

SCOTT'S Emulsion... An Eastern paper estimates that in the event of a withdrawal from the Union of Georgia, South Carolina, Alabama, Florida, and Mississippi, the new Southern Confederacy would embrace an area of 943,141 square miles and a population of 1,565,570 white persons. Their government would cost \$40,000,000 annually, and, to maintain it, the white population would be compelled to submit to an average tax of twenty-five dollars each. They now pay two dollars.

"SECESSION" IN A NUT-SHELL.—The Louisville Journal says: "Missouri and Tennessee, Kentucky, Virginia and Maryland deprecate the dissolution of the Union. But South Carolina and Florida and Georgia swear that the Union shall be dissolved on account of the escape of Missouri's, Kentucky's, Virginia's and Maryland's slaves! What disinterested creatures Florida, South Carolina and Georgia must be!

THESE POPULAR BITTERS possess all the invigorating properties of PURE OLD BOURBON WHISKY, and are considered the most efficacious TONIC and STIMULANT ever offered to the public. As a tonic for OLD PEOPLE, delicate ladies, convalescent invalids, and all weakly people, they cannot be surpassed; in all cases of weakness or debility, they will give immediate relief, and impart a strong healthy tone to the system. A trial will establish their merits over all other tonics now in use. For Lung Complaints, Bronchitis, Dyspepsia, Nervous Diseases, and Liver complaints, they are an invaluable remedy; and they are a certain preventive of cholera and fever.

Put up in Quart Bottles, in cases of one and two dozen, and for sale by druggists, grocers, and liquor dealers everywhere, and by GEORGE W. SNELL, Sole Agent for the Pacific Coast, 130 Washington st., San Francisco.

Baker's Pain Panacea! DR. BAKER'S PAIN PANACEA, For the cure of pain, both externally and internally—the GREATEST PAIN-CURING REMEDY Yet discovered. Pain cannot exist where this remedy is faithfully used. Give it a fair trial.

FOR PAIN In the Stomach, Back or Bowels, burns, bruises, cuts, swellings, colic, diarrhoea, and rheumatism, headache, toothache, and earache. It cures, almost instantaneously, CHRONIC DISEASES, SUCH AS Dyspepsia, weak breast, liver complaint, general debility, fever and ague, canker sores, throat, weak eyes, spine and kidney diseases, old sores, coughs.

In the above-mentioned diseases, it only needs to be faithfully used, and CURE IS CERTAIN. Sold by all druggists and country merchants. GEORGE W. SNELL, Agent, Washington st., San Francisco. Dr. A. H. STEELE, agent, Oregon City.

Dr. W. M. HALL'S BALSAM CURES all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it is Unequaled! Hall's Lung Balsam, in all cases, gives the best satisfaction. Has wrought more cures since its introduction than any other cough medicine. It is endorsed by our leading physicians as the most and best remedy now before the public. Leads to the recovery of children, yet powerful in cases of chronic pulmonary disease. Brings in certain relief almost daily of its wonderful cure in all parts of the country. There is no medicine within our knowledge that has acquired so great and widespread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and anodyne properties, which have created so much prejudice against similar preparations. We believe that a medicine possessing real merit will effect cures whenever it is used, as here at Astoria. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently stopped by a single dose, and broken up in a few hours. The most obstinate coughs do not take hold after the first dose. They find whether this remedy will afford relief or not. Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine." Sold by all Druggists. GEORGE W. SNELL, Agent, 130 Washington st., San Francisco. Dr. A. H. STEELE, Agent, Oregon City. Dr. W. M. HALL'S BALSAM FOR THE LUNGS.

Moelle's Life Pills.—The high and exalted celebrity which this pre-eminent medicine has acquired for its inviolable efficacy in all the diseases which it professes to cure, has rendered the usual practice of attending to the only necessary but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of constipation, dyspepsia, bilious and liver affections, piles, rheumatism, fever and ague, obstinate headache, and all general derangements of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.

Dr. Moelle's Pills will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. H. MOFFAT, 315 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country.

Nanda's Sarsaparilla.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances afflicted with the terrible disease, SCROFULA. CINCINNATI, Feb. 28, 1859.

MEMOR. A. L. SCOVILL & CO.—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it she is who suffer with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been severely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contractions of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The Ulcers are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours, H. McWILLIAMS.

Young America Broad-cast Seed-Sower! Simplicity, Utility, Durability, and Cheapness Combined! R. S. RICEY'S IMPROVED BROAD-CAST SEED-SOWER. Patented, March 29, 1859. THIS machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be done by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily unrolled, and does away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap goes across the right shoulder and under the left arm, also a strap buckled around the body, and a strap from the top of the neck, around the neck. Should the Machine by accident get to be broken, any person can repair it, although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.

It will sow the various grains and seeds the following distances: Wheat, 50 feet at a cast, or 100 ft. at a round cast. 36 " " 72 " " Hemp seed, 49 " " 80 " " H. G. seed, 36 " " 72 " " Timothy s.d. 25 " " 50 " " Other grains and seeds in the same proportion. It will also sow wet and lined grain perfectly well. County Rights for Sale on Good Terms. Address, R. S. RICEY, Portland. Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Brown, Oregon, and orders will be punctually filled. Sept. 8, 1860-m4
