

Sonnet to Miss A. V. F.
 And now, fair girl, we hear the hour has come,
 When from our fond eyes you must depart;
 Some you will say, you'll stay your pleasant home;
 We'll go, and take with these our yearning hearts,
 Would that I might play the tyrant king,
 And check the moments in their onward flight;
 From this brief hour an eternity should spring,
 And then should never leave our fascinated sight.
 But other loves now call these hours, and we
 Must be content; thy bright worth will yet remain
 With us, sleep labored on, leaving memory,
 And should it be our lot, sweet girl, to meet again,
 And thy heart will be free, we may crave
 This boon: to be thy true and willing slave.
 O. P. Q.

To O. P. Q.
 I've a heart of my own, now joyous and free,
 And gladness as the heart of a maiden can be;
 A heart that beats with the quick flow of youth,
 And swells with a world of feeling and truth—
 A heart of my own!

'Tis a fond heart and true, 'tis a heart full of bliss,
 'Tis a heart of good feelings, as all hearts should be;
 'Tis a gentle heart, too, and as sweetly mild
 As the warm heat of heart of an innocent child;
 But this heart's my own!

And I've a hand, too, which, I boldly attest,
 Can dip o'er the page with the fairest and best;
 A hand that can play the piano with ease,
 A hand that can do just whatever I please;
 A hand that's my own!

A hand that can smooth the sick pillow with care,
 And shut a false lover, if occasion require;
 Aye, shoot a false lover, a base slanderer, too,
 Even tho' he runs, and keeps pistols in view;
 A hand that's my own!

On that villainous finger it can pull trigger, too,
 This hand would never hesitate much work to do;
 It can send the vile liar to answer with truth,
 For all his base falsehoods on innocent youth;
 This hand is mine!

'Tis a hand firm and steady, true as steel you will find,
 As this lover, slender, forger, and liar combined,
 Of his terrible race can tremble with joy,
 How low he runs from some woman—run bravely and
 From this hand of mine!

What! should a man's hand tremble? That's something
 Too base for this hand of mine to ever do;
 Even tho' after full many a flying kick,
 He turns and bravely points a great revolver back;
 'Tis a hand of mine!

Now, young men, if you wish a loving heart
 And hand, I will tell you—just pray, don't start—
 This heart of mine is for you, if you can be,
 And this hand and hand belong still to me;
 But I'll keep them, too.

Excuse me, young gentle, for giving to you
 This verse, with its errors so plainly in view;
 But what better could I have expected to do,
 With before me this model of O. P. Q.?

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
 THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any medicine; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and efficient cure for inflammation of the Eye and Eyelid, caused either by too close application to minute objects, scrofulous habit, exposure to cold, winds, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons who are peculiarly exposed to accidents or diseases that weak and inflame the Eyes, and perhaps destroy the sight, who, from the nature of the exposures, are compelled to work in a close and dark and greasy. Such should never be without this BALSAM. Remember, "See is believe."

Young America Broad-cast
Seed-Sower!
 Simplicity, Utility, Durability,
 and Cheapness Combined!

R. S. RICE'S IMPROVED
BROAD-CAST SEED-SOWER.
 Patented, March 29, 1850.
 THIS machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be done by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily unrolled, and does away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap to go across the right shoulder and under the left arm, also a strap buckled around the body, and a strap from the top of the back, around the neck. Should the Machine by accident get broken, any tinner can repair it—although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.

It will sow the various grains and seeds the following distances:
 Wheat, 30 feet at a cast, or 100 ft. at a round
 Oats, 35 " " " 72 " "
 Hempseed, 40 " " " 80 " "
 H. G. seed, 35 " " " 72 " "
 Timothy's d, 25 " " " 50 " "

Other grass and seeds in the same proportion. It will also sow wet and lined grain perfectly well.
 County Rights for Sale on Good Terms.
 Address, S. S. SNOW, Portland.
 Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Bryant, Oregon, Oregon, and orders will be punctually filled.

THE collegiate year, consisting of one term of nine months, will commence on the first Wednesday of November.
 It is the design of this Institution to furnish a thorough and complete collegiate education.
 There is a Library of 1000 volumes for the use of the students.
 Applicants for admission to college must have a knowledge of the common English grammar, and have studied the ancient languages so far as to have read portions of Cæsar and Cicero and the Greek Reader.
 The tuition fee is \$32 per annum.

Students fitting for college, as well as others wishing to pursue collegiate studies without entering upon the college course, will be under the instruction of the college teachers.
 The full term of 11 weeks in the preparatory department commences on the 2d Wednesday of September. Tuition, \$8 per term.

TUALATIN ACADEMY.
 Tualatin Academy, for the coming year, will be under the direct and instruction of the College Professors, with such assistant instructors as they may find necessary to carry it forward efficiently and successfully.
 The full term will commence on Wednesday, Sept. 19, to continue eleven weeks.
 Tuition—Common branches, \$5; higher, \$8. A small additional charge will be made for fuel, &c. Instruction in Painting extra, to such as receive it.
 N. B.—The collegiate and the collegiate preparatory departments will commence on Wednesday, the 31st of October at the commencement of the last half of the academic term, at which time Pres. Marsh is expected, with competent assistant teachers from the East, to be ready to take his place in the Institution.
 Prof. Lyman, with the assistance of Mrs. C. E. ADAMS, will carry forward the academic department till the return of Pres. Marsh.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
 AND
PRÆNIX BITTERS.

THE high and envied celebrity which these preparations have acquired for their purgative efficacy in all the diseases which they profess to cure, has rendered the usual practice of purging not only unnecessary, but unworthy of them. They are known by their tried and good works testify for them, and they thrive not by the faith of the creeds.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, eruptions, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Various of all kinds are of great value, especially in a return of the disease—a cure by these medicines is permanent.
THEY ARE RECOMMENDED AND CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury indefinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Paralytic Cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 3 years' standing by the use of these Life Pills alone. Various of all kinds are of great value, especially in a return of the disease—a cure by these medicines is permanent.

A Blessed & Divine Remedy
SANGUIFEROUS NERVINE TONIC!

Read my Theory of
LIFE and DEATH,
 THAT most diseases prove fatal; that early death occurs, that people live for years a living death, weak, inactive, and exhausted—not from the disease itself, but from an inability to maintain, and nature's strength to withstand or overcome life through the ravages of disease—Give them strength, and nature will relieve herself, if stimulated. She has given us herbs and plants to effect all this. Purify the blood, and all the organs, the liver, the heart, and all the natural functions of man or woman active, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous or Invigorating Cordial produces all the effects described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the indolent, the debauchee, and the invalid revive under its influence, as if new life were given them.

Dr. Webber's Sanguifer
 acts on the blood, heart, brain, intestines, sinews, nerves, the fluids in a semi fluid, and the whole physique, and
BENEFITS ALIKE
 the gloomy hypochondriac, the dyspeptic, the nervous, debilitated and feeble, the over-dosed invalid, the bilious and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer ill health.

"OH HORRIBLE! OH HORRIBLE!
 Most horrible!!"
 When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the patient feels that a sudden change is caused—his skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is light-spirited, his skin becomes clear; his eyes, too, because his liver is made active, the bile neutralized or ejected, and his blood thinned and purified. If he has a faint stomach, the acts as an aperient, and other ailments. Again, it immediately relieves the bowels, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases which I have seen Dr. Webber's Invigorating Cordial act most beautifully:

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex or age,

Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!
 This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from singleness of mind, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of an emotion, mentally and bodily; their chest and breast was before heavy; all they ate seemed to settle there; their rest was unquiet; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Schuyler, of Potsdam, says: "For years both myself and brother have suffered so from dyspepsia, weakness of our stomach, in digestion and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."
