

—If the devil comes to my door with his horns visible, I will never let him in; but if he comes with his hat on, as a respectable gentleman, he is at once admitted.— Many a man has taken in an evil thing, because it has been varnished and glossed over, and not apparently an evil.—*Spurgeson.*

—Ignorance pins its faith to that it does not comprehend; its exalted notions of knowledge, and its illiterate reverence for learning, dispose it willingly to give credence to whatever is mysterious.

—When some women get to talking together, they club all their husbands' faults together for the general entertainment, just as children club their cakes and apples, to make a common feast for the whole set.

—Commodore Foote is a religious man; We imagine his persuasion is the hard shell.

To the LADIES.—Good address will redress the grievance of a bad dress.

In all the wedding cake, hope is the sweetest of the plums.

#### DR. WM. HALL'S BALSAM

CURES all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, splitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, pleuritic pain in the side, and all diseases of the lungs, &c.

#### Is Unequalled!

Half a Lung Balsam, in all cases, gives the best satisfaction;

Has wrought more cures since its introduction than any other cough medicine;

Endorsed by our leading physicians as the safest and best remedy now before the public;

Is safe to use among children, yet powerful in cases of chronic pulmonary disease;

Brings in croup into almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S

BALSAM FOR THE LUNGS. Its balme and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and aromatic properties which have created so much prejudice against similar preparations.

We believe that no medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no panacea preparation, but one which, if used in season, will save the lives of thousands.

The most distressing cough is frequently relieved by a single dose, and broken up in a few hours time. The affected do not have to take medicine after before they feel whether this remedy will afford relief or not.

Learn what Physicians say of Dr. Hall's Balsam.

Say the one: "I, with confidence, recommend the Balsam as superior to any preparation."

Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy."

Still another writes: "I have no hesitation in saying that it is safe, convenient, and efficacious medicine."

Sold by all Druggists.
