

THE BEGINNING OF A BAD CITIZEN.—Child.—Mother, I want a piece of cake.
Mother.—I haven't got any, it is all gone.
C.—I know there's some in the cupboard; I saw it when you opened the door.
M.—Well, you don't need any now;—cake hurts children!
C.—No it don't, (whining,) I do want a piece, mother; mayn't I have a piece?
M.—Be still, I can't get up now;—I'm busy.
C.—(Crying)—I want a piece of cake, I want a piece of cake.
M.—Be still, I say! I shan't give you a bit if you don't leave off crying!
C.—(Still crying)—I want a piece of cake, I want a piece of cake, I want a piece of cake.
M.—(Rising hastily and reaching a piece)—There, take that, and hold your tongue. Eat it quick, I hear Ben coming. Now, don't tell him you have had any.
(Ben enters.) C.—(to Ben)—I have had a piece of cake, you can't have any?
Ben.—Yes I will. Mother, give me a piece.
M.—There, take that, it seems as if I never could keep a bit of anything about the house. You see, sir, (to the child,) if you get anything another time?
(Another room)—C.—I have had a piece of cake.
(Younger sister)—Oh! I want some too!
C.—Well, you bawl, and mother will give you a piece. I did!—S. S. Journal.

—It is a misfortune for any one to stutter, but peculiarly disadvantageous to a soldier. Sergeant Butterworth, of the New York Zouaves, had an impediment in his speech, and being called upon by the sentry at the camp at Alexandria, the other night, to give the countersign, was for a few moments unable to do so. Before he could get the word out he was shot dead. No blame was attached to the guard.

A Suggestion.—A correspondent of the N. Y. Herald significantly remarks, that the South has made its slaves men, by employing them in erecting fortifications, and by organizing them in companies; the Northern troops will, therefore, seize slaves as prisoners of war, wherever they are found.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
THIS BALSAM was used for many years in
the private practice of a celebrated Oculist,
with remarkable success, for diseases of the Eye
and Eyelids.
There are many persons who would rather
suffer from pain and disease through life, than
credit or try the efficacy of any new discovery;
all such had better not read this, but to all reason-
able persons this preparation is recommended as a
most safe and effectual cure for inflammation
of the Eye and Eyelids, caused either by too close
application to minute objects, serous habit, ex-
posure to cold, blows, contusions, or irritation
from any extraneous body under the eyelids.
It is remarkably soothing in its effect, and has
cured thousands who would otherwise have lost
their sight.
In cases the Eyelids are inflamed, or the ball of
the Eye thickly covered with blood, it acts al-
most like poultice and removes all appearances of
inflammation after two or three applications.
There is a numerous class of persons that are pec-
uliarly exposed to accidents or diseases that weaken
and inflame the Eyes, and perhaps destroy the
sight, who, from the nature of their employments,
are compelled to work in a cloud of dust and grit.
Such should never be without this BALSAM.
Remember, "Seeing is Believing."
Price 25 cents per jar.

under its influence is surprising. Each new case
in which it is applied furnishes in the result a new
certificate of its efficacy and excellence; and we
have only to point to the accumulated testimony
of multitudes who have experienced its beneficial
effects, to convince the most incredulous of its value.
Do not forget to ask for Sands' Sarsaparilla.

Young America Broad-cast
Seed-Sower!
Simplicity, Utility, Durability,
and Cheapness Combined!
R. S. RICKEY'S IMPROVED
BROAD-CAST SEED-SOWER.
Patented, March 29, 1859.
THIS machine is well adapted to sowing all
kinds of grain and grass seed, hemp seed,
&c. It sows more regularly and cheaply than any
other machine, and is perfectly simple in its con-
struction, and not liable to get out of order; it is
easy to understand, and does away with the hard
manual labor of sowing grain—doing the same amount
of labor in two hours that could be done in one day
by the ordinary method of sowing. The machine
can be carried while being used, as it weighs but
five pounds, or by a simple frame, it can be at-
tached to a wagon. When it is carried, it is
strapped on the body of the operator, a strap to
go across the right shoulder and under the left
arm, also a strap hooked around the body, and the
strap from the top of the sack, around the neck.
Should the Machine by accident get broken,
any tinner can repair it—although by proper
care the Machine will last a lifetime. But to
be appreciated, it must be seen.
It will sow the various grains and seeds the
following distances:
Wheat, 50 feet at a cast, or 100 ft. at a round
Oats, 36 " " 72 " "
Hemp seed, 40 " " 80 " "
H. G. seed, 36 " " 72 " "
Timothy's d., 25 " " 50 " "
Other grains and seeds in the same proportion.
It will also sow wet and lined grain perfectly well.
County Rights for Sale on Good Terms.
Address, S. S. SNOW, Portland.
Those wishing to procure machines, can apply
to the above, or to H. M. Humphrey, Portland, or
C. W. Bryant, Oswego, Oregon, and orders will
be punctually filled. Sept. 8, 1860-m4

PURIFY THE BLOOD.

MOFFAT'S Vegetable Life Pills

AND PRONIX BITTERS.

THE high and envied celebrity which these pre-
eminent Medicines have acquired for their
invariable efficacy in all the diseases which they
purify not only unnecessary, but unworthy of
them. They are known by their fruits; their good
works testify for them, and they thrive not by the
faith of the credulous.
In all cases of asthma, acute and chronic rheu-
matism, affections of the bladder and kidneys,
bilious fevers and liver complaints,—in the south-
western and west, where these diseases prevail, they will
be found invaluable. Physicians, farmers, and oth-
ers, who once use these Medicines, will never af-
terwards be without them.
Dyspepsia.—No person with this distressing
disease should delay using these medicines imme-
diately. Eruptions of the skin, erysipelas, tene-
ncy, fever and ague—for this scourge of the
western country, these medicines will be found a
safe, speedy, and certain remedy. Other medi-
cines leave the system subject to a return of the
disease—a cure by these medicines is permanent.
Try them, be satisfied, and see cures.
Mercurial Diseases.—Never fails to eradicate
entirely all the effects of Mercury infinitely sooner
than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous
complains of all kinds, Organic Affections,
Palpitation of the Heart, Painter's choice.
Piles.—The original promoter of these medi-
cines was cured of Piles of 35 years' standing by
the use of these Life Medicines alone. Wounds
of all kinds are effectually expelled by these medi-
cines. Parents will do well to administer them
whenever their existence is suspected. Relief will
be certain.
The Life Pills and Pronix Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will place the **LIFE**
PILLS and **PRONIX BITTERS** beyond the
reach of competition in the estimation of every
patient. Prepared by
