

**A Frog Story.**—The Hartford Press prints the story about six ladies of Toledo swallowing live frogs daily, to cure them of consumption, and follows it up with another, namely: "A couple of gentlemen from a neighboring town, who were called to watch with a sick person, who had been given over by his physician and apparently had but a short time to live, after some conversation relative to the improbability of stories of recovery by frogs inhaling a sick person's breath, resolved to test it.—The first frog placed at the dying man's mouth was as dead as Julius Caesar after only three or four breaths had been drawn; the second lived some time longer and died; the third lived about half an hour, and though others were applied, none of them died. The sick person immediately began to mend, and finally recovered. The parties to the transaction, who tell the story themselves, are highly respectable."

**A RARE CHANCE.**—The following recently appeared in a Wisconsin paper: Wanted, by a young lady, aged 19, of pleasing countenance, good figure, agreeable manners, general information, and various accomplishments, who has studied everything from creation to croquet, a situation in the family of a gentleman. She will take the head of his table, manage his household, scold his servants, nurse his babies—when they arrive—check his tradesmen's bills, accompany him to the theater, or in walking or riding, cut the leaves of his new books, warn his slippers, and, generally, make his miserable life happy.—Apply, in the first instance, by letter, to "Louisa Caroline, Pleasant Grove," and afterwards to papa, upon the premises.

**N. B.**—The wedding ring is number 4, (small.)  
Newspaper people are proverbially temperate as well as virtuous. We believe one of the craft did get "tightly slight" a few days ago, and the following is a sample of his paper the next day:  
"Yesterday morning, at 4 o'clock P. M., a small man, named Jones, or Brown, or Smith, with a heel in the hole of his trousers, committed suicide by swallowing a dose of arsenic. The verdict of the inquest returned a jury that the deceased came to the facts in accordance with his death.—He leaves a child and six small virtues to lament the end of his untimely loss. In death we are in the midst of life."

**ROMAN EYE BALSAM,**  
FOR WEAK & INFLAMED EYES.  
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.  
There are many persons who would rather suffer from pain and disease through fire, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, servile habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.  
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their occupations, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."

under its influence is surprising. Each new case in which it is applied furnishes in the result a new certificate of its efficacy and excellence; and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most incredulous of its value.

**Young America Broad-cast Seed-Sower!**  
Simplicity, Utility, Durability, and Cheapness Combined!  
R. S. RICE'S IMPROVED  
BROAD-CAST SEED-SOWER.  
Patented, March 29, 1859.  
THIS machine is well adapted to sowing all kinds of grain and good seed, lupine seed, &c. It sows more regularly than can possibly be done by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily unadjusted, and does away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried of while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap to go across the right shoulder and around the left arm, also a strap back and around the body, and a strap from the top of the sack, around the neck. The Machine by accident get broken, any tinner can repair it, although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.  
It will sow the various grains and seeds the following distances:  
Wheat, 30 feet at a cast, or 100 ft. at a round  
Oats, 36 " " 72 " "  
Hempseed, 40 " " 80 " "  
H. G. seed, 36 " " 72 " "  
Timothy's, 25 " " 50 " "

**PURIFY THE BLOOD.**  
MOFFAT'S  
Vegetable Life Pills  
AND  
FROENI BITTERS.  
THE high and envied celebrity which these prominent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their trials; their good works testify for them, and they thrive not by the faith of the credulous.  
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints, in the south and west, where these diseases prevail, they will be found invaluable. Plaster, tar, and oil, and other, who once use these Medicines, will never afterwards be without them.  
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, scurvy, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines have the system subject to a return of the disease, a cure by these medicines is permanent. Try them, and be cured, and be cured.  
Mercurial Diseases.—Never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.  
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholera.  
Piles.—The original proprietor of these medicines was cured of Piles of 3 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their children's health is suspected. Relief will be certain.  
The Life Pills and Froeni Bitters  
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and FROENI BITTERS beyond the reach of competition in the estimation of every patient. Prepared by  
DR. WILLIAM B. MOFFAT,

Mill Seat and Land.  
I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to heavy settlements.  
I wish also to sell half a section of LAND near by. The place is six miles west of Lafayette, Yamhill county.
