

One moment in glory will more than recompense for all the toil and grief of the way thither. Let us cheer each other by the way with the songs of Zion, and whisper in the ear of every singing one, "Nearer Heaven!"

"My days are gliding swiftly by, And I, a pilgrim stranger, Would not detain them as they fly, Those hours of care and danger. For O, we stand on Jordan's strand, Our friends are passing over, And just before the shining shore We may almost discover."

"FOUND GOD IN SECRET."—He who has not found God in secret has never met with him. He is found in the sanctuary, but only by those who have also found him in the closet. Those whose religious enjoyments are connected solely with the public worship of God, and external acts with reference to his cause, may well fear that they are trusting to a false hope. The soul which has a good hope enters the closet, and there finds God, and at times enjoys a nearness of access and a felt communion rarely experienced in the place where public prayer is wont to be made.

Beauty, like lobsters, will spoil in time. Kisses, like ice, will melt. Words are but air. Love is only a bubble, bright, beautiful in the light of fancy—touched by the rough reality of life it is nothing—Hope, the plaything of the hour. Despair, the suicide's excuse. Money, the god men worship. Honesty, a new suit of clothes worn as little as possible and soon out of fashion. Pride, an excellent substitute for knowledge. Honor, pistols and coffee for two.

What a lesson God has given against jealousy. There are thousands of flowers on the prairie—millions of stars in the sky—all fulfilling their missions—each one blooming, waving and shining, and each admired. We may not be a white rose, but then a red one has hosts of friends if it be only fragrant.

Christian fellowship cannot exist so as to exert any practical influence, unless believers profess their faith, express their hope, declare their love, manifest their obedience, and exhibit their desire after holiness.

Were it possible to see the picture of God according to the fancies of men, it would be the most monstrous of beings; such a God as never was nor can be.

COURTESY TO EVIL.—He is doubly sinful who congratulates a successful knave.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and efficient cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, serofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.
Remember, "Seeing is Believing."

No More Mills Burnt!

MR. BOOTH—DEAR SIR: I have now in my Mill one of your Centre Feed Fire-Proof SMUT MACHINES, put up two weeks ago—I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire and friction and dust, common to the one in general use, is completely obviated. The dust and dirt heretofore so annoying to me, is now effectually retained. That part of the mill before occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best sifter of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had a mill previous to this machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast.
J. C. CHAPMAN,
ISLAND MILLS, Oregon City, May 24, 1850.
WM. MASTERS, Agent, Portland, Oregon.

To the Millers of this State:
You will never regret trying this Smut Mill.— You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied if the time pay very well, and if you don't believe it, just come and buy a pair of BOOTS, after you try them on, for

Valuable Property For Sale.
THE CHAMPOEG FLOUR MILL
THIS MILL, situated about three fourths of a mile from Champog in the midst of the great grain-growing country in Oregon, is offered for sale. During high water in winter, flour, &c., can be shipped direct from the Mill. Attached to the mill is a granary for receiving and storing wheat, a dwelling house and garden for the use of the person in charge. The whole property embraces about FIVE ACRES.
The machinery of the mill is of very superior quality, having been imported from Rochester, N. Y. There are two runs of the best French Burr, and an extra patent run of smaller Burr for chopped feed, &c. The frame work, for strength, &c., cannot be surpassed in Oregon, and the mill in all respects is the best in the State.
For particulars, application should be made to
GEO. T. ALLAN, of Champog, A. McKINLAY, of Champog, or to AMORY HOLBROOK, Champog, Jan. 10, 1850-41f Oregon City.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.

THE high and envied celebrity which these pre- eminent Medicines have acquired for their invulnerable efficacy in all the diseases which profess to cure, has rendered the usual practice of pulling not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints, in the north and west, where these diseases prevail, they will be found invaluable. Pleurisy, farinosa, and other affections, who once use these Medicines, will never afterwards be without them. In the distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines have the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, REPERATED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the virus of Mercury infinitely sooner than the most powerful preparator of Sarsaparilla. **Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.**
Piles.—The original proprietor of these medicines was cured of Piles of 3 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition, in the estimation of every patient. Prepared by

A Blessed & Divine Remedy
SANGUIFEROUS NERVINE TONIC!

Read my Theory of
LIFE and DEATH,
THAT most diseases prove fatal; that early death occurs; that people live for years a living death, weak, insensate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease—live them strength, and nature will restore her- self, if stimulated. She has got to live, and she will live. Paralyze the heart, and all the functions of man or woman cease, and nature's strength is exhausted. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous Nervine Cordial produces all the effects above described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the debilitated, the de- bauched, and the invalid revive under its influence, as if new life were given them.

Dr. Webber's Sanguifer
acts on the blood, heart, brain, in- test. sinews, nerves, the fluids and all the solids, and the whole physique, and
BENEFITS ALIKE
the gloomy lypochoondriae, the dyspeptic, the nervous, debilitated and feeble, the over-dosed invalid, the bilious and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer ill health.
"OH HORRIBLE! OH HORRIBLE! Most Horrible!!!"
When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the patient feels then that evolution is caused—his skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is light- spirited; his skin becomes clear; his eyes, too, be- come his liver is made active; his bowels are purified, &c. &c. He has a full stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure, I will now enu- merate a few of those diseases where I have seen Dr. Webber's Invigorating Cordial act most beau- tifully:

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tre- mors, Constitutional Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revitalize the whole system, which has become dormant and inactive. Two kinds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, cures at once the blood, which from sluggishness a rapid, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of animation, mentally and body; their chest and breast was before heavy; all they attended to hostile their; their rest was un- quiet; their appetite poor; and that this really blessed cordial removed all such symptoms, that strength of limbs, body, appetite, and spirits were given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Selwyn, of Patulama, says: "For years both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, in great and distressing degree, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."
Inebriates and Drunkards!
READ!!
ONE of the beautiful properties possessed by DR. WEBBER'S
INVIGORATING CORDIAL
is that it removes all longing or taste for liquor— Many inebriates have found that after it has re- newed and strengthened them, quieted their nerves, it has caused aversion to spirits. I have seen it cure some of the most frightful cases where delirium tremens had actually occurred.
It is sold by all respectable Druggists in Oregon and California.
Be wary of Counterfeits!—See that the names of T. JAMES and J. WARNER, M. D., are on the top of each outside wrapper, and blown in the glass of each bottle. Buy none other!
