A dispatch from the South of April 19 says there is great wonder that no disunion party has yet been developed in the North, and there is expectation daily of hearing that the masses of New York will inaugurate a bloody rebellion and overthrow the authorities. They have probably found out their mistake long before this

WHISTLING FOR THE UNION .- At the Union meeting held at Salem recently, the whole crowd of nearly two hundred persons joined in whistling that good old patriotic air, "Yankee Doodle." This is the latest style of patriotism, and it seems to show the spirit of the people just as well as if the air had been performed by a full

The census returns reveal the asng fact that Hancock county, situate as well as Consumerion itself. in the " Pan Handle" of Virginia, has lost one third, or a fraction more than thirtythree per cent, of its slave population within the last ten years. In 1850 there were three slaves in the county; now there are only two. Should this rate of decrease be maintained, there will not be a slave in the county in 1880.

TRAITORISM RESURED .- Many of the streets in Stockton were named in honor of those who attained high rank in the service of their country. Now, the original owner of that city has sent a petition to the Common Council, asking that the name of "Twiggs street" be changed to "Ander-

GALLANT REPLY .- When Col. Ripley stepped ashore from the Persia, at New York, a gentleman from Springfield said to him, " Your country needs you." " It can have me," responded the gallant soldier, " and every drop of blood in me."

UNION MEETING AT ALBANY .- There was a very large Union meeting at Albany on Tuesday last. About 2,500 were present, and the enthusiasm was unbounded, notwithstanding the, rain which fell during

WALLAMET UNIVERSITY .- We are indebted to our young friend Henry E. Abernethy for a catalogue of this institution for the present year.-From it we learn that the number of students there, in the collegiate and preparatory departments, is 268-males 147, females 121.

Fine ALARM.—On Sunday night last there was an alarm of fire caused by the burning out of a chimney of Mr. Wygant's dwelling-house, and on Wednesday evening Kelly's Temperance House was endangered by the bursting of a fluid lamp.

13 We understand that evidence has come to light within a few days past which proves conclusively that the destruction by fire of the Milling and Warehouse establishment at the Falls was the work of an incendiary.

We learn that Rev. Mr. Kingsley delivered a very excellent address on Temperance, at the hall of the Sous, on Friday evening of last week, to a good house.

Who is Elder in Rev. Horace Businell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:

CINCINNATI, Feb. 28, 1859. MESSES A. L. SCOVILL & CO .-Dear Sire:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.... My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At his time, from the high recommendation of your Blood and Liver Syrup in carring such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sorest commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours.

Tooth-ache Drops.

Complain no more of Aching Teeth! THESE Drops have been extensively used the Anodyne will give immediate and permanent

the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentities.
