Roman Eye Balsam,

Oregon City, April 16, 1858.

FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculast, with remarkable success, for diseases of the Eye

with remarkable success, or and Eyelids.

There are many persons who would rather suffer from pain and disease through hie, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonation is recommended as a such had better not read this, but to all reasona-ble persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelds, caused either by to close application to minute objects, scrofulous habit, ex-poure to cold, blaws, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost i ke magic and removes all appearances of inflamination after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of the r emp eyments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."

No More Mills Burnt! MR BOOTH-DEAR SIR : I have now in our

Mill one of your Centre Feed Fire-proof I can say that I consider it the greatest improve-ment in this class of machinery that has come under my notice. The danger from fire by tretion and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so anneying to me, is now effectually rem-edied. That part of the mill before occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best scener of grain I ever saw. The improvement in the qua-ity of flour will be at once discovered; in fact, the great change produced in every respect is in-deed a very great one. I would say that I have had in mil previous to this a machine that cut the grain very much, but this does not out a kernel. and does not require half the power. Your ins-chine will certainly take the preference in this State, and I would say on the Pacific coast.

A. J. CHAPMAN. ISLAND MILLS, Oregon City, May 24, 1860. WM. MASTERS, Agent, Portland, Oregon

To the Millers of this State : You will never regret trying this Smut Mill.— You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can so in be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made.

Vegetable Life Pills A Blessed & Divine Remedy SANGUIFEROUS NERVINE TONIC:

Read my Theory of

LIFE and DEATH, THAT most diseases prove fatal; that early d-aths occur; that people I ve for years a living death, weak, inanimate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease.

Give them strength, and nature will relieve herself, if stimulated. She has given us herbs and plants to effect all this. Purify the blood, render the intestimes, the liver, the heart, and all the natural functions of man or woman active, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguifier or Invigorating Cordial produces all the eff of above described. has seen the old, the tottering, the pulsied, the nervous, the dysp ptic, the inchriste, the debau-cher, and the invalid revive under its influence,

Dr. Webber's Sanguister

as if new li.e were given them.

acts on the blood, heart, brain, intest nes, sinewa nerves, the fluids and semi-fluids, and the whole physique, and BENEFITS ALIKE the gloomy hypochoudriac, the dyspeptic, the servous, deb litated and feeble, the over-doctored

invald, the binous and liver-doc ased sufferer, the goarmand, the debau-hee, the intemperate, and all who suffer ill health. "OH HORRIBLE! OH HORRIBLE!

Most Horrible!!!" When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first op-eration, Tonic; the partisker feels then that suda-tion is caused—his skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is lightspirited; his skin becomes clear; his eyes, too, beized or ejected, and his blood thinned and purified. If he has a foul stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now emmerate a few of those diseases where I have seen Dr. Webber's Invigorating Cordial act most beautifully :

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional

Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the v hole system. which has become dormant and mactive. Two thirds of human discuses are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from singgistiness is rapid, courses through the vens and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of an mation, mentally and bud-ily; their chest and breast was before heavy; all they ale see nel to settle there; their rest was unquest; their uppet to poor; and that this really bessel cordial removed all such symptoms; that strength of limbs, body, appelite, and sprits was given them by it, and an entire revolution in their

voru-out system occurred. The Rev. Robert Schuyler, of Petaluma, says: For years both myself and brother have suffered so from dyspeps a weakness of and sour stomach. in ligestion and flatulence, that hie at times was a burden. We have used your Canlind (Dr. Webber's Invigorating Sanguifier, four days, and feel better than we have for years."
