Messas. A. L. Scovill, & co.—

Dear Sire:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use dot to great benefit.— My daughter Elza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her teet, one on her h p, and one on her back. They caused contraction of the limbs so that she could not walk. At the time, from the high recommendation of your Bood and Lover Syrup in curing such diseases, I Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain yours,
H. McWilliams.
