Hand's Sarsaparilla.—This purely vegetable remedy cures in itself the properties of an Anodyne, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which render the system diseased, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Prepared and sold by A. B. & D. SANDS, 100 Fulton st., New York. Price \$1 per bottle, or six bottles for \$5.

Read the advertisement in another column sold by Dr. STEELE, Oregon City, and by Druggists generally.

Moffat's Life Pills.—The high and envied celebrity which this pre-eminent medicine has acquired for its invariable efficacy in all the diseases which it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them. They are known by their fruit, their good works testify for them and they thrive not by the faith of the credulous, but in all cases of constipation, dyspepsia, bilious and liver affections, piles, rheumatism, levers and ague, sciatica, head-aches, and all general derangements of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.

Dr. Moffat's Plummer's Pills will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. B. MOFFAT, 335 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country.

Whitaker's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and for the last twenty years has been, prepared by STEWART, FOX & Co., of Boston; and their printed name, as well as the written signature of J. B. Stee, appear on the outer wrapper. As you would avoid the spurious and have the genuine, take no other!

Whitaker's Balsam of Wild Cherry.—This invaluable remedy is the best extant for the safe, speedy, and permanent cure of coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side, and in every form of throat, chest, and lung complaint, as well as Consumption itself.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will in every yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

BETHEL COLLEGE.

THE session of the College year commences on the third Monday of September. The commencement exercises are held on the 4th of July, when the yearly vacation ensues. FACULTY: L. L. Rowland, President, Professor of the Greek and Hebrew Languages, Moral and Intellectual Philosophy, Rhetoric, and Logic. John H. Hall, Professor of Latin, Chemistry, Geology, Mineralogy, Botany, and History. Nathaniel Hudson, Professor of Mathematics, Natural Philosophy, Astronomy, and Political Philosophy.

The course of studies pursued will be equivalent to that of Eastern Colleges. The German, French, and Spanish will be taught by competent professors, which, with the Hebrew, will be at the option of the student.

Students applying for admission will be required to have a thorough knowledge of the English language, Elementary Algebra, Caesar, Virgil's Aeneid, Cicero's Orations, the Greek Reader, and the four Gospels.

A choice philosophical and Chemical apparatus has been recently received from the East—also, a select library of miscellaneous and standard classical works.

College tuition \$22 per annum. The Board of Trustees have also made arrangements for the delivering of Theological lectures for the benefit of students in that department.

BETHEL ACADEMY. Bethel Academy is under the instruction of the College Professors, assisted by experienced teachers. The Academic year commences on the 1st Monday of September, and is divided into four quarters of eleven weeks each.

TERMS OF TUITION PER QUARTER: Primary Department..... \$ 5 00 Junior "..... " 7 00 Middle Department—Higher Arithmetic, Elementary Algebra, English Analysis, and Botany..... 8 00 Senior Department—Natural and Intellectual Philosophy, Chemistry, Geology, Mineralogy, Rhetoric and Logic, Higher Mathematics, Languages, and Senior Class of Normal Department..... 10 00

Particular attention paid to reading and spelling through the entire course of studies, and to Education and Composition in the Middle and Senior Departments.

A Normal Department has been organized, upon the plan of the N. York State Normal School, with particular reference to preparing young ladies and gentlemen for teaching. This department is in practical and successful operation.

Students of the Academy will have the advantage of the College library, apparatus, and lectures.

Students preparing for College, also those desirous of pursuing collegiate studies without designing a full course, will be under the instruction of the College Professors.

Convenient arrangements can be made for board at reasonable rates. Books used in the school can be obtained at the College building at cash prices.

By order of the Board, Bethel, Polk co., Sept. 29, 1860. 22w

Pacific University, Forest Grove, Washington Co., Oregon.

Rev. S. H. MARSH, A. M., President. Rev. H. LYMAN, A. M., Prof. Mathematics.

THE collegiate year, consisting of one term of nine months, will commence on the first Wednesday of November.

It is the design of this institution to furnish a thorough and complete collegiate education. There is a Library of 1000 volumes for the use of the students.

Applicants for admission to colleges must have a knowledge of the common English branches, and have studied the ancient languages so far as to have read portions of Caesar and Cicero and the Greek Reader.

The tuition fee is \$32 per annum. Students fitting for college, as well as others wishing to pursue collegiate studies without entering upon the college course, will be under the instruction of the college teachers.

The full term of 11 weeks in the preparatory department commences on the 2d Wednesday of September. Tuition, \$8 per term.

TUALATIN ACADEMY. Tualatin Academy, for the coming year, will be under the direction and instruction of the College Professors, with such assistant instructors as they may find necessary to carry it forward efficiently and successfully.

The full term will commence on Wednesday, Sept. 19, to continue eleven weeks. Tuition—Common branches, \$5; higher, \$8. A small additional charge will be made for fuel, &c. Instruction in Painting extra, to such as receive it.

N. B.—The collegiate and the collegiate preparatory departments will commence on Wednesday, the 31st of October, at the commencement of the last half of the academical term, at which time Pres. Marsh is expected, with competent assistant teachers from the East, to be ready to take his place in the Institution.

Prof. Lyman, with the assistance of Mrs. C. E. Adams, will carry forward the academical department till the return of Pres. Marsh. Sept. 1, 1860. 21w

Young America Broad-cast Seed-Sower

Simplicity, Utility, Durability, and Cheapness Combined! R. S. RICKEY'S IMPROVED BROAD-CAST SEED-SOWER. Patented, March 29, 1859.

THIS machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be done by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily understood, and goes away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap goes across the right shoulder and under the left arm, also a strap buckled around the body, and a strap from the top of the sack, around the neck. Should the Machine by accident get broken, any tinner can repair it—although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.

It will sow the various grains and seeds the following distances: Wheat, 50 feet at a cast, or 100 ft. at a round cast. " " " 72 " " " " " " " 80 " " " " " " " " " 72 " " " " " " " " " 50 " " " " " " " " " Timothy's seed, 25 " " " " " " " " " Other grains and seeds in the same proportion. It will also sow wet and limed grain perfectly well. County Rights for Sale on Good Terms. Address, S. S. SNOW, Portland. Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Bryant, Oswego, Oregon, and orders will be punctually filled. Sept. 8, 1860-m4

It is now positively certain that Douglas will not receive the Electoral vote of one single State.— Why not, then, vote for Lincoln, and thus aid in putting under your feet the men who slaughtered your favorite Douglas at Charleston and Baltimore, and murdered the Patriot Broderick in California, for their gallant and noble resistance to the unjust demands of a corrupt, tyrannical, and slavery-extending Administration. You could not better meet the wishes of your great leader, than by aiding to crush out, in this far corner of our beloved country, the rising spirit of Secession and Disunion.
