

PROGRESS OF SCANDAL.—The servant at No. 1 told the servant at No. 2 that her master expected his old friends, the Baylors, to pay him a visit at Christmas; and No. 2 told No. 1 that No. 1 expected the Baylors in the house every day; and No. 3 told No. 4 that it was all up with No. 1, for they couldn't keep the balliffs out; whereupon No. 4 told No. 5 that the officers were after No. 1, and that it was as much as he could do to prevent himself from being taken into execution, and that it was killing his poor dear wife; and so it went increasing and increasing, until it got to No. 33, where it was reported that the detective police had taken up the gentleman who lived at No. 1 for killing his poor dear wife with arsenic, and it was confidently hoped and expected that he would be executed at Horsemeadow Lane Jail, as the facts of the case are very clear against him.

FINGERS IN SQUEEZING ORDER.—A young lady, in reply to her father's question why she did not wear rings upon her fingers, said: "Because, papa, they hurt me when my body squeezes my hand!" "What business have you to have your hand squeezed?" "Certainly none; but still you know, papa, one would like to keep it in squeezing order."

The modest virgin, the prudent wife, or the careful matron, are much more serviceable in life than petticoated philosophers, blustering heroes or virago queens. She who makes her husband happy, and reclines him from vice, is a much greater character than ladies described in romances, whose sole occupation is to murder mankind with shafts from their quiver or their eyes.—Goldsmith.

To R. S. T. With a head full of wonder and throbbing with doubt, Miss R. S. T.'s meaning I strive to make out; Those epithets dropped in such passionate haste, And fierce floating gibes in my own verses cast; With a sound of defiance her lips she has blown, But consistency's truth through no single verse is shown.

She talks of her goodness, yet glantly would stain With infamous wadery a stranger's good name; She boasts of her purity, truth, mercy, and again Of the steel of her heart and her hand's manly grain.

O for shame, my false lady, that thy mangled heart Should give all to craft, and save virtue no part; That binds not your cheeks when you tell us how turned, Your love into fury when its effect is scorned, Nor how you passed, o'er his snuff-flaying track, The youth you will love would so forcefully pack; Ha! I'd give half my youth that would light to have seen;

'Twas Adonis fierce chased by Love's red-gliding Bat; Love, like her darts, pressed pinions of light, And Adonis must soon have been vanquished in flight; So seeing, dear Venus, that you'd soon bear him, He turned to slash you with virtuous proud frown. Love, fabled of his object, to hatred quick turned, And sulphur revenge in its place has no horn. Now to peace I commend you and to modesty's grace, Though I hope I may witness your next eager love Then I'll write it in numbers, and so plainly I'll speak, That you cannot once doubt 'tis of you that I treat, And my name I'll avouch so you neither can doubt it; Nor, as now, blame some one who knows naught Your fancy excited has your sense overruled, Else senses were scarce where your passions were school;

Pray, don't step these lines in billingsgate dew, Then complain of the model of chaste O. P. Q. Yet still through my bosom astonishment flashes, And wondering amazement its wave round me dashes; This grim wolfish growl has filled me with fear, And visions of war to my fancy appear, To the sweet voices of pipes where I quietly stray, To the waltzes and dances which have fallen a prey. Then most I abandon these musical vales, For fear I should tread on these animals' tails; No, in these sweet bowers still fondly I'll remain, Nor trouble these 'ramants' if they'll but stay at home.

**Roman Eye Balsam,**  
FOR WEAK & INFLAMED EYES.  
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.  
There are many persons who would rather suffer from pain and disease through life, than eruditor try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and efficient cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrupulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in itself, and has cured thousands who would otherwise have lost their sight.  
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic, and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are particularly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."  
Price 25 cents per jar.

The Best Sarsaparilla Ever Made!  
THIS unrivaled preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers  
**Health and Strength**  
under its influence is surprising. Each new case in which it is applied furnishes in the result a new certificate of its efficacy and excellence; and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most incredulous of its value. **Young America Broad-cast**  
**Seed-Sower!**  
Simplicity, Utility, Durability,  
and Cheapness Combined!  
R. S. RICKEY'S IMPROVED  
**BROAD-CAST SEED-SOWER.**  
Patented, March 29, 1859.  
THIS machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be sown by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily un-derset, and does away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap to go across the right shoulder and under the left arm, also a strap buckled around the body, and a strap from the top of the sack, around the neck. Should the Machine by accident get broken, any tinner can repair it—although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.  
It will sow the various grains and seeds the following distances:  
Wheat, 50 feet at a cast, or 100 ft. at a round  
Oats, 36 " " " 72 " "  
Hemp seed, 49 " " " 80 " "  
H. G. seed, 36 " " " 72 " "  
Timothy's, 45 " " " 50 " "  
Other grains and seeds in the same proportion. It will also sow wet and lined grain perfectly well.  
County Rights for Sale on Good Terms.  
Address, S. S. SNOW, Portland.  
Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Bryant, Oswego, Oregon, and orders will be punctually filled. Sept. 8, 1859m4

**Pacific University,**  
Forest Grove, Washington Co., Oregon.  
Rev. S. H. MARSH, A. M., Prof. President.  
Rev. H. LYMAN, A. M., Prof. Mathematics.  
THE collegiate year, consisting of one term of nine months, will commence on the first Wednesday of November.  
It is the design of this Institution to furnish a thorough and complete collegiate education.  
There is a Library of 1000 volumes for the use of the students.  
Applicants for admission to college must have a knowledge of the common English branches, and have studied the ancient languages so far as to have read portions of Cæsar and Cicero and the Greek Reader.  
The tuition fee is \$32 per annum.  
Students fitting for college, as well as others wishing to pursue collegiate studies without entering upon the college course, will be under the instruction of the college teachers.  
The full term of 11 weeks in the preparatory department commences on the 2d Wednesday of September. Tuition, \$8 per term.  
**TUALATIN ACADEMY.**  
Tualatin Academy, for the coming year, will be under the direction and instruction of the College Professors, with such assistant instructors as they may find necessary to carry it forward efficiently and successfully.  
The full term will commence on Wednesday, Sept. 19, to continue eleven weeks.  
Fees—Common branches, \$5; higher, \$8. A small additional charge will be made for fuel, &c. Instruction in Painting EXTRA, to such as receive it.  
N. B.—The collegiate and the collegiate preparatory departments will commence on Wednesday, the 31st of October, at the commencement of the last half of the academic term, at which time Pres. Marsh is expected, with competent assistant teachers from the East, to be ready to take his place in the Institution.  
Prof. Lyman, with the assistance of Mrs. C. E. ANNA, will carry forward the academic department till the return of Pres. Marsh. Sept. 1, 1859. 211f

**PURIFY THE BLOOD.**  
**MOFFAT'S**  
**Vegetable Life Pills**  
AND  
**PHENIX BITTERS.**  
THE high and envied celebrity which these eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.  
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.  
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague,—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.  
TAYNOR, DRUGGIST, AND APOTHECARY.  
**Mercurial Diseases.**—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.  
**Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholera.**  
**Piles.**—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.  
**The Life Pills and Phenix Bitters**  
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by

**A Blessed & Divine Remedy**  
**SANGUIFEROUS NERVINE TONIC!**  
Read my Theory of  
**LIFE and DEATH,**  
THAT most disease prove fatal; that early death occur; that people live for years a living death, weak, inanimate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease—Give them strength, and nature will relieve herself, if stimulated. She has given us herbs and plants to effect all this. Purify the blood, render the functions of man or woman active, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous or Invigorating Cordial produces all the effect above described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the inebriate, the debauchee, and the invalid, revive under its influence, as if new life were given them.  
**Dr. Webber's Sanguifer**  
acts on the blood, heart, brain, intestines, sinews, nerves, the fluids and semi-fluids, and the whole physique, and  
**BENEFITS ALIKE**  
the gloomy hypochondriac, the dyspeptic, the nervous, debilitated and feeble, the over-dosed invalid, the bilious and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer ill health.  
"OH HORRIBLE! OH HORRIBLE! Most Horrible!!!"  
When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the partaker feels then that satisfaction is caused—the skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, because his liver is made active, the bile neutralized or ejected, and his blood thinned and purified. If he has a full stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases where I have seen Dr. Webber's Invigorating Cordial act most beautifully.  
**Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!**  
This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from sluggishness is rapid, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of animation, mentally and bodily; their chest and breast was before heavy; all they attempted to settle there; their rest was unequal; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.  
The Rev. Robert Schuyler, of Petaluma, says: "For years both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."
