An Honest Appeal to All with

Bad or Failing Health. A RE you languid manimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught unwittingly, or, in seven cases out of ten, singgisliness of the liver and blood, and want of natural perspiration, indiscretion in the use of food and drink, or from a dryness in the atmosphere-which is a very unleadily part of this climate—many of the awful, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure these causes—it will insure animation of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the fol-lowing diseases, must satisfy all but the self-wise

muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic

Monat's Life Pitts .-- The high and envied celebrity which this pre-eminent medicine has ac vaired for its invariable efficacy in all the diseases which it professes to cure, has rendered the usual practice of estentations puffing not only unnecessary but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of costiveness, dyspepsia, bilious and liver affections, piles, rheumatism, fever and ague, obstinate head-aches, and all general derange-ments of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient. Dr. Moffat's Phænix Bitters will be found equal-
