

SOME NAMES.—Seventy years ago it was common on Long Island and in Connecticut to give children for names a whole text of Scripture. Thus, a Mr. Crab named a child "Through-much-tribulation-we-enter-into-the-kingdom-of-heaven Crab". The child went by the name of "Tibby". Scores of such names could be cited. The practice of giving long and curious names is not yet out of date. In Saybrook, Connecticut, is a family by the name of Beman, whose children are successively named as follows:

1. Jonathan Hubbard Lubbard Larchard Hunk Dan Dank Peter Jacobus Lackany Christian Beman.
2. Prince Frederick Henry Jacob Zacharius Christian Beman.
3. Queen Caroline Sarah Rogers Ruhamah Christian Beman.
4. Charity Freeline Ruth Grace Mercy Truth Faith and Hope and Peace pursue I'll have no more to do for that will go clear through Christian Beman.

What a sermon—says Douglas Jerrold—might we not preach upon these little boxes called jaws, in church? Small abiding places of earthly satisfaction, sanctuaries of self-complacency—in God's own house the chosen chambers for man's self-glorification! What an instructive colloquy might not the bare deal bench of the poor church goer hold with the cushioned seat of the "miserable sinner" who chariot it to prayers and with their souls arrayed in sackcloth and ashes kneel in silk and minever.

POWER IN A WOMAN'S EYE.—A lady when the conversation turned on dynamics, asked the late George Stephenson, the celebrated engineer: "What do you consider the most powerful force in nature?" "I will soon answer that question," said he: "it is the eye of a woman (to the man that loves her); for if a woman look with affection on a man, should he go to the uttermost ends of the earth, the recollection of that look will bring him back."

"Dare sinners all," the fool began, "man's life is but a jest, a dream, a shadow, bubble, air, a vapor at the best. In a thousand pounds of law I find not a single ounce of love. A blind man killed the parson's cow, in shooting at the dove. The fool that eats till he is sick, must fast till he is well. The wooer who can flatter most, will bear away the belle."

At best, life is not very long. A few more smiles, a few more tears, some pleasure, much pain, sunshine and song, clouds and darkness, hasty greetings, abrupt farewells—then our little play will close, and injured and injurer will pass away. Is it worth while to hate each other?

If your sister, while engaged with her sweetheart, asks you to bring her a glass of water from an adjoining room, start on the errand, but you need not return. You will not be missed. Don't forget this, little boys!

There is a perpetual generation of passions in the human heart, so that the ruin of one is almost always the establishment of another.

CLOVE ANODYNE

Tooth-ache Drops.
Complain no more of Aching Teeth!

These Drops have been extensively used by thousands who experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.
For sale by H. JOHNSON & CO., and REDINGTON & CO., San Francisco; Rice & Corry, Marysville; R. H. McDONALD & CO., Sacramento; and by Druggists generally. j5

PURIFY THE BLOOD,

MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.

THE high and envied celebrity which these prominent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of putting not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these Medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. **Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholera.**

Piles.—The original proprietor of these Medicines was cured of Piles of 35 years' standing by the use of these Life Pills alone. **Worms** of all kinds are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by
