Roman Eye Balm.
FOR WEAK & INFLAMED EYES.
THIS BALM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through fire, than credit or try the efficacy of any new discovery; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to miasma, or by contagion, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases where the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents of this kind, and who, by the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALM. Remember, "Seeing is Believing."
Price 25 cents per jar.

Dr. W. M. HALL'S BALSAM
CURES all diseases of the LUNGS and THROAT. For the cure of consumption, delicate, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, &c.
Is Unequaled!
Hall's Lung Balsam, in all cases, gives the best satisfaction.
Has wrought more cures since its introduction than any other cough medicine.
Is endorsed by our leading physicians as the safest and best remedy now before the public.
Is safe to use among children, yet powerful in cases of chronic pulmonary disease.
Brings in certificates almost daily of its wonderful cures in all parts of the country.
There is no medicine within our knowledge that has acquired so great and widespread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and sedative properties which have created so much prejudice against similar preparations.
We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paragon preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and looks up in a few hours' time. The afflicted do not have to take bottle after bottle, before they find whether this remedy will afford relief or not.
Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitations in saying that it is a safe, convenient, and efficacious medicine."

CLOVE ANODYNE
Tooth-ache Drops.
Complain no more of Aching Teeth!
THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and sweet, and a few applications will entirely remove the pain and soothe from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHOSPHOR BITTERS.

THE high and envied celebrity which these permanent Medicines have acquired for their unrivaled efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits, their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints, in the south and west, where these diseases prevail, they will be found invaluable. Plasterers, farmers, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulence, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. THEY ARE REBATED, AND ARE CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.
Piles.—The original proprietor of these medicines was cured of Piles 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phosphor Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHOSPHOR BITTERS beyond the reach of competition in the estimation of every patient. Prepared by

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparation, destroyed all the rats from Government Store No. 6 of the Inspection, which was infested with those destructive animals; and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some being dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

It having been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it recorded almost universally in all those fermenting diseases of the skin existing in the patients, and injurious to the health. It is a tonic, aperient, and diaphoretic. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of various different kinds of medicine, are carried out at the same time through the instrumentality of this safe and powerful agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE
LASS CROFT, Oregon Ter.,
March 11, 1859.
Messrs A. B. & D. SANDS, New York; Gentlemen—In the spring of 1853, while on my way from Indiana to this place, our old dog was seized with a swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 24th of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician. Dr. Hill, who has long since deceased, but whose name I have used by that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was at all appearances, crippled for life by the terrible disease, SCROFULA!
CINCINNATI, Feb. 25, 1860.
Messrs A. L. SCOTT & CO.—
Dear Sirs—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.
My daughter Eliza has been severely afflicted with SCROFULA, attended with great pain for more than two years. She had some five or six constant Ulcers on one of her feet, one on her leg, and one on her back. They caused contractions of the limbs so that she could not walk. At 9 o'clock time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are growing straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect,
H. McWILLIAMS.
