For the Argus.

Alone,

Alone in the midst of a desert,
Desolation is reigning around,
But the coldest, most perfect, and darkest,
Deep down in my bosom is found;
As I look at the desert before me,
I shrink with affright and I start,
Yet the desert in view is a garden
Compared with the one in my heart;
Everything that had being is withered,
Not a shrub, not a tree, nor a flower
Is left to relieve this dark hour.

The birds that were here with their music,
Far from their tree now have fled,
And the young ones that gave them such promise,
Woe's me, for the young ones are dead!
There was Hope, I remember her beauty,
Now in what blessed land does she stray!
I fear much I would not now know her,
Should she come to my cottage to-day.
Ah, well! perhaps the far future
Preserves for me a kindlier fate;
O Patience, I pray thee sustain me,
While here in this desert I wait!

The brightest, most vain, yet happiest dream
That ever transfigured my life, now is o'er,
How truly all things now desolate seem,
Since that glory is faded, to shine on me no more!
I now feel like one who suddenly wakes
From dreams fresh aroused by the hunter's bright horn,
And I shudder to see how the cold morning breaks
Over one who's so truly forlorn.

It has faded forever, that beautiful dream,
That seemed of this sad life a part,
'Tis now paled away like the sunset's rosy gleam,
And leaves me a sad, weary heart,
Yet I know that this anguish must pass away,
That Time's slow labor must allay all my pain,
But nothing so bright in this cold, dreary world
Has shone or can shine on me again.

OREGON CITY, Jan 21, 1862.

DEATH.—'Twas the calm and stilly hour of midnight, pale Luna shed her silvery light over the flowing little rills, the closed flowers drank the dew that nature had so bounteously diffused, and cradled in their soft and downy nests, the birds had ceased their song, awaiting the harbinger of morn. But withal, there rung through the silent air, music from above, angels' whisperings fell on unconscious earth, for death had sealed his signet on an infant's brow, and when that little spirit soared above, a gem of purity lay resting in the arms of Jesus.

Dr. WM. HALL'S
BALSAM
CURES all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

Is Unequaled!

Hall's Lung Balsam, in all cases, gives the best satisfaction;
Has wrought more cures since its introduction than any other cough medicine;
Is endorsed by our leading physicians as the safest and best remedy now before the public;
Is safe to use among children, yet powerful in cases of chronic pulmonary disease;
Brings in certificates almost daily of its wonderful cures in all parts of the country.
There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR HALL'S *BALSAM FOR THE LUNGS*. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.
We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.
Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
Sold by all Druggists.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.
Remember, "Seeing is Believing."

When the pain proceeds from the face, or from the gums around a tooth apparently sound, the Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.
Piles.—The original proprietor of these medicines was cured of Piles of 30 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

Sands' Sarsaparilla,
For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin originating in the impurities of the blood, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it *neutralizes* the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

Messrs. A. B. & D. SANDS, New York: Gentlemen,—In the spring of 1858, while on our way from Indiana to this place, our eldest boy was seized with a swelling and severe pains in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill) who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement: the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectfully,
CALEB DAVIS.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 26, 1859.
Messrs. A. L. SCOVILL & CO.—
Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At the time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. McWILLIAMS.
