

**AN ASTONISHED SOUTHERNER.**—The Northampton Courier says that a gentleman arrived in that town last week from Columbus, Miss., who believed until he reached the loyal States, that Congress was in session at Chicago. The belief that it is doing business there and that all the archives of the government have been removed there, is universal at the South.—He was greatly astonished to learn that Congress was quietly in session at the old stand in Washington.

**HOPELESS VIRGINIA.**—The Virginia traitor convention has passed an Ordinance expunging all the laws conferring honor upon Gen. Winfield Scott, and changing the name of Scott county to Davis county. Buchanan county is also changed to Stephens. What a miserable set the members of that Convention must be, and what a needless legacy of infamy they are leaving to their children.

**THE LAKE ERIE ISLANDS.**—The Cleveland Plaindealer says: By a late census it appears there are some 900 inhabitants, permanent settlers, on the Islands on the Southern shores of Lake Erie, mostly Put-in-Bay, Delly's North and Middle Bass Islands. There is not a doctor, lawyer, nor a preacher among them, nor is there a sick person.

This simple receipt should be remembered by young ladies who hate that terrible tan so: Of scraped horseradish take as much as will fill a table-spoon; pour on it half a pint of warm milk; use it before washing, allowing it to dry on the skin before applying water. The milk may be cold, but it will not keep fresh so long as when heated.

**HOW TO KEEP BABIES QUIET.**—As soon as the squaller awakes, set the child up, propped by pillows, if it cannot sit alone, and smear its fingers with thick molasses; then put a dozen feathers into its hands, and the young one will sit and pick the feathers from one hand to the other until it drops asleep. As soon as it awakes, more molasses and more feathers; and in place of the nerve astounding yell, there will be quiet and enjoyment.

We must die alone. To the very verge of the stream our friends may accompany us; they may lend over us, they may cling to us there, but that one long wave from the sea of eternity washes up to the lips, sweeps us from the shore, and we go forth! In that untidied and utter solitude, then, what can there be for us but the pulsation of that assurance—"I am not alone, because the Father is with me!"

As flowers never put on their best clothes for Sunday, but wear their spotless raiment and exhale their odor every day, so let your life, free from stain, ever give forth the fragrance of the love of God.

A money lender serves you in the present tense, he lends you in the conditional mood, keeps you in the subjunctive, and ruins you in the future.

Only 21,598 people emigrated from Ireland last year. The remittances sent home from America in 1859 amounted to \$2,381,000.

#### Roman Eye Balsam, FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

If the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are particularly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.

#### CLOVE ANODYNE Tooth-ache Drops.

Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and secure from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

#### PURIFY THE BLOOD, MOFFAT'S Vegetable Life Pills

AND  
PREGNIX BITTERS.

THE high and envied celebrity which these eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidney, bilious fevers and liver complaints—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

**Dyspepsia.**—No person with this distressing disease should delay using these Medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—far from being the result of the western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent.

**Try them, as suggested, and be cured.**  
**Mercurial Diseases.**—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

**Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholera.**  
**Piles.**—The original proprietor of these Medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these Medicines. Patients will do well to administer them whenever their existence is suspected. Relief will be certain.

**The Life Pills and Purgative Bitters** Purify the blood, and thus remove all disease from the system. A single trial will place the **LIFE PILLS** and **PREGNIX BITTERS** beyond the reach of competition in the estimation of every patient. **ET** Prepared by

#### READ THIS!

Office of the U. S. Naval Lecturer of Provisionists and Clothing.  
NAVY YARD, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with those destructive animals; and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious), Mr. Meyer would entirely rid a house of these obnoxious insects.

Cutaneous Eruptions, Stubborn ulcers,

Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormentsing diseases of the skin as erysipelas, the cancerous, and injuries to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried out at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

#### REMARKABLE CURE.

LINCOLN COUNTY, Oregon Ter., }  
March 11, 1855. }  
Messrs. A. B. & D. SANDS, New York: Our way from Indiana to this place, our eldest boy was seized with a swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle.

After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to gratify to the disease, and caused a marked improvement: the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered and has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully,  
G. LEB DAVIDS.
