meet at Harrisburg on the 17th of July.—Wisconsin is following the example of Maine; and in Massachusetts, preparations are being made to unite all the loyal men. Elsewhere the unanimous voice of a loyal press and a patriotic people are advising and encouraging the pursuance of the same course. Indorsed in all sections and by men of all classes and prejudices, the Union movement gathers force as it proceeds, and redoubles its energy at every step.—Radicals and Conservatives, Democrats and Republicans, all support it, not as partisans, but as Union men.

☞ The following is an extract from a letter written by one of the 'boys' who went from this town, and gives an insight into his experience in the mining region of of Salmon River. It is dated June 15:

"On arriving here, a friend showed me a claim which he had located for me, which was a very good one as far as I could see through three feet of snow; he said he had prospected it and found a number of 'fine brilliant colors' in each pan of dirt. Six of us entered into a joint stock company to work our claims, and after opening four of our valuable gulch claims, four of us working four days in getting our sluices set, and run them two days, and realized the snug little sum of $1,75, which was very encouraging, being about 10 cents a day to the hand. We then abandoned our gulch claims, and commenced prospecting our rich creek claims; we built wing dams, cut tail races and cross ditches, worked hard for three days more, and still all we could find was some 'fine brilliant little colors.' I shall sell my interest, if I can find a buyer, and go to work for wages. HERK."

☞ A portion of the volunteers stationed at Camp Clackamas left on Thursday for the Dalles, where they will remain a short time before proceeding into the Indian country.

NOTICE.—Owing to a press of business Jos. Buchtel, Daguerrean artist, will remain in town a few days longer. Those who want pictures will not soon have a better chance. Rooms over Milwain's.

☞ A Warner, Esq., Foreman of McLoughlin Fire Co. desires us to give notice that in future the Company will be called together oftener for drill, the obstacles in the way being now likely to be removed.

☞ We are under obligation to Leonard Diller for a fine salmon. Leonard has a fresh supply every morning at his stand near the Oregon House.

DIED.—The little child of Mr. Eyre's which was scalded last week, died on Thursday afternoon.

TO LOAN—$300, on *good* security. Apply at this office.

☞ WM. B. PARTLOW has opened a stand (in what was lately the Barber shop), where he keeps on hand and for sale every variety of vegetables, besides fruits, flour, &c., &c., and respectfully asks a share of the patronage of the public.

SAN FRANCISCO, April 8th, 1862.

MESSRS. REDINGTON & CO.:

I take pleasure in informing you that I have been using your excellent Yeast Powders for some time, and unhesitatingly pronounce them unequaled by any similar preparation that I have ever used. Every housekeeper may rely upon it, that when used according to directions they never fail to produce that most desirable of all articles of food, *good, sweet, and nutritious bread.*—Having once proved how superior they are to all others, I could on no account be without them.

Moffat's Life Pills.—The high and envied celebrity which this pre-eminent medicine has acquired for its invariable efficacy in all the diseases which it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of costiveness, dyspepsia, bilious and liver affections, piles, rheumatism, fever and ague, obstinate head-aches, and all general derangements of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.

Dr. Moffat's Phœnix Bitters will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. B. MOFFAT, 335 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country. 3y.

Sands' Sarsaparilla.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Prepared and sold by A. B. & D. SANDS, 100 Fulton st., New York. Price $1 per bottle, or six bottles for $5.

☞ Read the advertisement in another column Sold by Dr. STEELE, *Oregon City*, and by Druggists generally.

SANDS' SARSAPARILLA.—For the removal and permanent cure of all diseases arising from an impure state of the blood, or habit of the system. This pleasant and efficacious remedy will gently stimulate the functions of the stomach and bowels to regular and healthy action, and without nausea or purging expel therefrom all deleterious accumulations, purify the blood, equalize the circulation, remove perspiration, improve the appetite, impart tone and vigor to the system, and gradually, but surely, extirpate the disease. au17m1
