

WALKING FEAT.—Brady the pedestrian performed the feat of walking, up to nine o'clock last night, at which time he fell exhausted, and was carried away—lacking three hours of the allotted task—this is the first time that such a feat has been undertaken in this city, and we hope for the sake of public morality and decency, it may be the last, as there has been more open depravity exhibited at the Gymnasium during the past three days, than should be tolerated in any civilized community. The feat itself was inhuman, the place a bedlam, the noise and tumult a perfect nuisance—and the Sabbath violated in a most disgraceful manner.—*Advertiser, of Monday.*

PRODUCE.—We learn from the Portland papers that the receipts of produce at that point from the upper country for last week, were as follows:

Flour, 6,947 sacks; Bacon 255 cases; 47 sacks, 500 lbs., 5 tons (measurement); Apples, 2,089 boxes; Lard, 11 cases; Wheat, 1,710 bushels; Shorts and Bran, 520 sacks; Oats, 31 sacks; Produce, 38 boxes, 41 pkgs., 9 hfl bbl.; Eggs, 15 pkgs.; Eggs and Batter, 29 boxes; Fruit Trees, 16 pkgs., 4 cases; Poultry, 11 coops; Hides, 60; Leather, 7 rolls; Furs, 6 pgs; Merchandise, 3 bales.

The Chinese population of this city celebrated their New Year's on Saturday last with considerable ceremony peculiar to themselves. They date their New Year's anniversary from the time of the accession of a new king to the throne, this being the 11th year of the reign of King Han-Fung-Wang.—*Advertiser.*

LITTLE GIRLS.—There is something inexpressibly sweet about little girls.—*Exchange.*
And it grows on 'em as they get bigger. There now.—*Preville.*

DIED:

In this city, Feb. 12, 1861, of sore throat and chronic cough, RICH DUNBAR, son of D. H. and Mary E. Good, aged 4 years and 21 days.
I saw a roebuck blowing,
Fragrant and fair,
Mid other roses throwing
Sweets on the air,
These came a prince who plucked the gem,
And placed it in his diadem.
So our sweet earthly flower
Blow-d for a day,
Thou shalt come to our bosom
And snatched him away:
"The Lord hath need of him," he cried,
And our dear RICHIE gladly died.
He heard the angels calling
For him to come,
He saw sad tears were falling,
And heard, "I'm going home!"
"Oh, Ma' won't brother Henry smile,
And clap his wings for joy the while!"

D. D. STEPHENSON,

DENTIST, has removed his office to the Room over the Argus Office, where he is prepared to do all work in his line.

Best! Narsaparilla.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Prepared and sold by A. B. & D. SANDS, 100 Fulton st., New York. Price \$1 per bottle, or six bottles for \$5.
Read the advertisement in another column. Sold by Dr. STEELE, Oregon City, and by Druggists generally.

Moffat's Life Pills.—The high and envied celebrity which this eminent medicine has acquired for its inviolable efficacy in all the diseases which it promises to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them. They are known by their fruits; their good works testify for them, and they derive not by the faith of the credulous. In all cases of constipation, Dyspepsia, biliousness, and head-aches, pleurisy, rheumatism, fever and ague, obstinate diarrhoea, and all general debilitations of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills before the reach of competition in the estimation of every patient.

Dr. Moffat's Phenix Bitters will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. B. MOFFAT, 335 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country.

FINAL SETTLEMENT.

NOTICE is hereby given that Noah Lambert, Administrator of the estate of R. E. Randon, deceased, late of Clackamas county, Oregon, having presented his petition and filed his account for final settlement, the last Monday in this present month, February, is appointed for examination of the same at the court-house in Oregon City, in said county, by order of the Judge of Probate.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances expected for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.

Messrs. A. L. SCOVILL & CO.
Dear Sirs:—I feel it my duty to write you, and let you know that your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been severely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At the same time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain yours,
H. McWILLIAMS.

Office of the U. S. Naval Inspector of Provisions and Clothing.
NAVY YARD, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6, of this inspection, which was infested with those destructive animals; and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

Dr. W. M. HALL'S
BALSAM

Cures all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it

Is Unequaled!
Hall's Lung Balsam, in all cases, gives the best satisfaction;
Has wrought more cures since its introduction than any other cough medicine;
Is endorsed by our leading physicians as the safest and best remedy now before the public;
Is safe to use among children, yet powerful in cases of chronic pulmonary disease;
Beings in certificate almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and so deserved popularity, in so short a space of time, as **DR. HALL'S BALSAM FOR THE LUNGS.** Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and assuaging properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paragon preparation, but one which, if used in season, will save the lives of thousands by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with no common success, and can confidently offer it as a remedy." Still another writes: "I have no hesitations in saying that it is safe, convenient, and efficacious medicine."
Sold by all Druggists.
