

SCENE IN A SANCTUM.—Enter a large, strong man, with a long cow-hide in hand. 'Is the editor in?' 'He is.' 'You?' 'Yes.' 'I have come to settle with you.' 'Well (Editor draws a revolver), go ahead.' 'I have taken your paper now about a year.' 'Well! (Capping his pistol.) And an article in your last week's paper (Editor cocks the pistol) convinced me that you need—' 'I deny your right to give it—be cautious, sir.' 'A thrashing.' 'Why, no, my dear sir, I came to pay in advance for another year.' The Editor immediately wilted.

GETTING OLD.—Yes! we are getting old; along the way are broken shrines where a thousand hopes have wasted into ashes; foot-prints sacred under their drifting dust; green mounds whose grass is fresh with the watering of tears; shadows even, which we would not forget. We will garner the sunshine of those years, and with chastened steps and hopes, push on towards the evening whose signal lights will soon be seen swinging where the waters are still and the storms never beat.

"SWEET HOME."—A gentleman in Penn Valley, while examining a bee hive, a few days since, discovered two mice snugly stowed away in one corner of the hive.—They had commenced the construction of a nest, and from the appearance of their inroads upon the honey and comb, must have been occupants with the bees for some weeks.—*Grass Valley National.*

IF I were to pray for a taste that would stand by me under variety of circumstances and be a source of happiness and cheerfulness to me through life, and the world round upon me, it would be a taste for reading.

MODEL SUBSCRIBER.—Yesterday, says the St. Louis (Mo.) Republican of the 21st of February, Mr. John Sappington, of this county, paid his fifty-third year's subscription to Republican. He began with the first volume of the paper, and has been taking it regularly ever since, always paying in advance.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery, all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effective cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrupulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."

Young America Broad-cast
Seed-Sower!
Simplicity, Utility, Durability,
and Cheapness Combined!

R. S. RICE'S IMPROVED
BROAD-CAST SEED-SOWER.
Patented, March 29, 1859.

THIS machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be done by hand, or any other machine ever introduced.

It is perfectly simple in its construction, and not liable to get out of order in one day of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap to go across the right shoulder and under the left arm, and a strap buckled around the body, and the strap from the top of the sack, around the neck. Should the Machine, by accident get broken, any tinner can repair it, although by proper care the Machine will last a lifetime. But to be appreciated, it must be seen.

It will sow the various grains and seeds the following distances:
Wheat, 50 feet at a cast, or 100 ft. at a round
Oats, 36 " " " 72 " "
Hempseed, 40 " " " 80 " "
H. G. seed, 36 " " " 72 " "
Timothy's, 25 " " " 50 " "

Other grains and seeds in the same proportion. It will also sow wet and lined grain perfectly well.

County Rights for Sale on Good Terms.
Address, S. S. SNOW, Portland.
Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Bryant, Oswego, Oregon, and orders will be punctually filled. Sept. 8, 1860m4

PURIFY THE BLOOD.

MOFFAT'S

Vegetable Life Pills

AND

PHENIX BITTERS.

THE high and envied celebrity which these eminent Medicines have acquired for their inviolable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this source of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sanaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholera.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by

THE collegiate year, consisting of one term of nine months, will commence on the first Wednesday of November.

It is the design of this institution to furnish a thorough and complete collegiate education. There is a Library of 1000 volumes for the use of the students.

Applicants for admission to college must have a knowledge of the common English branches, and have studied the ancient languages so far as to have read portions of Caesar ann Cicero and the Greek Reader.

The tuition fee is \$32 per annum.
Students fitting for college, as well as others wishing to pursue collegiate studies without entering upon the college course, will be under the instruction of the college teachers.

The full term of 11 weeks in the preparatory department commences on the 2d Wednesday of September. Tuition, \$5 per term.

TUALATIN ACADEMY.
Tualatin Academy, for the coming year, will be under the direction and instruction of the College Professors, with such assistant instructors as they may find necessary to carry it forward efficiently and successfully.

The fall term will commence on Wednesday, Sept. 19, to continue eleven weeks.

Tuition.—Common branches, \$5; higher, \$8. A small additional charge will be made for fuel, &c. Instruction in Painting EXTRA, to such as receive it.

N. B.—The collegiate and the collegiate preparatory departments will commence on Wednesday, the 31st of October, at the commencement of the last half of the academic term, at which time Pres. Marsh is expected, with competent assistant teachers from the East, to be ready to take his place in the Institution.

Prof. Lyman, with the assistance of Mrs. C. E. Adams, will carry forward the academic department till the return of Pres. Marsh. Sept. 1, 1860. 21tf

Mill Seat and Land.

I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give one millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to heavy settlements.

I wish also to sell half a section of LAND near by. The place is six miles west of Lafayette, Yamhill county.

Valuable Property For Sale.
THE CHAMPOEG FLOUR MILL.

THIS MILL, situated about three fourths of a mile from Champco in the midst of the great grain-growing country in Oregon, is offered for sale. During high water in winter, flour, &c., can be shipped direct from the Mill. Attached to the mill is a granary for receiving and storing wheat, a dwelling-house and garden for the use of the person in charge. The whole property embraces about five acres.

The machinery of the mill is of very superior quality, having been imported from Rochester, N. Y. There are two runs of the best French Burrs, and an extra patent run of smaller Burrs for chopped feed, &c. The frame-work, for strength, &c., cannot be surpassed in Oregon, and the mill in all respects is the best in the State.

For particulars, application should be made to
