☞ We republish the following lines in justice to the author, several serious mistakes occurring as they were printed last week.

For the Argus.

Out in the Snow.

[Suggested by the death of I. E. Jagger and others.]

Tramp, tramp, tramp,
Through the blinding fields of snow,
While the muscles shrank with the deadly cramp
Of the frost-king's numbing blow.

Oh, God, what a terrible march
For weary, staggering men,
Beneath a sky whose frowning arch
Looked down so pitiless then.

No thought to breathe a prayer
Toward such a freezing sky,
No thought but to tramp through the snowy glare,
While death walks grimly by.

To seize his destined prey,
When hope's last gleams have fled;
And o'er their dreary, deathward way
Despair's dark shadows spread.

The weary feet are still,
And the snow-flakes mutely fall,
Grim silence reigns on that dreary hill,
While the storm king shapes their pall. J. D. L.

To Let.—There are more things "to let" than are placarded. Hearts are to let every day; old hearts, young hearts, stricken hearts—all empty— all to let.

There are heads to let; to any new thing to isms, ologies and ists; heads without a tenant.

There are hands to let. Hands plump and fair; hands lean and brown. These to love, those to labor; these for rags, and those for rings.

There are consciences to let; elastic, accommodating, conutchouc; at five per cent a month, to let on bond and mortgage, a pound of flesh.

And so it goes from souls to souls; almost everything to let; almost everything with its price; everything in the market but griefs. *They* are never quoted, never at a premium, never "to let."

Self Sacrificing Devotion.—Speaking of the efficacy of family prayer, a gentleman of doubtful piety remarked in the hearing of our informant, that it was a constant practice of his, to hold family worship every night before retiring. "How do you reconcile your piety with the habit of indulging in ardent spirits?" inquired our friend. "No matter about that," said the man of devotional habits, "I never go to bed, drunk or sober, without praying with my family."

—If every word men utter fell to the ground and grew up a blade of grass, most public speeches would be worth ten times as much as they now are.

Dr. WM. HALL'S
BALSAM

CURES all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

Is Unequaled!

Hall's Lung Balsam, in all cases, gives the best satisfaction;

Has wrought more cures since its introduction than any other cough medicine;

Is endorsed by our leading physicians as the safest and best remedy now before the public;

Is safe to use among children, yet powerful in cases of chronic pulmonary disease;

Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S *BALSAM FOR THE LUNGS*. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures wherever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no panegyric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."

SANDS' SARSAPARILLA,

ACKNOWLEDGED TO BE
The Best Sarsaparilla Ever Made!

THIS unrivaled preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers

Health and Strength

under its influence is surprising. Each new case to which it is applied furnishes in the result a new confirmation of its efficacy and excellence, and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most unreflective of its value. Do not forget to ask for Sands' Sarsaparilla.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and ever the last twenty years has been, prepared by Seth W. Fowle & Co., of Boston, and their printed name, as well as the written signature of *I. Butts*, appear on the outer wrappers. As you would avoid the spurious and have the genuine, take no other!

Wistar's Balsam of Wild Cherry.—This invaluable remedy is the best one extant for the cure, sure, speedy, and permanent cure of *coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side*, and in fact every form of throat, chest, and lung complaint, as well as Consumption itself.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of mankind is felt.

Mill Seat and Land.

I HAVE an excellent MILL SEAT, well supplied with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to many settlements.

I wish also to sell half a section of LAND near by. The place is six miles west of Lafayette, Yamhill county.

CLOVE ANODYNE
Tooth-ache Drops.

Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

Roman Eye Balsam,

FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the natures of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.

Remember, "Seeing is Believing."

Price 25 cents per jar.

PURIFY THE BLOOD.

MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 30 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phœnix Bitters

Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with these destructive animals; and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

Sands' Sarsaparilla,

For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin arising in the patterns, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulatory, and the nervous, and thus three processes, which are ordinarily the result of many different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it purifies and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE.

LYNN CORNER, Oregon Ter., }
March 11, 1859. }

Messrs. A. B. & D. Sands, New York. Gentlemen.—In the spring of 1853, while on our way from Indiana to this place, our eldest boy was seized with a swelling and severe pains in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hall), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement: the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectfully,

CALEB DAVIS.

READ THE STATEMENT OF MR. M. McWILLIAMS,

Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:

CINCINNATI, Feb. 28, 1859.

MESSRS. A. L. SCOVILL & CO.—

Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.

With the greatest respect, I remain yours,
H. McWILLIAMS.
