San Francisco Market.—Feb. 14.—Flour—2000 qr. sacks Standard Mills, Oregon, sold for England on private terms; 4000 qr sacks Oregon superfine, various brands, for England' sold at $4 62½, at the close. Other parcels are under negotiation, $4 75 asked, $4 62½ offered.

Wheat—Considerable now arriving has been purchased in the country, and comes here direct to shippers, though the cost, landed, is full up to our highest quotations. 500 sacks choice re-sold at $1 90; 1000 do at $1 65; 570 do at $1 50 a $1 55; 800 sacks, to be re-cleaned, sold at $1 37½, —per 100 lbs.

Oats—Market dull and inactive, for want of supplies.

Apples—There is an active jobbing demand, at extreme prices; dealers are sending liberal supplies on orders to the interior; we quote prices 10 a 15c per lb, as to quality.

☞ The Virginia proposition for a Convention of the States at Washington on the 4th of Feb. now monopolizes attention. Ex-President Tyler is at Washington, in connection with this subject, and has had a friendly interview with the President.—The latter considers that there will be no collision during his administration.

Capt. Trevalliot.—This gentleman left Fort Alexander about the 20th of November. He reports about 360 miners wintering on the upper Frazer river, About 700 white men and 500 Chinamen on the Cayuse flat at the Lillooett. The Capt. proposes to go through from the Dalles with a pack train to the Carriboo.—*Times.*

Rock Creek.—We learn from Capt. Ankeny that the miners at Rock Creek are tunneling and find pay dirt as they progress. They are making great preparations for the summer. Dates from there to Jan. 18th.—*Times.*

☞ A rumor has been circulated that the post-office department, failing to pay the California stage company, according to contract, the daily service through Oregon might stop. Mr. Thomas, Vice President of the Company, says the coaches shall go on no matter what else stops.—*Statesman.*

The Indian bureau is in receipt of late intelligence that 5,000 Sioux are collected on a fork of the Platte, and they intend to take Fort Kearney and "wipe out" the white settlements and stop all emigration westward.

☞ Lawrence Byrns has made us a present of some very fine apples. 'Larry' wishes to know whether any Lincoln man can show finer Bell-Flowers than his—we being judge.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and for the last twenty years has been, prepared by Seth W. Fowle & Co., of Boston; and their printed name, as well as the written signature of *I. Butts*, appear on the outer wrappers. As you would *avoid* the spurious and *have* the genuine, *take no other!*

Wistar's Balsam of Wild Cherry.—This invaluable remedy is the best one extant for the safe, sure, speedy, and permanent cure of *coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonic, croup, whooping cough, bleeding at the lungs, pain in the breast or side*, and in fact every form of throat, chest, and lung complaint, as well as Consumption itself.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

For sale in California by Redington & Co., Henry Johnson & Co., Charles Morrill, San Francisco; R. H. McDonald & Co., Sacramento; Rice, Coffin & Co., Marysville; Smith & Davis, Portland, Oregon. fe18yeow

Moffat's Life Pills.—The high and envied celebrity which this pre-eminent medicine has acquired for its invariable efficacy in all the diseases which it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of costiveness, dyspepsia, bilious and liver affections, piles, rheumatism, fever and ague, obstinate head-aches, and all general derangements of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.

Dr. Moffat's Phœnix Bitters will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. B. Moffat, 335 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country. 3y.

Just received, the *latest style* of silk & sat in Bonnets, Leghorn and straw flats.
Ainsworth & Dierdorff

Sands' Sarsaparilla.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Prepared and so'd by A. B. & D. SANDS, 100 Fulton st., New York. Price $1 per bottle, or six bottles for $5.

☞ Read the advertisement in another column. Sold by Dr. STEELE, *Oregon City*, and by Druggists generally.

THIS BLOOD & LIVER SYRUP

☞ IS WARRANTED ☜

To cure all scrofulous and other diseases that originate from the BLOOD OR LIVER.

READ THE STATEMENT OF MR. M. McWILLIAMS,

Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:

Cincinnati, Feb. 28, 1859.

Messrs. A. L. Scovill & co.—

Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her lip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain yours,
H. McWilliams.

Office of the U. S. Naval Inspector of Provisions and Clothing.

Navy Yard, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with those destructive animals; and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

Dr. WM. HALL'S BALSAM

Cures all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

Is Unequaled!

Hall's Lung Balsam, in all cases, gives the best satisfaction;

Has wrought more cures since its introduction than any other cough medicine;

Is endorsed by our leading physicians as the safest and best remedy now before the public;

Is safe to use among children, yet powerful in cases of chronic pulmonary disease;

Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S *BALSAM FOR THE LUNGS.* Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
