

HEIMSTREET'S
Imitable Hair Restorative.
IT IS NOT A DYE.
Restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dyes are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford themselves no dressing. Heimstreet's Imitable Coloring not only restores hair to its natural color by an easy process, but gives the hair a **Luxuriant Beauty,** promotes its growth, prevents its falling off, eradicates dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of D. S. BARNES, Proprietor, New York. SMITH & DAVIS, Portland, Agents.
Two sizes, 50 cents and \$1. j30y1

Music.—Having opened a school in this city for teaching VIOLIN and VOCAL MUSIC, and also giving lessons in the GERMAN and FRENCH LANGUAGES, I respectfully solicit the patronage of the public. Private lessons in either branch will be given, if desired. Terms reasonable. Inquire at the Oregon House, of
JOS. MOMMERS.
July 19, 1862.

Dentistry.—Dr. D. D. Stephenson will be in town two weeks, during which time those who want his services will please call on him. Office at his residence.
SAN FRANCISCO, April 8th, 1862.

Messrs. REDINGTON & CO.
I take pleasure in informing you that I have been using your excellent Yeast Powders for some time, and unhesitatingly pronounce them unequalled by any similar preparation that I have ever used. Every housekeeper may rely upon it, that when used according to directions they never fail to produce that most desirable of all articles of food, *good, sweet, and nutritious bread.*—Having since proved how superior they are to all others, I could on no account be without them.

Moffat's Life Pills.—The high and envied celebrity which this pre-eminent medicine has acquired for its invariable efficacy in all the diseases which it professes to cure, has rendered the usual which it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous, but on the evidence of those who have tried them. In all cases of nervousness, dyspepsia, bilious and liver affections, piles, rheumatism, fever and ague, obstinate head-aches, and all general derangement of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.
Dr. Moffat's Phlegm Bitters will be found equally efficacious in all cases of nervous debility, dyspepsia, headache, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by Dr. W. B. MOFFAT, 345 Broadway, New York, and by Medicine Dealers and Druggists generally throughout the country. 3y.
