SANGUIFEROUS NERVINE TONIC!

Read my Theory of

LIFE and DEATH. THAT most diseases prove faial; that early double accept that sense live for years in 1. d aths occur; that people kee for years a liv-ing death, weak, noninette, and exhausted --not from the disease itself, hot from an inability in nature, and nature's strength to withstand or mintain life through the ravages of disease-Give them strength, and nature will relieve her-self, if etiminated. She has given us herbs and plants to effect all this. Purify the blood, render the intestines, the liver, the heart, and all the natoral functions of man or woman notive, and you have half compared disease. Dr. JACOB WEBBER does conscientionely some all who read this, that his Sanguiller or Invegorating Cor-110 dial produces all the effect above described. has seen the old, the tottering, the palated, the nervous, the dyspipile, the inchrists, the debau-ches, and the invalid revive under its influence,

the gloomy hypothesidelact, the dyspeptie, the nervous, debilitated and featle, the over-doctored invalid, the bilious and liver-discussed sufferer, the guarmand, the dolauchee, the intemperate, and all who suffer ill health.

"OH HORRIBLE! OH HORRIBLE! Most Horrible !!!"

When worm-out nature succumbs to DEATH, because she has not strength to real.t. Now, Dr. Jacob Webber's invigorating Cordial causes THIS unrivaled preparation has performed Jacob Webber's Invigorating Cordial causes strength --that is its main quality. The first ep-recorded in the history of Medicine. The rapidition is caused—her skin is damp, her timbs supple and active, he feels a work for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, be cause his liver is minde active, the bile wratrai-ized or ejected, and his blood thinsed and puri-fed. If he have for a strength the set have fiel. If he has a foul storach, this acts as an aperient, not otherwise. Again, it immediately relieves belohing, and prevents an accumulation of wind in the stoundh. The stomach, the grea receiver of disease and its cure. I will now con-merate a few of those diseases where I have seen Dr. Webber's invigorating Cordial act most beau tifully :

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tre-

mors, Constitutional Decline, (from any cause,) Debility in either sex

or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stornant blood, cause Pegs, asels, hammers, thread, wax, nails, and a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become domain and inactive. Two Leit a continuence of patronage from my old cus-tomers and as many new ones as choose to come. thirds of human diseases are caused from some of this above organs being disorganized. Dectors Ladies and gentlemen, give me a call, young and old, great and small, brave and bold, for I will be this alove biggins being disargument. Decom-may reliyon that yoo have such and such a de-ease, but not medical practice becomes a science (and it is not yet), disease cannot be described to a certanty. This singular medicate gradually strengthens the system, enters at once the block ready and happy to wait on you all, and in partie-ular the ladies; 1 like to see them come to pay me a visit. CASUALTIES,-A correspondent writing to us from Des Chutes under date of July 23, says that a few days previously, in Walla-Walla valley, Wm. Kelly shot and killed his son, a lad of 8 or 9 years. Some cattle had got into his fields, when, losing his patience at their trouble, he went out with his revolver to shoot them. Mrs. Kelly, not wishing to see the cattle injured, told her son to go and drive the cattle out business of innerals connected with his line. before his father got into the field. The son was out among the cattle, unperceived by his father, when the latter fired away at random. The shot took effect in the child's forehead, and he died in a few hours.

Capt. James Tevis, of the sutler's schooner" James Buchanan," was lost overboard, July 22, while crossing Rock Creek Rapids, some 30 miles above Des Chutes, and sank before assistance could reach him. His body was found a few days afterward, and baried. He formerly lived in Oregon City.
