Dr. WM. HALL'S BALSAM

CURES all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

Is Unequaled!

Hall's Lung Balsam, in all cases, gives the best satisfaction;

Has wrought more cures since its introduction than any other cough medicine;

Is endorsed by our leading physicians as the safest and best remedy now before the public;

Is safe to use among children, yet powerful in cases of chronic pulmonary disease;

Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR HALL'S *BALSAM FOR THE LUNGS*. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures wherever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no patent-medicine preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with unvarying success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."

Sold by all Druggists.

Roman Eye Balsam.

FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than make use of the efficacy of any new discovery, although but little confidence, but to all examine for proof. This preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids caused either by too close application to minute objects, sensitive to the presence of sand, dust, smoke, or irritation from any excessive heat under the eyelids. It is remarkably soothing in effect, and has cured thousands who would otherwise have lost the sight.

In case the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it soon allays the pain, and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are prematurely exposed to weakness of the eyes from smoke and dust, the Eyes, and perhaps destroy the sight entirely, from the nature of their employment. Any person troubled with a cloud of dust and gnat, should never be without this BALSAM. Instantaneous in relieving.

PURIFY THE BLOOD.

MOFFAT'S

Vegetable Life Pills

AND

PHŒNIX BITTERS.

THE high and varied celebrity which these pre-eminent Medicines have acquired for their invaluable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their results, their good works testify for them, and they thrive on by the faith of the afflicted.

In all cases of rheum, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—to this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.

Mercurial Diseases.—Never failing to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 30 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phœnix Bitters

Purify the blood, and thus remove all disease from the system. A single trial will show the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of comparison in the estimation of every patient. ☞ Prepared by

THE collegiate year, consisting of one term of nine months, will commence on the first Wednesday of November.

It is the design of this institution to furnish a thorough and complete collegiate education.

There is a Library of 1000 volumes for the use of the students.

Applicants for admission to college must have a knowledge of the common English branches, and have studied the Latin Grammar so far as to have read portions of Cæsar and Cicero, and the Greek Reader.

Tuition fee is $12 per session.

Students fitting for college, as well as others wishing to pursue collegiate studies without entering upon the college course, will be under the instruction of the college faculty.

The fall term of 11 weeks in the preparatory department commences on the 2d Wednesday of September. Tuition, $8 per term.

TUALATIN ACADEMY.

Tualatin Academy, for the ensuing year, will be under the direction and instruction of the College Professors, with such assistance from others as they may find necessary to carry it forward efficiently and successfully.

The fall term will commence on Wednesday, Sept. 18, to continue eleven weeks.

Tuition—Common branches, $5; higher, $6. A small additional charge will be made for fuel, &c. Instruction in Painting, extra, to such as receive it.

N. B.—The collegiate and the collegiate preparatory departments will commence on Wednesday, the 23d of October, at the commencement of the last half of the academical term, at which time Pres. Marsh will preach, with concluding account vouchers from the Com. to be ready to take his place in the institution.

Prof. Lyman, with the assistance of Mrs. C. E. Adams, will carry forward the academical department till the return of Pres. Marsh.

Office of the U. S. Naval Inspector of Provisions and Clothing,

NAVY YARD, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparation, driven all the rats from Government Store No. 6 of this Inspection, which was infested with them destroying as many as 1000 in a night, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer, although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some actually dead, others dying, and I felt assured that by a few applications of his Chemical Powder, (which is certainly very efficacious) Mr. Meyer would entirely rid a house of these obnoxious insects.

It has long been a most lamentable fact, that in the practice of medicine, a remedy was not to be had, and consequently we have a frightful train of sufferers crying to the physician and to the grave for relief. It is enough, appalling and disheartening. It arises unanimously upon the senses, the exclamation, and the powers, and then times previous, which are and daily the cause of all or a great deal of human misery, relief can at this day be obtained. Confidence in the efficacy of Sands' Sarsaparilla is now universal. It is the great purifier of the blood, and the only reliable antidote to the poisonous mercurial and other diseases that are afflicting mankind.

Messrs. A. B. & D. SANDS, New York.—Gentlemen:—In the spring of 1858, while on my way from Indiana to this place, my child, a boy was seized with scrofula and severe pains in the legs which day by day grew worse, until his legs contracted and became so painful that he could not walk, and we had to carry him about the house. We reached Albany on the 3d of October, completely worn out by fatigue. By this time he was reduced to a perfect skeleton. Here we were enabled to consult a physician. Dr. Hill, who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this extremity something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement. The swelling and pain in the legs were reduced, his appetite improved, and his color began to return. This encouraged. I purchased a third bottle; when taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered. Has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectfully,

C. L. C. B. DAVIS.

READ THE STATEMENT OF MR. H. McWILLIAMS,

Who is Elder in the Rev. Horace Bushnell's church, regarding the cure of his daughter, she was in an apparent case pulled for life with the terrible disease, SCROFULA:

CINCINNATI, Feb. 28, 1859.

Messrs. A. L. SCOVILL & CO.—

Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six rising Ulcers on one of her feet, one on her leg, and one on her back. They caused contraction of the limbs so that she could not walk. At the time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are coming straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain yours,

H. McWILLIAMS.

STATEMENT OF REV. HORACE BUSHNELL.
