

Details of Eastern News.

A dispatch dated Quincy, Ill., Sept. 5th, says: A man just arrived at Shelbina, Mo., reported there was a fight at that place on Saturday, between Gen. Harburt's forces and some 1200 or 1500 State troops, under Green. Gen Harburt retreated westward. Green has two cannon planted at Salt River, commanding the bridge, and intends raking any train conveying soldiers that attempt to cross it. The track is torn up in several places.

Gen. Grant telegraphed to the Kentucky Legislature that Confederate forces, in considerable numbers, had invaded Kentucky and are occupying and fortifying their positions at Hickman and Chalk Bluffs. This P. M. received reply to his message, with one from Gov. Harris of Tennessee to Gov. Magoffin, that it had been referred to a special committee.

Harris' message says the troops that landed at Hickman last night did so without his knowledge or consent, and is confident without the consent of Davis. He telegraphed him, requesting their immediate withdrawal.

Gen. Grant, with two regiments of infantry, one company of light artillery, and two gunboats, took possession of Paducah, Ky., on the 4th, and found secession flags flying in expectation of the arrival of a Southern army, which was reported, 3,800 strong, sixteen miles distant.

The loyal citizens tore down the secession flags on the arrival of our troops. Gen Grant took possession of the telegraph office, depot and marine hospital, and found the rations of the Southern army. He issued a proclamation, saying he came among them, not as an enemy, but as a friend and fellow citizen; not to injure and annoy them, but to respect them, defend and enforce the rights of loyal citizens.

It has been determined by the Government to hold the position of Ft. Hatteras, although the original intention was to destroy and abandon the works, but now it will be made a rendezvous for the army and naval forces. This expedition is but the commencement of operations of which the Naval Department has made ample preparations, and will be rapidly developed.

The Rebels had abandoned their strongly fortified fort at Ocracoke Inlet. Multitudes of the North Carolinians had demonstrated loyalty by taking the oath of allegiance at Ft. Hatteras. The oath was administered to as many as 200 or 300 in a single day.

The capture of Ft. Hatteras and its dependencies has spread alarm in the Carolina Regiments from South Carolina, Georgia and Alabama, hurrying to the Potomac, were stopped on the way and sent to Newbera.

The State Department has notified the War Department that it must refrain from granting passes to women and children who may desire to enter the Southern States.

Travel by way of Louisville is completely blocked by orders of the Government.

Advices from the southern part of Maryland state that the Union men are organizing strongly for the October election.

The citizens of Charleston feel the blockade with great severity. The Southern people are bitterly lamenting their destitute condition.

Two thousand troops were to leave St. Louis on the 7th, for active service along the Hannibal and St. Joseph Railroad.

None of the railroads out of St. Louis are now in operation, but are waiting protection, which is daily looked for.

The Pension Bureau has already commenced pensioning soldiers wounded in the present war.

Dyspepsia, Excor and Azne, Indigestion, Sour Stomach, Heart Burn, Water Brash, Biliousness, Liver Complaint, Acidity, Flatulency, Jaundice, Change of Climate, Sick Headache, Loss of Appetite, Female Complaints, Oppression after Eating, General Debility, &c., are rapidly, effectually and surely cured by the OXYGENATED BITTERS.

California Evidence. MCKENZIE HILL, Cal., June 1, 1858. Having suffered for fifteen years with Dyspepsia in its worst form, and having consulted with the best Physicians, and tried everything recommended without relief, I was induced to try the OXYGENATED BITTERS, and before I had taken one bottle, I found myself much better, and continued taking them, until I was entirely cured, and now enjoy as good health as ever I did in my life. I take great pleasure in recommending them to all who are similarly afflicted. JAMES LONESTON.

The OXYGENATED BITTERS are sold in California by Redington & Co., Henry Johnson & Co., Charles Merrill, San Francisco; R. H. McDonald & Co., Sacramento; Rice, Coffin & Co., Marysville; Smith & Davis, Portland, Oregon.

Dr. W. M. HALL'S BALSAM CURES ALL diseases of the LUNGS and throat. For the cure of consumption, delicate, asthmas, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it Is Unequaled! Hall's Lung Balsam, in all cases, gives the best satisfaction: Has wrought more cures since its introduction than any other cough medicine. Is endorsed by our leading physicians as the safest and best remedy now before the public! Is safe to use among children, yet powerful in cases of chronic pulmonary disease; Brings in certifies almost daily of its wonderful cures in all parts of the country. There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and stupefying properties which have created so much prejudice against similar preparations. We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not. Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine." Sold by all Druggists.

Roman Eye Balsam, FOR WEAK & INFLAMED EYES. THIS BALSM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids. There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight. In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSM. Remember, "Seeing is Believing."
