

SALEM, March 5th, 1861.

Ed. AUGUS: There are, as usual, but few items of interest here. The grandest farce ever enacted in this place, so noted for farces and humbugs, was a 'self-recently perpetrated by some school-boys who call themselves a 'literary society'...

A runaway match, or rather a wedding on the sly, took place in this section lately. The fair one, it appears, was engaged to a dut of lovers at the same time, and there was only two weeks' difference in the time set for the union...

There is a good deal of talk here about the mines, both north and south and in the Santiam country, and numbers are making preparations to leave this month.

OREGON CITY MARKET.—Wheat, 55a 60c; Flour, \$3.50-4; Oats 25a30c; Butter, 20a25c; Eggs, 15c.

MARRIED: In this county Feb 9, by Rev J. M. Salice, Mr. Truman L. Bonney to Miss Terrie Louana Baker.

BORN: In this city, March 4, 1861, a daughter, of Mrs. C. W. Cooke.

DIED: At Champan, March 2, George Edward, son of Robert and Rebecca Newell, aged 5 weeks.

DEPARTED: In memory of Margaret Price, who died May 25, 1860.

And is thy race on earth so quickly run, So briefly ended when but begun.

Oh, think so late thy face was bright, And now so wan 'th' death's cold light!

Oh, sad are our hearts and filled with gloom, To think that lowly and cold in the tomb.

Heavy, heavy, sister dear, is my heart, To lie that of the grave that's not a part.

Oh, desolate now our household, and lone, For thine, sweet Maggie, afar art gone—

Oh, what of life to us now is left, When that of thy slender life we were left?

Oh, fit us, God, as she, to go! May 27, 1860.

GREAT MEDICAL DISCOVERY, SCOVILL'S Blood & Liver Syrup, OR SARSAPARILLA AND STILLINGIA, FOR THE CURE OF Scrofula, Syphilitic, and Mercurial Diseases, Old sores, skin diseases, and all other diseases which are caused by an Impure state of the Blood!

THIS BLOOD & LIVER SYRUP IS WARRANTED TO cure all scrofulous and other diseases that originate from the BLOOD OR LIVER.

READ THE STATEMENT OF MR. M. McWILLIAMS, Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances cured of the liver with the terrible disease, SCROFULA:

Messrs. A. L. SCOVILL & Co.—Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it will be of service to the same disease may know of it, and by its use derive great benefit.

My daughter Emma has been severely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contractions of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain, your obedient servant, H. McWILLIAMS. STATEMENT OF REV HORACE BUSHNELL, City Missionary & Pastor of the Presbyterian Church, CINCINNATI, March 24, 1859.

Important to Housekeepers! No Family ought to be Without MEYER'S MIRACULOUS Vermin Destroyer.

IT has destroyed every description of Vermin infesting premises where it has been used, and proved to the entire satisfaction of purchasers that it is the one thing needed to promote thorough cleanliness.

READ THIS! Office of the U. S. Naval Inspector of Provisions and Clothing, NAVY YARD, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6, in the Insular, which was infested with these destructive animals, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer, although, when he applied his powder about their places of resort, only a few were seen, soon after, less than fifty or sixty, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

Dr. W. M. HALL'S BALSAM CURES all diseases of the LUNGS and Chest. For the cure of consumption, decline, asthma, bronchitis, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it is unequalled!

Hall's Lung Balsam, in all cases, gives the best satisfaction. Has won the more cures since its introduction than any other cough medicine. It is endorsed by our leading physicians as the safest and best remedy now before the public. It is so used by our children, yet powerful in cases of chronic pulmonary disease. Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and so widespread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and sedative properties which have created so much prejudice against similar preparations.

It is believed that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is a pure vegetable preparation, but one which is used in season, and it saves the lives of thousands. The most distressing cough is frequently relieved by a single dose, and in ten or a few hours' time. The effect will not have to take place after bottle before they find whether the remedy will afford relief or not.

Dear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with unusual success, and can confidently recommend it for all low complaints, for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious remedy."

Sold by all Druggists. GEORGE W. SNELL, Agent, 120 Washington St., San Francisco. Dr. A. H. STEELE, Agent, Oregon City.
