

JESUS BORE OUR SORROWS.—What a comforting thought that in Jesus every true Christian has a faithful friend, in whom he need not fear to confide! There are some things we do not unfold to others. Sorrow has a most holy place where only the sorrowing soul and its God can stand. Guilt has its secrets, which it pours only into the bosom of the sin-pardoning God. Religion, too, has its delicate points, its individual, solitary experience, so peculiar, so private, that we do not want to tell them to anybody but Jesus. Now what a delightful office does prayer hold in the soul just at this point! With what freedom of spirit may the child of God approach unto the Father, and spread out all the wants of the soul! Let us prize beyond measure this liberty, full, unlimited, with which we may come to the throne of heavenly grace.

ILLNESS.—Curlye says:—Nine-tenths of the miseries and vices of manhood proceed from illness; with men of quick minds, to whom it is especially pernicious, this habit is commonly the fruit of many disappointments and of schemes baffled; and men fall in their schemes not so much from want of strength as from the ill-direction of it. The weakest living creature, by concentrating his powers upon a single object, can accomplish something; the strongest, by dispersing his over many, may fail to accomplish anything. The drop, by continual falling, bores its passage through the hardest rock—the hasty torrent rushes over it with its hideous uproar, and leaves not a trace behind it.

There are three thoughts which, every morning, should offer themselves to the mind of the Christian, viz: the day's cross, the day's duty, the day's privilege. Connected with these, the grave reflection should be evolved, how to bear the first, discharge the second, and improve the last.

Some men are like snails—they stretch out immensely when you see them at a distance, but if you come right up to them, they become contracted into a very small space.

Why does father call mother honey? asked a boy of his elder brother. "Can't tell," replied he, "because she has so much comb in her head."

Attend to the presence of God.—This will dignify a small congregation, and annihilate a large one.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effective cure for inflammation of the Eye and Eyelid, caused either by too close application to minute objects, serofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.

Valuable Property For Sale.
THE CHAMPOEG FLOUR MILL.
THIS MILL, situated about three fourths of a mile from Champoeg in the midst of the great grain-growing country in Oregon, is offered for sale. During high water in winter, flour, &c., can be shipped direct from the Mill. Attached to the mill is a granary for receiving and storing wheat, a dwelling house and garden for the use of the person in charge. The whole property embraces about five acres.
The machinery of the mill is of very superior quality, having been imported from Rochester, N. Y. There are two runs of the best French Burrs, and an extra patent run of smaller Burrs for chopped feed, &c. The frame-work, for strength, &c., cannot be surpassed in Oregon, and the mill in all respects is the best in the State.

No More Mills Burnt!
MR. BOOTH—Dear Sir: I have now in my Mill one of your **Centre Feed Fire-proof SMUT MACHINES**, put up two weeks ago. I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually remedied. That part of the mill now occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best sort of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in my mill previous to this a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast.
A. J. CHAPMAN,
ISLAND MILLS, Oregon City, May 24, 1860.
WM. MASTERS, Agent, Portland, Oregon.

To the Millers of this State:
You will never regret trying this Smut Mill.— You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made.

PURIFY THE BLOOD,
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.
THEIR high and envied celebrity which these eminent Medicines have acquired for their invincible efficacy in all the diseases which they profess to cure, has rendered the usual practice of purging not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the mouth and throat, where these diseases prevail, they will be found invaluable. Planter, farmer, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicinal leaue the system subject to a return of the disease—a cure by these medicines is permanent. Try them, as external, and as curative.
Mercurial Diseases.—Never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholera.
Fishes.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by

Mill Seat and Land.
I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or bath, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to heavy settlements.
I wish also to sell half a section of LAND near by. The place is six miles west of Lafayette, Yamhill county.

PURIFY THE BLOOD,
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.

THEIR high and envied celebrity which these eminent Medicines have acquired for their invincible efficacy in all the diseases which they profess to cure, has rendered the usual practice of purging not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the mouth and throat, where these diseases prevail, they will be found invaluable. Planter, farmer, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicinal leaue the system subject to a return of the disease—a cure by these medicines is permanent. Try them, as external, and as curative.
Mercurial Diseases.—Never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholera.
Fishes.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phenix Bitters
