the gloomy hypochondriac, the dyspeptic, the nervous, debilitated and feeble, the over-dressed invalid, the bilious and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer ill health.

When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the partaker feels that that sensation is caused—his skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, become his liver is made active, the bile neutralized or expelled, and his blood thinned and purified. If he has a foul stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases where I have seen Dr. Webber's invigorating Cordial act most beautifully:

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from sluggishness is rapid, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of animation, mentally and bodily; their chest and breast were before heavy; all they ate seemed to settle there; their rest was unquiet; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Schuyler, of Petaluma, says: "For years both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."

Inebriates and Drunkards! READ! The Appetite for Liquor Destroyed! ONE of the beautiful properties possessed by DR. WEBBER'S INVIGORATING CORDIAL is that it removes all longing or taste for liquor—many inebriates have found that after it has been used and strengthened them, quieted their nerves, it has caused aversion to spirits. I have seen it cure some of the most frightful cases where delirium tremens had actually occurred. It is sold by all respectable Druggists in Oregon and California.

BEFORE AND AFTER DR. WEBBER'S SANGUIFER, Or Invigorating Cordial. The Three Prettiest Girls IN OREGON CITY: Ella, Bella, and Mollie, you know them I am sure. Header, although advertised thus, these really fine articles are all we represent them. The Soap (price reduced to 25 cents) acts in the most beautiful manner in clarifying, whitening, and clearing the most discolored, eruptive, and disfigured skin; while for infants or for shaving, it is unequalled, as healing, softening, and making a fine lather.

For cleaning, dressing, forcing the hair to grow, stopping its falling off, curing the dandruff, &c., the CORAL HAIR RESTORATIVE is the finest thing made. Price reduced to 25 cents. Teeth are made as white as snow, the breath sweet, and the gums hard and healthy, by LA-FONT'S JAMAICA SOAP TEETH ROOT. It lathers like soap, and is beautiful. Price 50 cts. No More Mills Burnt!

MR. BOOTH—DEAR SIR: I have now in my Mill one of your Centre Feed Fire-proof SMUT MACHINES, put up two weeks ago. I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the use in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually remedied. That part of the mill before occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best scouter of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in mill previous to this a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast.

ISLAND MILLS, Oregon City, May 24, 1860. W.M. MASTERS, Agent, Portland, Oregon. To the Millers of this State: You will never regret trying this Smut Mill. You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of the smut mill that it will still make a improvement in the flour, if any can be made. A. J. CHAPMAN, Oregon City, May 26, 1860. 7c
