GARFIELDE NOMINATED .- The Demoeratic Convention which has been in session at Vancouver this week, nominated S. Garfielde, Esq., as Delegate to Congress from Washington Territory. 11 Stevens, Judge Strong, and Columbia Lancaster, were all very discreetly laid on the shelf. Mr. Garfielde we understand to be a Union man, and his nomination is a triumph over the secession sentiment, which is said to be strong among the would-be leaders of Democracy in Washington Territory. If Mr. Garfielde is as trusty a man as we have supposed him to be, his election will not set the Union cause back any in Washington Territory.

THE RIGHT GAIT.-The Sacramento Bee reports the rumor that a squad of seceslogists is about organizing in California to go South to help the rebels. We hope the remor is correct, though we doubt it much. It would be more to the credit of secessionists here to shoulder their guns, and go to the assistance of their rebel brethren, than to be whining around here about 'sympathizing' with rebels against the Government. We hope the traitors in Oregon will improve the opportunity of joining the "ragged regiment" that is about to leave California for California's 17 We have a full set of Patterns for repairing Respect and Thrashers.

"While we are distinctly for the Union and support of the Government, because it is the Government of the United States, we shall exercise the freedom of thought and expression in regard to any policy of that Government, which is our right."-Advertiser.

Oh, yes, do exercise the " freedom of thought" and the " freedom of expression," to your heart's content. Your 'expression, like a pair of saddle-bags flung across a rail, is generally about equally balanced, by their contents on opposite sides of the fence-while the man who could curtail the area of your 'thought,' would certainly be able to "whittle nothing down to a

Nor YET .- We are credibly informed that but one appointment has been made for Oregon up to the time the last letters left Washington for Oregon. That the appointment of W. L. Adams, collector of customs at Astoria, and parties who claim to know say that this appointment is doubted .- Portland Times.

It is true, that up to the latest information from Washington City, but one appointment had been made for Oregon. That appointment was made by the President and confirmed by the Senate in March, and is so announced in all the N. Y. Papers, " parties who claim to know" to the contrary notwithstanding.

Conviction .- At the regular term of the District Court in Yambill county last week, M. Frans, a married man, was sentenced to the penitentiary for two years and fined a hundred dollars, for stabbing Mr. Hughes with a pocket knife. The prisoner took his punishment very hard, and wept like a child when the decision of the Court was announced.

RETURNED .- Mr. Coffin of Portland returned home from Washington City by the steamer last Sunday morning. Mr. Pengra was to have come by stage from San Francisco, T. J. Dryer remained in San Francisco. Mr. Belden, ex-Surveyor-General Gardner's former chief clerk, returned to Oregon on the same steamer with Mr.

Suor .- It is said that Jo Lane accidentally shot himself in taking a revolver from his wagon while on the road in Umpqua last Sunday. The wound is not dangerous.

Dear Siz:—I feel it my duly to write you, and let you know what your fiload and Liver Syrup has done to my daughter, and that by publishing it others whe suffer with the same domas may know of it, and by its use derive great benefit.—
My daughter Eliza has been sorely afflicted with SCROFULA, attented with great pain, for more than two years. She had some five or six ranning Uleers or one of her feet, one on her trip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in coring such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heat. The limbs are getting straight—she is now gaining strength. I have only need three bottles of the medicine, and the can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her heat? A. With the greatest respect, I remain yours.
