

Grief by nature is quiet. How still and hushed is the house of mourning! Joy demands and seeks an audible tongue. How loud is a house of feasting and gladness! Gladness must sing, either audibly or in the heart, and it sings the sweeter when its joy soars the highest above the earth. Reptiles, serpents, worms and all things creeping on the earth never sing.—No animal walking the earth below man possesses the gift of song, only the birds that fly heavenward. The lark sings sweetly on its upward flight, until its song dies away far above the clouds; but its sweet notes are hushed the moment it falls back on the earth. Like the lark's is the song of the human heart. Undue attachment to earth loosens the harp strings of the heart, and hushes the glad voice of praise.

"CHARITY NEVER FAILETH."—The chronicles of history, the earlier and the later, furnish innumerable evidences of the truth of the saying "Charity never faileth." In the reign of King Edgar, in 963, the Bishop of Winchester, while a great famine was raging, sold all the sacred vessels of the church, to relieve the starved people, saying that "there was no reason that the senseless temples of God should abound in riches, and living temples of the Holy Ghost lack it."

In chemistry the way to part two bodies is to introduce a third. The same holds true in other departments. To increase the distance between a pair of lovers, all that is required is to let Willie walk into the parlor with a lighted candle in his hand. The effect is instantaneous. Adhesion is not seen, but the power of separation is discernible.

Boys who spurn a mother's control, who are ashamed to own that they are wrong, who think it manly to resist her authority, or yield to her influence beware! Lay not up for yourselves bitter memories for future years.

TRUST.—Trust him little who praises all; him less who censures all; and him least who is indifferent about all.

Misery loves company, and so does a marriageable young lady.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in
the private practice of a celebrated Oculist,
with remarkable success, for diseases of the Eye
and Eyelids.
There are many persons who would rather
suffer from pain and disease through care, than
credit or try the efficacy of any new discovery; all
such had better not read this, but to all reason-
able persons this preparation is recommended as
a most safe and efficient cure for inflammation
of the Eye and Eyelid, caused either by too close
application to minute objects, scrofulous habit, ex-
posure to cold, blows, contusions, or irritation
from any extraneous body under the eyelids. It
is remarkably soothing in its effect, and has
cured thousands who would otherwise have lost
their sight.

In cases the Eyelids are inflamed, or the ball of
the Eye thickly covered with blood, it acts al-
most like magic and removes all appearances of
inflammation after two or three applications.
There is a numerous class of persons that are pecu-
liarly exposed to accidents or diseases that weaken
and inflame the Eyes, and perhaps destroy the
sight, who, from the nature of their employments,
are compelled to work in a cloud of dust and grit.
Such should never be without this BALSAM.

Young America Broad-cast
Seed-Sower!
Simplicity, Utility, Durability,
and Cheapness Combined!

R. S. RICE'S IMPROVED
BROAD-CAST SEED-SOWER.
Patented, March 29, 1890.
THIS machine is well adapted to sowing all
kinds of grain and grass seed, hemp seed,
&c. It sows more regularly than can possibly be
done by hand, or any other machine ever intro-
duced. It is perfectly simple in its construction,
and not liable to get out of order; it is easily un-
derstood, and does away with the hard manual
labor of sowing grain—doing the same amount of
work in two hours that could be done in one day
by the ordinary method of sowing. The machine
can be carried while being used, as it weighs but
five pounds, or, by a simple frame, it can be at-
tached to a wagon. When it is carried, it is
strapped on the body of the operator, a strap
across the right shoulder and under the left
arm, also a strap buckled around the body, and a
strap from the top of the seed box, around the neck.
Should the Machine by accident get stuck, any
tumor can repair it—although by proper
care the Machine will last a lifetime. But to be
appreciated, it must be seen.

It will sow the various grains and seeds the
following distances:
Wheat, 50 feet at a cast, or 100 ft. at a round
Oats, 36 " " 72 " " "
Hemp seed, 40 " " 80 " " "
H. G. seed, 36 " " 72 " " "
Timothy s'd, 35 " " 50 " " "
Other grains and seeds in the same proportion.
It will also sow wet and lined grain perfectly well.

Address, S. S. SNOW, Portland.
Those wishing to procure machines, can apply
to the above, or to H. M. Humphrey, Portland, or
C. W. Bryant, Oswego, Oregon, and orders will
be punctually filled. Sept. 8, 1894m4

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PURIFY THE BLOOD.

THE high and envied celebrity which these pre-
eminent Medicines have acquired for their
invaluable efficacy in all the diseases which they
profess to cure, has rendered the usual practice of
putting not only unnecessary, but unworthy of
them. They are known by their traits; their good
works testify for them, and they thrive not by the
faith of the credulous.
In all cases of asthma, acute and chronic rheu-
matism, affections of the bladder and kidneys,
bilious fevers and liver complaints—in the south
and west, where these diseases prevail, they will
be found invaluable. Planters, farmers, and others,
who once use these Medicines, will never af-
terwards be without them.

Dyspepsia.—No person with this distressing
disease should delay using these Medicines im-
mediately. Eruptions of the skin, eczema, flatu-
lency, fever and ague—for this scourge of the
western country, these medicines will be found a
safe, speedy, and certain remedy. Other medi-
cines have the system subject to a return of the
disease—a cure by these medicines is permanent.
TAYLOR, REBETTER, AND CO. REC'D.
Mercurial Diseases.—Never fails to eradicate
entirely all the effects of Mercury infinitely sooner
than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous
complaints of all kinds, Organic Affections,
Purification of the Blood, Painter's Cholic.
Piles.—The original proprietor of these medi-
cines was cured of Piles of 3 years' standing by
the use of these Life Medicines alone. Nervous
of all kinds are effectually expelled by these medi-
cines. Parents will do well to administer them
whenever their existence is suspected. Relief will
be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will place the LIFE
PILLS and PHENIX BITTERS beyond the
reach of competition in the estimation of every
patient. Prepared by

"I can administer to a mind (and body) diseased,
And with a sweet oblivious antidote

A Blessed & Divine Remedy
SANGUIFEROUS NERVE TONIC!

Read my Theory of
LIFE and DEATH,
THAT most diseases prove fatal; that early
deaths occur, that people live for years a liv-
ing death, weak, infirm, and exhausted—not
from the disease itself, but from an inability in
nature, and nature's strength to withstand or
maintain life through the ravages of disease—
Give them strength, and nature will relieve her-
self, if stimulated. She has given us herbs and
plants to effect all this. Purify the blood, render
the intestines, the liver, the heart, and all the
natural functions of man or woman active, and
nature has half conquered disease. Dr. JACOB
WEBBER does conscientiously assure all who
read this, that his Sanguifer or Invigorating Cor-
dial produces all the effects above described. He
has seen the old, the uttering, the palsied, the
nervous, the dyspeptic, the imbecile, the de-
bauched, and the ravaged revive under its influence,
as if new life were given them.

Dr. Webber's Sanguifer
acts on the blood, heart, brain, intestines, sinews,
nerves, the fluids and semi-fluids, and
the whole physiology, and
BENEFITS ALIKE
the gloomy hypochondriac, the dyspeptic, the
nervous, debilitated and feeble, the over-dressed
invalid, the bilious and liver-diseased sufferer, the
gouty, the debauchee, the intemperate, and all
who suffer ill health.

"OH HORRIBLE! OH HORRIBLE!"
Most Horrible!!!"
When worn-out nature succumbs to DEATH,
because she has not strength to resist. Now, Dr.
Jacob Webber's Invigorating Cordial causes
strength—that is manly quality. The first op-
eration, Tonic; the paraker feels then that soda-
tion is caused—his skin is damp, his limbs supple
and active, he feels a wish for exercise, and
knows he has strength to endure it; he is light-
spirited, his skin becomes clear; his eyes, too, be-
cause his liver is made active, the bile neutral-
ized or ejected, and his blood thinned and puri-
fied. It has a foul stomach, this acts as an
aperient, not otherwise. Again, it immediately
relieves belching, and prevents an accumulation
of wind in the stomach. The stomach, the great
regulator of disease and cure. I will now enu-
merate a few of those diseases where I have seen
Dr. Webber's Invigorating Cordial act most beau-
tifully:

Nervousness, Weakness, Languor,
Fever and Ague, Chills, Pains
in the Limbs, Joints, Body,
Delirium Tremens, Tre-
mors, Constitutional
Decline, (from any
cause,) Debility
in either sex
or age,
Torpor of the Liver, Bowels,
& HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause
a healthy action on the bowels, heart, skin, and
brain, and thereby revolutionize the whole system,
which has become dormant and inactive. Two
thirds of human diseases are caused from some
of the above organs being disordered. Doctors
may tell you that you have such and such a dis-
ease, but until medical practice becomes a science
(and it is not yet), disease cannot be described to
a certainty. This singular medicine gradually
strengthens the system, enters at once the blood,
which from sluggishness is rapid, courses through
the veins and the heart. Many I have seen who
assured me that, three days after using it, they
have felt a thrill of an emotion, mentally and bodi-
ly; their chest and breast was before heavy; all
they at once used to settle there; their rest was un-
quiet; their appetite poor; and that this really
blessed cordial removed all such symptoms; that
strength of limbs, body, appetite, and spirits was
given them by it, and an entire revolution in their
worn-out system occurred.

"The Rev. Robert Schuyler, of Potluma, says:
"For years both myself and brother have suffered
from dyspepsia, a weakness of and sour stomach,
indigestion and flatulence, that life at times was
a burden. We have used your Cordial (Dr. Web-
ber's Invigorating Sanguifer) four days, and
feel better than we have for years."

READ!!
The Appetite for Liquor Destroyed!
ONE of the beautiful properties possessed by
DR. WEBBER'S
INVIGORATING CORDIAL
is that it removes all lingering or taste for liquor—
Many inebriates have found that after it has re-
newed and strengthened them, quitted their
nerves, it has caused aversion to spirits. I have
seen it cure some of the most frightful cases
where delirium tremens had actually occurred.
It's sold by all respectable Druggists in Oregon
and California.

Beware of Counterfeits!—See that the names
of T. JONES and J. WARD, M. D., are on the
top of each outside wrapper, and blown in the
glass of each bottle. Buy none other!
