

DIED:
In this city, Jan. 7, of one throat and chronic
Influenza, aged 1 year, 9 months, 16 days.
He died before his infant soul
Had ever burnt with wrong desires—
Had ever sinned at heaven's control,
Or ever quenched its sacred fires.

Wistar's Balsam of Wild Cherry.—This purely vegetable
remedy combines in itself the properties of an An-
tipyretic, a mild cathartic, and a tonic. It quick-
ly removes from the blood, and other fluids of the
body, the impurities of unhealthy secretions which
engender and feed disease, thus striking at the
root of the malady. Although proved so effica-
cious it may be taken at all times with perfect
safety, as it contains no powerful drastic drug to
debilitate the system, or mineral poison to ruin
the constitution.
Prepared and sold by A. B. & D. SANDS, 109
Fulton st., New York. Price \$1 per bottle, or
six bottles for \$5.
Read the advertisement in another column
sold by Dr. STEELE, Oregon City, and by
Druggists generally.

Wistar's Balsam of Wild Cherry.—The
only pure and genuine Balsam in, and on the list
twenty years has been prepared by SERRA W.
FOWLE & Co., of Boston; and their printed
name, as well as the written signature of L.
WISTAR, appear on the outer wrapper. As you
would avoid the spurious and have the genuine,
take no other!

Wistar's Balsam of Wild Cherry.—This in-
valuable remedy is the best one extant for the safe,
sure, speedy, and permanent cure of coughs,
colds, sore throat, bronchitis, asthma, pleurisy,
pneumonia, croup, whooping cough, bleeding at
the lungs, pain in the breast or side, and in fact
every form of throat, chest, and lung complaint,
as well as consumption itself.
This household remedy should be in the hands
of every family and individual, as a timely applica-
tion of it to a slight cold will cause immediate
relief; while cases of long standing, obstinate,
and apparently incurable character, will on a try-
ing yield to its wonderful curative powers and its
great adaptation to the wants of man when af-
flicted.
For sale in California by Redington & Co.,

cisco; R. H. McDonald & Co., Sacramento;

ful tone to the system. A trial will establish
its merits over all other tonics now in use. For
Lung Complaints, Bronchitis, Dyspepsia, Nervous
Diseases, and Liver complaints, they are an
invaluable remedy; and they are a certain
prevention of chills and fever.

sweats, spitting of blood, whooping cough, diffi-
culty of breathing, colds, coughs, influenza,
phthisis, pain in the side, and all diseases of the

Hall's Lung Balsam, in all cases, gives the
best satisfaction.
It has wrought more cures since its introduction
than any other cough medicine.
It is endorsed by our leading physicians as the
safest and best remedy now before the public;
it is used by some children, yet powerful in
cases of chronic pulmonary disease.
It acts in certain cases almost daily of its wonder-
ful cures in all parts of the country.
There is no medicine with our knowledge that
has acquired so great and widespread popularity,
in so short a space of time, as DR. HALL'S
BALSAM FOR THE LUNGS. Its bal-
samic and healing properties are magical.
It is highly expectorant and tonic. It contains not
a grain of opium or morphia, the narcotic and an-
tiseptic properties which have created so much
prejudice against similar preparations.
We believe that a medicine possessing real
merits will effect cures whenever it is used, at
home or abroad. Dr. Hall's Balsam for the
Lungs is a perfect preparation, but one which,
if used in season, will save the lives of thou-
sands. The most distressing cough is frequently
relieved by a single dose, and broken up in a few
hours' time. The afflicted do not have to take
bottle after bottle before they find whether this
remedy will afford relief or not.
Hear what Physicians say of Dr. Hall's Bal-
sam. Says one: "I, with confidence, recom-
mend the Balsam as superior to any preparation."
Another says: "I have used it with uniform suc-
cess, and can confidently recommend it for all
these complaints for which it is offered as a rem-
edy." Still another writes: "I have no hesita-
tion in saying that it is a safe, convenient, and
efficacious medicine."

Moffat's Life Pills.—The high and envied
celebrity which this preparation has long
retained for its curative efficacy in all the cases
which it professes to cure, has rendered the moral
practice of ostentatious puffing not only un-
necessary but unworthy of them. They are known
by their fruits; their good works testify for them,
and they thrive not by the faith of the credulous,
but in all cases of constipation, dyspepsia, bilious
and liver affections, pleurisy, rheumatism, fever and ague,
obstinate headache, and all general derange-
ments of health, these Pills have invariably proved
a certain and speedy remedy. A single trial will
place the Life Pills beyond the reach of competition
in the estimation of every patient.
Dr. Moffat's Life Pills will be found equal-
ly efficacious in all cases of nervous debility, dys-
pepsia, headache, the sickness incident to females
in delicate health, and every kind of weakness of
the digestive organs. For sale by Dr. W. B.

This is to certify that Joseph Meyer, Practical
Chemist, has, by the use of his preparations, driven
out all the rats from Government Stores No. 6 of
this inspection, which was infested with those de-
structive animals; and that I witnessed an extra-
ordinary destruction of cockroaches, by Mr.
Meyer, although, when he applied his powder
about their places of resort, only a few were seen,
soon after, in less than fifteen minutes, the floor
of the room was literally covered with them, some
airily dead, others dying, and I declared that, by
a few applications of his Chemical Powder,
(which is certainly very efficacious.) Mr. Meyer
would entirely rid a house of these obnoxious in-
sects.

thousands whose experience has proved that

relief after the failure of every other remedy. It
is pleasant to the taste and sweet, and a few applica-
tions will entirely remove the pain and soothe
from a decayed tooth, so that it may be filed and
restored as usual as ever. When the pain pro-
ceeds from the ear, or from the gums around a
tooth apparently sound, the Anydne will give
speedy relief by rubbing a few drops on the part
afflicted. It has only to become generally known
to be as highly appreciated by the Public as it is

READ THE STATEMENT OF MR. M.
McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church,
regarding the cure of his daughter, who was
to all appearances cured of her liver with the ter-
rible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
Messrs. A. L. SCOVILLE & Co.—
Dear Sirs:—I feel it my duty to write you, and
let you know what your Blood and Liver Syrup
has done for my daughter, and that by publishing
it others who suffer with the same disease may
know of it, and by its use derive great benefit.
My daughter Eliza has been severely afflicted with
SCROFULA, attended with great pain, for more
than two years. She had some five or six running
Ulcers on one of her feet, one on her hip, and one
on her back. They caused continuous pain, and
the limbs so that she could not walk. At this
time, from the high recommendation of your
Blood and Liver Syrup in curing such diseases, I
was induced to try it. She commenced using it,
and as the medicine acted on the blood, the sores
commenced to heal. The limbs are getting
straight—she is now gaining strength. I have
only used three bottles of the medicine, and she
can now walk quite well. Your Blood and Liver
Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. McWILLIAMS.
