

The number of visitors on board the big ship on 25th July was over 17,000 being the largest attendance in any one day since she was built, and about twice as many on any occasion during her exhibition to English public. As was the case on the previous day, by far the largest proportion of these are excursionists, who come from all distances between 10 and 500 miles.

The New York Tribune publishes a list of over fifty murders which have been committed in New York city within the last three years, without one of the perpetrators being discovered.

SHEEP STATISTICS.—Saxony, not larger than Rhode Island and Connecticut, keeps 3,500,000 sheep; England and Wales 26,000,000, and the whole United States only 21,000,000.

If a girl thinks more of her heels than her head, depend upon it she will never amount to much. Brains which settle in the shoes never get above them. Young gentlemen will please put this down.

A man is taller in the morning than at night to the extent of half an inch, owing to the relaxation of the cartilages.

SANDS' SARSAPARILLA,

For Purifying the Blood,

AND FOR THE CURE OF

Scrofula, Mercurial Diseases, Rheumatism,
Cutaneous Eruptions, Stomach ulcers,
Liver complaint, Dyspepsia, Bronchitis,
Salt Rheum, Lumbago, White Swell-
ings, Hip Disease, Enlargement of
the Bones and Joints, Fever
Sores, Female Com-
plaints, Erysipelas,
Loss of Appetite,
Pimples, Biles,
General Debil-
ity, &c., &c.

It has long been a most important desideratum
in the practice of medicine, to obtain a remedy
similar to this, and accordingly we find it resorted
to almost universally in all those tormenting dis-
eases of the skin so trying to the patience, and in-
jurious to the health. It acts simultaneously upon the
STOMACH, the CIRCULATION, and the NERVOUS,
these three processes, which are ordinarily the result
of various different kinds of medicine, are car-
ried on at the same time through the instrumentality
of this one remedial agent. Its great
merit is that it meets and neutralizes the active
principle of disease itself, and when that is gone,
the symptoms necessarily disappear. The rapidity
with which the patient recovers health and
strength under this triple influence is surprising.

REMARKABLE CURE.

LINN COUNTY, Oregon, Tex.,
March 11, 1853.

Meets A. B. & D. SANDS, New York; Gen-
tlemen,—In the spring of 1853, while on our way
from Indiana to this place, our eldest boy was
seized with a swelling and severe pains in the legs
which day by day grew worse, until his legs con-
tracted, and became so painful that he could not
walk, and we had to carry him about like an infant.
We reached Albany on the 3d of October,
completely worn out by fatigue. By this time,
he was reduced to a perfect skeleton. Here we
were enabled to consult a physician (Dr. Hill),
who honestly confessed he could not cure him, al-
though he could give him medicine that would re-
lieve the pain. In this exigency something must
be done, or death was inevitable. Being recom-
mended to try your Sarsaparilla, I procured a bot-
tle. After taking some, he appeared worse; but
persevering with it, I obtained a second bottle,
which seemed to grapple with the disease, and
caused a marked improvement: the swelling and
pain in the legs were reduced, his appetite im-
proved, and his color began to return. This en-
couraged, I purchased a third bottle; while tak-
ing it the swellings in his legs broke, and some
pieces of bone one eighth of an inch long came
out, after which his legs straightened and healed
up. He is now perfectly recovered, has no ap-
pearance of being a cripple, and can perform
most kinds of common labor, as all our neighbors
can testify. Yours, respectfully,

CALEB DAVIS.

FARQUAR'S
MEDICATED
CALIFORNIA
WINE & BRANDY
A DELICIOUS
TONIC BITTER
JUICE OF THE
GRAPE
MEDICATED WITH
JUNIPER, RHUBARB,
PERUVIAN BARK
FOR INVALIDS

THIS is simply the fermented juice and the
distilled juice of the California grape, judi-
ciously medicated with Peruvian Bark, juniper
rhubarb, juniper berries, and other vegetable re-
medial agents, skillfully combined, and in such
minute and exact quantities as to constitute a
small or homeopathic dose of each remedy;
which when combined form an innocent, harm-
less, yet active, tonic, alternative, anti-dyspeptic,
diuretic, anti-febrile, and sedative beverage, pleas-
ant to the taste.

The inventor, in calling the attention of the
public (especially the Californians who know the
excellence of the California grape) to these pre-
parations, does so with pride and confidence;
pride in proving the excellence of our native
grape, and confidence in their remedial virtues,
adapted for the following diseases:

Dyspepsia, Indigestion, Loss of Appetite, Na-
tural Constipation, Acidity of, or Sour
Stomach, Diseases of the Kidney,
Gravel, Disorders of the Urinary
Organs, Remittent and Inter-
mittent Fevers, Fever &
Ague, Nervousness,
Weakness, Debility, Dry-
ness of the Skin, or want of
Perspiration, Pains in the Stom-
ach or Bowels, Cholera, Dysentery, &c., &c.

The proprietor does not pretend that his Medi-
cated California Wine and Brandy is a "wonder
or a miracle" in medical science, but appears to
the common sense of the public, and he does not
hesitate to avow that he believes its medicinal
value, will often effect a cure in some of the dis-
eases enumerated, when more violent and power-
ful remedies have failed in their object.
If these drinking liquor only in the morning
or before breakfast, would find the Brandy ac-
ceptably on the nerves and stomach, keeping
the bowels regular, &c.

As a general beverage, it is pleasant to the
taste, slightly exhilarating, perfectly harmless, and
gives the weak and feeble a feeling of health and
strength.
Read this certificate of analysis made for
Theophilus N. Real, Analytical and Manufacturing
Chemist, Boston:
I do hereby certify that, after a minute and
careful analytical examination of the California
wine and brandy, manufactured by Dr. James L.
Farquar, in order to ascertain its composition and
quality, I have, after various experiments, arrived
at the following result: The wine is of a very
agreeable taste, light color, and agreeable aroma,
and contains of grape sugar 9.39, volatile oil 2.13,
tannic acid 1.74, coloring matter 1.84, alcohol 9.64,
water 73.10, in a ratio of matter 0.97, sul-
phate of potassa 0.45, salt 0.81.

It can be taken by the most delicate of either
sex, and in moderation by children.
If Sold by all respectable Druggists and Gro-
cers in the United States, California, and Oregon.
Price—\$1 per bottle; six bottles for \$5.
If CATION TO THE PUBLIC.

In purchasing, always see that a fac simile of
the signature of James L. Farquar, M. D., is
pasted around the neck of the bottle.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.

THE high and envied celebrity which these pre-
eminent Medicines have acquired for their
invaluable efficacy in all the diseases which they
purify to cure, has rendered the usual practice of
puffing out only unneccessary, but unworthy of
them. They are known by their fruits; their good
works testify for them, and they thrive not by the
faith of the credulous.

In all cases of asthms, acute and chronic rheu-
matism, affections of the bladder and kidneys,
bilious fevers and liver complaints,—in the south
and west, where these diseases prevail, they will
be found invaluable. Planters, farmers, and oth-
ers, who once use these Medicines, will never af-
terwards be without them.

Dyspepsia—No person with this distressing
disease should delay using these medicines imme-
diately. Eruptions of the skin, erysipelas, flatu-
lency, fever and ague—for this source of the
western country, these medicines will be found a
safe, speedy, and certain remedy. Other medi-
cines leave the system subject to a return of the
disease—a cure by these medicines is permanent.
TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate
entirely all the effects of Mercury infinitely sooner
than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous
constipation of all kinds, Organic Affections,
Polypus of the Heart, Piles, &c.

Piles.—The original proprietor of these medi-
cines was cured of Piles of 35 years' standing by
the use of these Life Medicines alone. Worms
of all kinds are effectually expelled by these medi-
cines. Parents will do well to administer them
whenever their existence is suspected. Relief will
be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will place the LIFE
PILLS and PHENIX BITTERS before the
reach of competition in the estimation of every
patient. If Prepared by
