Mill Seat and Land.

I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. Sick and Diseased

IN OREGON, You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, AND HEAD? Reader, mind that this is caused from COLD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of natural perspiration, induration in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part of this climate—many of the awful, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure those causes—it will insure annihilation of the LIVER, BLOOD, AND BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and OTHER CAUSES.

Office of the U. S. NAVAL Inspector of Provisions and Clothing. NAVY YARD, N. Y., July 26, 1858. This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this inspection, which was infested with those destructive animals, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious), Mr. Meyer would entirely rid a house of those obnoxious insects. Roman Eye Balsam,

FOR WEAK & INFLAMED EYES. THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids. There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight. In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing." Price 25 cents per jar. Prepared and sold by A. B. & D. SANDS, Druggists, 100 Fulton street, New York. For sale by H. JOHNSON & Co., and REMINGTON & Co., San Francisco; RICE & COFFIN, Marysville; R. H. McDONALD & Co., Sacramento; and by Druggists generally. July 21-61

TOOTH-ACHE DROPS.

Complain no more of Aching Teeth! THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists. For sale by H. JOHNSON & Co., and REMINGTON & Co., San Francisco; RICE & COFFIN, Marysville; R. PURIFY THE BLOOD.

MOFFAT'S Vegetable Life Pills AND PHŒNIX BITTERS.

THE high and envied celebrity which these prominent Medicines have acquired for their invariably efficacy in all the diseases which they profess to cure, has rendered the usual practice of putting not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for the scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.

Worms.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phœnix Bitters Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHŒNIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by DR. WILLIAM B. MOFFAT, 335 Broadway, cor. I am also ready to make to order anything in my line that may be called for, on a short notice. My motto is, Make a good article, and sell it cheap. I solicit patronage at home and from abroad.

My establishment is nearly opposite Charman & Warner's Old Stand on Main street. J. H. SCHRAM. April 2, 1859.

Sands' Sarsaparilla,

For Purifying the Blood, AND FOR THE CURE OF Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever-plains, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE.

LENN COUNTY, Oregon Ter., March 11, 1855. Messrs. A. B. & D. SANDS, New York Gentlemen.—In the spring of 1853, while on our way from Indiana to this place, our eldest boy was seized with swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicines that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement. The swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully, CALEB DAVIS.
