

SANITARY COMMISSION.—A. Holbrook, Esq. delivered a lecture last Thursday evening at the Methodist Church in this place, to a crowded audience, in behalf of our sick and wounded soldiers. The address was a masterly effort, and we doubt not will have a good effect in opening the pockets of our people, judging by the remarks we heard from different ones after the meeting closed. One man was overheard to say that he had forty acres of wheat, which he was willing to give for this noble object.

We were pleased to hear Mr. Holbrook say that over \$5000 had been contributed up to this time by the people of Oregon, and he hoped to make it \$20,000 before he was through.

MILWAUKEE.—This little town, which was the banner Union precinct at the late election, has responded nobly to the appeal of the U. S. Sanitary Commission—four hundred and eighty-five dollars having been contributed. Well did the lecturer say that we of Clackamas should never let that town be taken from us.

DROWNED.—We learn from W. W. Parker that a young man named Harris (not W. H. Harris) who lived some five miles below Oak Point Mills, on the Columbia River, fell overboard from a small boat in the river in front of Astoria on the 8th inst., and was drowned. The body had not yet been found. He was a stranger from the Western States—and aged about 21 years.

We learn that the Union ladies of Oregon City are contemplating some mode of raising funds for the relief of our suffering soldiers, by the formation of a Sewing Circle, or in some other way. Those favorable to the object proposed are requested to meet at the house of Mrs. Whitlock this (Saturday) afternoon at 2 o'clock.

We have been requested to call the attention of persons bathing within the corporate limits of Oregon City between daylight and dark, to the fact it is in opposition to an ordinance of the city, which will be obliged to be enforced if the persons so doing do not desist. It is hoped that this warning will be sufficient.

Beaux.—In this city, on the 3d inst., a daughter of Mrs. Thos. Charman.

Luxuriant Beauty. Promotes its growth, prevents its falling off, eradicates dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. Dr. Baker's Pain Panacea Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases, if they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathed externally over the parts affected, and you will at once restore the proper action and relieve the pain. If you have a Bruise or Wound, bath it with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatism, apply the Pain Panacea freely, and take a dose of it internally, morning, noon, and night; it will not only cure the pain, but will remove the cause of the disease. If you have the Dyspepsia, and your food disagrees with your stomach after eating, take a dose of Pain Panacea after each meal. If you have a Canker or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Bladder, or a related state of the Urinary Organs, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bath the parts freely, and you will soon relieve the pain, and the swelling will be removed. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and bath the tooth at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back, or Knees, bath the parts affected morning and night, at the same time take a dose of the Panacea internally.

If a Mother has a Caked Breast, apply the Pain Panacea as hot as you can bear.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or pain on your hand, apply the Pain Panacea; it will take out all the inflammation, and heal the sore in a short time. Sold by all the principal druggists, and by REDINGTON & CO., Agents, 416 and 418 Front Street, San Francisco.

SCOVILL'S SARSAPARILLA AND STILLINGIA!

Blood & Liver Syrup. It is highly recommended by Physicians to cure the following diseases having their origin in a disordered state of the blood: Canker, Ulcerations and Enlargement of the Joints, Cancerous Tumors, Lymphatic King's Evil, St. Anthony's Fire, White Swellings, Obsolete Eruptions, Eruptions on the Face, Rheumatism, Blisters, Pustules, Dyspepsia, etc.; Syphilitic and Mercurial Affections are cured; Chlorosis or obstructions in females; Leucorrhoea or Whites, are relieved by the use of this Medicine.

The medicinal properties of Sarsaparilla in conjunction with Stillingia are well known by all medical men to be the best compound yet discovered to cleanse and purify the blood, and eradicate all humors from the system.

We have given the recipe to most physicians in the country, that they may know what they are using, and will continue to send it by mail to those desirous of knowing the ingredients entering into its composition, that they may prescribe it in their practice.

This preparation stands at the head of the list of remedies for curing all diseases arising from impurities of the blood or diseased matter lurking in the system.

Thousands who have used the Stillingia and Sarsaparilla will testify to its remarkable effect in moving all impurities from their blood, giving tone and vigor to the whole human frame, and restoring a healthy action to all the functions of the body.

The testimonials received in its favor from many members of the Medical Faculty would, were we to publish them, fill a large volume.

It is prepared under the supervision of one of the oldest and best practical chemists in the country, (Mr. W. S. Merrill, Chemist,) so as to insure a uniformity of composition and purity in all the ingredients.

As a spring remedy, to purify and cleanse the blood, leaving it free from all humors and impurities, we assert with confidence there is no better remedy.
