W. R. DUNBAR, G S

☞ The Evening Post's Washington correspondent writes as follows of the order with which Gen Scott enters into the work of perfecting the national army:

"Gen Scott is entering heart and soul into the work of reorganizing and reinspecting the army. A well-known temperance lecturer went to him a day or two since and asked that he might go among the men and talk to them. The General replied, 'with all my heart I give my consent. I can endure all the demoralization consequent upon a defeat, but, the whiskey shops of Washington may be too much for me.' He concluded by writing a note to the Secretary of War, asking him to appoint the gentleman alluded to, chaplain, so that he might continually have access to the men. The commissariat is rapidly improving, and we may feel certain that in a very short time it will be everything that a reasonable person has a right to demand.

JOSEPHINE COUNTY STATISTICS.—Mr. Jas Hendershott, Assessor of Josephine county, sets the total population of that county at 1,400; number of votes, 724;—amount of property $253,920; amount of personal property, $346,377. The rate of tax for 1861 is fixed at 25 mills on the dollar. There was sufficient per cent. levied to pay 1,200 of the 3,000 of the Jackson county debt. The entire indebtness of Josephine county is $15,000. County scrip can be bought readily at fifty cents on the dollar, and as part of the taxes can be paid in scrip the rate of taxation is brought to a tolerable reasonable figure. Wheat is $1 per bushel, oats 50 cents; gold dust $16 50 per ounce.

UNCONSTITUTIONAL.—The rebel Congress near the close of its session, passed a *whereas* and a resolution, declaring that unconstitutional interference had prevented Missouri from seceding, and authorizing Jeff. Davis to use the military power of the Confederate States to aid in the furtherance of the plans of Claib. Jackson and the defunct Legislature. They may at the next session, with no less presumption, assert that the defeat of McConnell for Governor of this State, was unconstitutional, and offer their disinterested services to aid in placing that unfortunate individual in the chair of State.—*Record.*

ANOTHER SECESSIONIST MOBBED.—A third disloyal editor in New England has been made to feel the power of the Union feeling which he has insulted. Ambrose L. Kimball, of the Haverhill (Mass.) *Banner*, one of most unrelenting and cowardly anti-Union press, was waited upon by a crowd, served with a coat of tar and feathers, rode on a rail, made to cheer for the flag, and to promise that he would write no more anti-war or Secession articles.

GOOD SHOT.—The Duke of Saxe-Coburg has proclaimed first marksman of Germany M. de Leeuw, of Dusseldorff, who, in a recent rifle match at Gotha, hit the center one hundred and fifty-one times out of three hundred and two shots, and gained one hundred and twenty prizes in money, and nine others.

**Rally! Rally!!**

**The annual celebration of the Union Temperance Society will be held on Saturday, October 12, 1861, near the residence of A. R. Dimick, on French Prairie. Exercises to commence at ten o'clock a. m. The forenoon will be devoted to the temperance cause; the afternoon to saving the Union. Friends of either or both causes who feel disposed to furnish provisions for the table, can leave them with G. W. Dimick, G. A. Wells, or W. G. Minier. We expect a large number, and we want none to go off hungry. The Belpassi Brass Band will be in attendance. Speakers of the day,—W. R. Dunbar, Temperance Lecturer; Joseph G. Wilson, Union Speaker.**

Dr. WM. HALL'S

**BALSAM**

CURES all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

**Is Unequaled!**

*Hall's Lung Balsam*, in all cases, gives the best satisfaction;

Has wrought more cures since its introduction than any other cough medicine;

Is endorsed by our leading physicians as the safest and best remedy now before the public;

Is safe to use among children, yet powerful in cases of chronic pulmonary disease;

Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S *BALSAM FOR THE LUNGS.* Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
