

Notes on Sacred History.—According to tradition, Samson is built on the spot where Cain killed Abel. Mount Ararat, in Armenia, when seen from afar, and in a certain position, has its summit a striking resemblance to a ship. The whole country around is full of traditions respecting Noah and the Ark. The Garden of Gethsemane, the scene of the Saviour's passion, is about a third of an acre in extent, and surrounded by a low wall. The garden is planted with olive trees, and is said to have been in existence ever since the time of Christ, and it is considered sacrilege to pluck their leaves. The "Potters' field" bought for thirty pieces of silver, which was the price of the treason of Judas, was examined in 1836. A cave was discovered filled with skulls, evidently not of Jews but of foreigners. The initials "J. H. S." (Jesus Hominum Salvator) were inscribed by St. Bernardine in the XIVth century. After the plague in Siena he travelled the country, putting up the letters wherever he went. Certain ancient Jewish authorities say that Joseph, or his father, Seth, was informed by Adam that the world was to perish, once by water, and a second time by fire. Two pillars were then erected, one of stone against the water, and the other of brick against the fire; and upon these pillars were engraved all such learning as had been delivered to or invented by mankind. By these means all knowledge was not lost at the flood, as one of these pillars remained and was seen by Joseph.

THE WAY TO HEAVEN.—The way to Heaven is just as short from the battle field, from an enemy's prison, from any port in India, or Europe, or America, as it is from the sanctuary; and it is as easy to get to Heaven from any of these as it is from the House of God; because the way to Heaven is the Mediator, who covers space, who bears the publican's first cry, and sees the Magdalen's only tear, receives the criminal's last breath, and to whom the heart beats in prayer when the lips cannot speak, and who hears the dying soldier's and the dying sailor's cry, when no noise is heard by flesh and blood, save the terrible din of the battle field. What a magnificent religion is Christianity, for all circumstances, for all times.

AN INCIDENT.—A Virginian applied to Col. Gordon at Harper's Ferry for a pass, and as the press of business made it necessary for each applicant to furnish his own for the Colonel's signature, the Virginian was asked for his. He modestly said he had "no Latin," and couldn't write one himself; whereupon Col. Gordon, to his surprise, handed him over to a negro servant from Massachusetts, who wrote the pass. This is not very wonderful, for it is a fact that a much larger proportion of the colored people in New England can read and write than of all the white population alone in Virginia, or in all the slave States taken together.

Dr. Wm. Hall's BALSAM CURES all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it is

Is Unequaled! Hall's Lung Balsam, in all cases, gives the best satisfaction.

Has wrought more cures since its introduction than any other cough medicine. Is endorsed by our leading physicians as the safest and best remedy now before the public. Is safe to use among children, yet powerful in cases of chronic pulmonary disease. Brings in certificates almost daily of its wonderful cures in all parts of the country. There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as Dr. Hall's BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and astringent properties which have created so much prejudice against similar preparations. We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but can which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not. Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine." Sold by all Druggists.

Roman Eye Balsam, FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids. There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effective cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrupulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body, under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight. In cases where the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic, and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken or inflame the Eyes, and perhaps destroy the sight, when, from the nature of their employments, are compelled to work in a close and dark and greasy such should never be without this BALSAM. Remember, "Seeing is Believing." Price 25 cents per jar. Prepared and sold by A. B. & D. SANDS, Druggists, 100 Fulton-street, New York. For sale by H. Johnson & Co. and Robinson & Co. San Francisco; Rice & Coffin, Marysville; R. H. McDonald & Co., Sacramento; and by Druggists generally. July 21st.

PURIFY THE BLOOD. MOFFAT'S Vegetable Life Pills AND PHOENIX BITTERS.

THE high and envied celebrity which these purifying Medicines have acquired for their invincible efficacy in all the diseases which they profess to cure, has rendered the usual practice of purging not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints, in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them. Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. Try them, RESTORED, AND RECOVERED. Mercantile Diseases.—Never fails to eradicate entirely all the effects of Mercury indistinctly absorbed, the most powerful preparation of Sarsaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic. Vices.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain. The Life Pills and Phoenix Bitters Purify the blood, and thus remove all diseases from the system. A single trial will place the LIFE PILLS and PHOENIX BITTERS beyond the reach of competition in the estimation of every patient. 17-18 Prepared by DR. WILLIAM B. MOFFAT, 335 Broadway, cor. Worth st., New York. J. FLEMING, Agent, at the Post Office, Oregon City.

Important to Housekeepers! No Family ought to be Without MEYER'S MIRACULOUS Vermin Destroyer. IT has destroyed every kind of Vermin infesting premises where it has been used, and proved to the entire satisfaction of its users that it is the one thing needed to promote thorough cleanliness. READ THIS! Office of the U. S. Naval Inspector of Provisions and Clothing. N. Y. YARD, N. Y., July 26, 1858. This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 5, at this Inspection, which was infested with those destructive animals; and that I witnessed an extraordinary destruction of encroachments, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I had occasioned by a few applications of his Chemical Powder, which is certainly very efficacious. Sands' Sarsaparilla, For Purifying the Blood, AND FOR THE CURE OF Scrofula, Mercurial Diseases, Rheumatism, Catarrhus, Eruptions, Stomach ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c. It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to it, and accordingly we find it resorted to almost universally in all those tedious diseases of the skin arising from the impurities and impurities to the blood. It is a tonic, purgative, and stimulant. It acts simultaneously upon the stomach, the circulation, and the secretory, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising. REMARKABLE CURE. LISA COOPER, Oregon City, 7 March 11, 1855. Messrs. A. B. & D. SANDS, New York: Gentlemen.—In the spring of 1853, while on my way from Indiana to this place, our eldest boy was seized with swelling and severe pains in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 2d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill) who humbly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this emergency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. This encouraged, I purchased a third bottle; while taking it, the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectfully, CALEB DAVIS. Prepared and sold by A. B. & D. SANDS, Wholesale Druggists, 100 Fulton street, corner of William, New York. Sold also by H. JOHNSON & Co., San Francisco; RICE & COFFIN, Marysville; R. H. Horace Bushnell's church, regarding the cure of his daughter, who is at all appearances crippled for life with the terrible disease, SCROFULA. CINCINNATI, Feb. 28, 1859. Messrs. A. L. SCOTT & CO.— Dear Sirs.—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been severely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At present time from the high recommendation of Dr. A. H. STEELE, I have been using your Blood and Liver Syrup in curing such diseases, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours, H. McWILLIAMS. STATEMENT OF REV.
