Sands' Sarsaparilla.—This powerful vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious, it may be taken at all times with perfect safety, as it contains no powerful drastic drug to deplete the system, or mineral poison to ruin the constitution.
Prepared and sold by A. B. & D. SANDS, 100 Fulton St., New York. Price \$1 per bottle, or six bottles for \$5.
It reads the advertisement in another column sold by Dr. Steele, Oregon City, and by Druggists generally.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and for the last twenty years has been, prepared by Wm. W. Wistar & Co., of Boston; and their printed name, as well as the written signature of L. Wistar, appear on all the wrapper papers. As you would avoid the spurious and have the genuine, take no other!

Wistar's Balsam of Wild Cherry.—This invaluable remedy is the best one extant for the cure, cure, speedy, and permanent cure of coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side, and in fact every form of throat, chest, and lung complaint, as well as Consumption itself.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cure immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

DE. WM. HALL'S
BALSAM
CURES all diseases of the LUNGS and Chest. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it is

Is Unequaled!
Hall's Lung Balsam, in all cases, gives the best satisfaction.
Has wrought more cures since its introduction than any other cough medicine.
Is endorsed by our leading physicians as the safest and best remedy now before the public.
Is safe to use among children, yet powerful in cases of chronic pulmonary disease.
Brings in certificates almost daily of its wonderful cures in all parts of the country.
There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and astingent properties which have created so much prejudice against similar preparations.
We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paragon preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.
Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
Sold by all Druggists.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery. All such had better read this, but to all reasonable persons this preparation is recommended as a most safe and efficacious cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are particularly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without the BALSAM.
Remember, "Seeing is Believing."

When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.
THE high and envied celebrity which these prominent Medicines have acquired for their inviolable efficacy in all the diseases which they profess to cure, has rendered the usual practice of putting off only unsuccessful, but unworthy of them. They are known by their fruits, their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints, in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.
DYSPEPSIA.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague, for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.
TAKEN BY REVISED, AND RECORDED.
METACALCULUS.—Never fails to eradicate entirely all the effects of Mercury indelicate secretions, the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.
PILES.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. 17 Prepared by

Office of the U. S. Naval Inspector of Provisions and Clothing.
NAVY YARD, N. Y., July 26, 1858.
This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of the Inspection, which was infested with those destructive animals, and that it witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious), Mr. Meyer would entirely rid a house of these obnoxious insects.

Sands' Sarsaparilla,
For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stomach ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever, Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.
It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to Iodine, and accordingly we find it resorted to almost universally in all those burning diseases of the skin, so trying to the patience, and injurious to the health. It is a tonic, aperient, and demulcent. It acts simultaneously upon the secretions, the circulation, and the excretions, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

Monte A. B. & D. SANDS, New York: Gentlemen,—In the spring of 1853, while on my way from Indiana to this place, our eldest son, George, was seized with a swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 24 of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who, however, confessed he could not cure him, although he could give him medicine that would relieve the pain. In this emergency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it, the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully,
GABRIEL DAVIS.

It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and so much, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was at all appearances afflicted for life with the terrible disease, SCROFULA.
Cincinnati, Feb. 28, 1859.
Messrs. A. L. SCOVILLE & Co.:
Dear Sirs—I feel it my duty to write you, and let you know what your Blood & Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contractions of the limbs so that she could not walk. At this time, from the high recommendation of your Blood & Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood & Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours,
M. McWILLIAMS.
