

Henry Clay on Rebellion. "If any one State, or any portion of the people of any State, choose to place themselves in array against the Government of the Union, I am for trying the strength of this Government, I am for ascertaining whether we have a Government or not—practicable, efficient, capable of maintaining its authority and upholding the powers and interests which belong to a Government.—Nor, sir, am I to be alarmed or dissuaded from any such course by intimations of the spilling of blood. If blood is to be spilt, by whose fault is it to be spilt? Upon the supposition, I maintain, it will be the fault of those who choose to raise the standard of disunion, and endeavor to prostrate the Government. And, sir, when that is done, so long as it pleases God to give me a voice to express my sentiments, or an arm, weak and enfeebled as it may be by age, that voice and that arm will be on the side of my country, for the support of the general authority, and for the maintenance of the Powers of the Union.—(Speech of Henry Clay, August 1st, 1850.)

GOSAMER COTTON THREAD.—In the new museum in the Royal Gardens at Kew, near London, there is a specimen of cotton, 900 hanks weighing only a pound (span 50 fine); they measure more than 500,000 yards, or 250 miles in length. Muslins are made in India of so fine and delicate a texture as to be termed "Woven air."

Louisiana has never been regarded as sound on secession, having polled a majority against it at her last opportunity. It is reported that there are four parishes (counties), in that State that have not yet furnished a soldier.

Norfolk, Va., papers announce that Gen. Floyd arrived at his residence, Abingdon, and will take a short respite from the arduous duties of the field. He needs breath after running so fast.

The number of sheep in California is estimated at 2,000,000, and the average amount of fleece on each at three pounds, giving an annual wool crop of 6,000,000 pounds, with a rapidly increasing tendency.

Poor old drunken, rebellious John Bell, has recently been writing letters to New Orleans newspapers, prophesying speedy triumphs for Southern arms.

"My yoke is easy and my burden is light," as the young fellow said when his girl was sitting in his lap with her arm around his neck.

If you wish to learn all your defects, quarrel with your best friend, and you will be surprised to find what a villain you are even in the estimation of a friend.

Rusty Flat Irons.—Perhaps every one does not know that beeswax rubbed on when moderately heated, and the iron smartly rubbed on a woolen cloth, will remove rust entirely.

Dr. W. M. HALL'S BALSAM

CURES all diseases of the LUNGS and throat. For the cure of consumption, tight chest, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisis, pain in the side, and all diseases of the lungs, it

Is Unequaled!
Hall's Lung Balsam, in all cases, gives the best satisfaction.
Has wrought more cures since its introduction than any other cough medicine.
Is endorsed by our leading physicians as the safest and best remedy now before the public; is safe to use among children, yet powerful in cases of chronic pulmonary disease.
Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and astringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paragon preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottles after bottles, before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
Sold by all Druggists.

THIS unrivaled preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers

Mill Seat and Land.

I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to a half section of LAND near by. I wish also to sell half section of LAND, near by. The place is six miles west of Lafayette, Yamhill county.

CRACKERS—always on hand at F. GHARMAN'S.

Sick and Diseased IN OREGON, You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of natural perspiration, indigestion in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part of this climate—many of the awful, violent, and STUPID DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBER'S INVIGORATING CORDIAL will cure these cases—it will insure animation of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by, and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic, or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and OTHER CAUSES.

In case of excitement from constant INTEMPERANCE, and where DELIRIUM TREMENS

has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to \$3, two for \$5—large quart bottles.—Sold by every respectable druggist.

The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Weber's Invigorating Sarsaparilla) four days, and feel better than we have for years."

Ha! ha! ha! ho! ho! ho! he! he! he!

MISS SUSAN SMITH, your face and skin, though yellow, coarse, and dark as sin, and pimpled, freckled, sunburnt, tanned, spottish can be, I understand—all such defects are cured, except when washed with JONES' CHEMICAL SOAP. Your teeth, your breath, your nail disfigure, by Latham's famous SOAP TEETH ROOT white as the driven snow are made, though yellow, tarted, dark, decayed, and fragrant, pure, and sweet your breath, though putrid, foul as rotten death; and that red hair, though now as coarse as any mane or tail of horse, silky and dark would be made to live, by Jones' Coral Hair Restorative; all dandruff, scurf would be removed; the hair stopped falling and improved; and reader, though we thus do justice, the things are even better than we advertise, and are all sold, respectable, at every drug store in Oregon.

CLOVE ANODYNE Tooth-ache Drops.

Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and remove from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

Roman Eye Balsam,

FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease through life, than resort to try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, acrobatic habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelid. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."
Price 25 cents per jar.

PURIFY THE BLOOD. MOFFAT'S Vegetable Life Pills AND PHENIX BITTERS.

THE high and envied celebrity which these prominent Medicines have acquired for their invincible efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Physicians, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. Try them, as directed, and see the cure.

Mercutrial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Parotid's Cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. A cure of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phenix Bitters Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by DR. WILLIAM B. MOFFAT, 335 Broadway, cor. Worth st., New York. J. FLEMING, Agent, at the Post Office, Oregon City.

Important to Housekeepers! No Family ought to be Without MEYERS' MIRACULOUS Vermin Destroyer.

IT has destroyed every description of Vermin infesting premises where it is seen used, and procured to the entire satisfaction of purchasers that it is the one thing needful to procure thorough cleanliness.

READ THIS! Office of the U. S. Naval Inspector of Provisions and Clothing. Navy Yard, N. Y. July 26, 1858.

This is to certify that Mr. Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 4 of the Inspection, which was infested with these destructive animals; and that I witnessed an extraordinary destruction of vermin, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious.) Mr. Meyer could entirely rid a house of these verminous insects.

THIS MILL, situated about three fourths of a mile from Champeog in the midst of the great grain-growing country in Oregon, is offered for sale. During high water in winter, flour, &c. can be shipped direct from the Mill. Attached to the mill is a granary for receiving and storing wheat, a dwelling-house and garden for the use of the person in charge. The whole property embraces about five acres.

The machinery of the mill is of very superior quality, having been imported from Rochester, N. Y. There are two runs of the best French Burr, and an extra patent run of smaller Burrs for chopped feed, &c. The frame-work, for strength, &c., cannot be surpassed in Oregon, and the mill in all respects is the best in the State.

For particulars, application should be made to GEO. T. ALLAN, Champeog, or to AMORY HOLBROOK, Champeog, Jan. 10, 1860-4th Oregon City.

Sands' Sarsaparilla, For Purifying the Blood,

AND FOR THE CURE OF Scrophulous, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Blisters, General Debility, &c., &c., &c.

It has long been the most important desideratum in the practice of medicine, to find a remedy similar to Iodine, and accordingly I had it resorted to almost universally in all those loathsome diseases of the skin, so trying to the patients, and injurious to the health. It is a tonic, aperient, and diuretic. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are executed at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidly with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE. Linn County, Oregon, Feb. 1, 1861.

Months A. B. & D. SANDS, New York City. Gentlemen.—In the spring of 1858, while on my way from Indiana to this place, my eldest boy was seized with a swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 31st of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this emergency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and he could begin to get up. That evening, I purchased a third bottle, while taking it the swelling in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully,

CALDER DAVIS, Wholesale Druggists, 109 Fulton street, corner of William, New York. Sold also by H. JOHNSON & Co., San Francisco; RICE & COFFIN, Marysville; R. H. McDONALD & Co., Sacramento; and by Druggists generally. Dr. STEELE, Agent, Oregon City. July 21st.
