W. C. JOHNSON,

ATTORNEY & COUNSELOR AT LAW,

And *Solicitor in Chancery*,

**DR. W. M. HALL'S
BALSAM**

CURES all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, &c.

Is Unequaled!

Hall's Long Balsam, in all cases, gives the best satisfaction:

Has brought more cures since its introduction than any other cough medicine.

Is endorsed by our leading physicians as the safest and best remedy now before the public.

Is safe to use among children, yet powerful in case of chronic pulmonary disease;

Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and widespread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and stupefying properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no panacea preparation, but one which, if used in season, will save the lives of thousands.

The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time.

The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

What physicians say of Dr. Hall's Balsam, says one: "I, with confidence, recommend the Balsam as superior to any preparation."

Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."

Sold by all Druggists.
