☞ The *Louisville Journal* tells a good story of Vice-President Breckinridge.—He was making a speech at Bowling Green, the 6ther day, in which he assailed the Republicans, and drew a glowing picture of the evils of the country. Pausing a moment, he then exclaimed, "And who is guilty of bringing about this terrible condition of affairs?" This interrogatory was answered by three of the most respectable citizens present, who rose and said: "*Warren County charges you with it!*"—Whether Mr. Breckinridge continued his speech we are not informed.

☞ There are more troops now concentrated at the City of Washington than were ever before got together on this continent. But we shall get used to such things after a while. From this time forward the army will occupy a much more prominent place in our Government than hitherto. This is inevitable.—*N. A. Ledger.*

An Incident of the Baltimore Fight.—One of the volunteers of the sixth (Mass.) regiment, in describing the scene at Baltimore, relates the following: "One fellow was leaning out of a window three or four stories high, firing a revolver and throwing bricks; a soldier of the Stoneham company, spotted him, fired, and down he came to the sidewalk, shot dead."

A Clergyman Elected Captain.—We learn that Rev. J. E Ashley, pastor of the Baptist Church at North Attleboro,' was last evening elected Captain of the volunteer company organized in that village. He is said to possess the requisites of a first rate officer.—*Taunton (Mass.) Gazette.*

The Massachusetts Martyrs.—The names of the patriots who fell at the hands of the murderous ruffians in Baltimore, on the anniversary of the first battle of the Revolution, are Addison O. Whitney and Luther C. Ladd of Lowell and Sumner H. Needham of Lawrence.

Smells sweet and blossoms in the dust.

Good of Old Buck.—The Philadelphia *Press* has been informed by reliable parties that ex-President Buchanan has subscribed $5,000 for the equipment of volunteers at Lancaster.

—In a list of premiums awarded at a county fair, a reporter gave, under the head of "domestic articles," this item:
"Best bed comforter, Miss Mary Jenkins."

Roman Eye Balsam,

FOR WEAK & INFLAMED EYES.

This Balsam was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkablly soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this Balsam.

Remember, "Seeing is Believing."

Young America Broad-cast

Seed-Sower!

Simplicity, Utility, Durability, and Cheapness Combined!

R. S. RICKEY'S IMPROVED

BROAD - CAST SEED - SOWER.

Patented, March 29, 1859.

This machine is well adapted to sowing all kinds of grain and grass seed, hemp seed, &c. It sows more regularly than can possibly be sown by hand, or any other machine ever introduced. It is perfectly simple in its construction, and not liable to get out of order; it is easily understood, and does away with the hard manual labor of sowing grain—doing the same amount of labor in two hours that could be done in one day by the ordinary method of sowing. The machine can be carried while being used, as it weighs but five pounds, or, by a simple frame, it can be attached to a wagon. When it is carried, it is strapped on the body of the operator, a strap to go across the right shoulder and under the left arm, also a strap buckled around the body, and a strap from the top of the sack, around the neck. Should the Machine by accident get broken, any tinner can repair it—although by proper care the Machine will last a life time. But to be appreciated, it must be seen.

It will sow the various grains and seeds the following distances:

Wheat,	50 feet at a cast, or 100 ft. at a round				
Oats,	36	"	"	72	"
Hemp seed,	40	"	"	80	"
H. G. seed,	36	"	"	72	"
Timothy s'd,	25	"	"	50	"

Other grains and seeds in the same proportion. It will also sow wet and limed grain perfectly well.

County Rights for Sale on Good Terms.

Address, S. S. SNOW, Portland.

Those wishing to procure machines, can apply to the above, or to H. M. Humphrey, Portland, or C. W. Bryant, Oswego, Oregon, and orders will be punctually filled. Sept. 8, 1860m4

PURIFY THE BLOOD.

MOFFAT'S

Vegetable Life Pills

AND

PHŒNIX BITTERS.

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.

Try them, be satisfied, and be cured.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phœnix Bitters

Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.
