

BEAUTIFUL AND USEFUL THOUGHT.
—A little daughter, ten years old, lay on her death-bed. It is hard to part with the pet of the family; the golden hair, the loving blue eyes, the bird-like voice, the truthful, affectionate child. How could she give him up? Between this child and her father there had always existed, not a relationship merely, but the love of congenial natures. He fell on his knees by his darling's bedside, and wept bitter tears. He strove to say, but could not, "Thy will be done!" It was a conflict between grace and nature, such as he never before experienced. His sobs disturbed the child, who had been lying apparently unconscious. She opened her eyes and looked very much distressed.

"Papa, dear papa," she said at length.
"What, my darling?" answered her father, striving for composure.
"Papa," she asked, in faint, broken tones, "how much do I cost you every year?"

"Hush, dear, do be quiet," he replied, in great agitation, for he feared delirium was coming on.
"But please—papa—how much do I cost you?"

To soothe her, he replied, though with shaking voice, "Well, dearest; perhaps, two hundred dollars. What then, darling?"

"Because, papa, I thought—may be—you would lay it out this year—in Bibles—for poor children—to remember me by."

A beam of heavenly joy glauced in the father's heart; the joy of one noble, loving spirit mingled with his like. Self was forgotten—the sorrow of parting, the lonely future. Nought remained but the mission of love, and a thrill of gratitude that in it he and his beloved were co-workers.

"I will, my precious child," he replied, kissing her brow with solemn tenderness.
"Yes," he added after a pause, "I will do it every year, as long as I live, and thus my Lillian shall yet speak, and draw hundreds and thousands after her to heaven."

Thousands of men breathe, move, and live—pass off the stage of life, and are heard of no more. Why?—None were blessed by them; none could point to them as the means of their redemption; not a line they wrote, not a word they spoke, could be recalled; and so they perished; their light went out in darkness, and they were not remembered more than insects of yesterday! Will you thus live and die, O man immortal! Live for something. Do good, and leave behind you a monument of virtue, that the storms of time can never destroy. Write your name, by kindness, love, and mercy, on the hearts of thousands you come in contact with year by year, and you will never be forgotten! No; your name, your deeds, will be as legible on the hearts you leave behind, as the stars on the brow of the evening.

Let virtue and innocence always accompany your recreations; for unlawful pleasures, though agreeable for a moment, are too often attended with bad consequences, and instead of relaxing the mind, plunge us into an abyss of trouble and vexation.

With every child we love we see deeper into life, as with every added lens we pierce farther into the sky.
Let us never do evil, and then we need not fear being told of it.
Present discouragements often arise from former disappointments.
IDLENESS can be no one's honor.

DR. W. M. HALL'S
BALSAM
CURES all diseases of the LUNGS and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, dry sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, pleuritic pain in the side, and all diseases of the lungs, it

Is Unequaled!
Hall's Lung Balsam, in all cases, gives the best satisfaction.
Has wrought more cures since its introduction than any other cough medicine.
Is endorsed by our leading physicians as the safest and best remedy now before the public; is safe to use among children, yet powerful in cases of chronic pulmonary disease;
Brings in certificates almost daily of its wonderful cures in all parts of the country.

There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S BALSAM FOR THE LUNGS. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphia, the narcotic and asstringent properties which have created so much prejudice against similar preparations.

We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paragonic preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken by in a few hours' time. The affluents do not have to take hold after bedtime before they find whether this remedy will afford relief or not.

Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."

SANDS' SARSAPARILLA,

Original and Genuine Article!
ACKNOWLEDGED TO BE
The Best Sarsaparilla Ever Made!

THIS unrivaled preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers
Health and Strength
under its influence is surprising. Each new case in which it is applied furnishes in the result a new certificate of its efficacy and excellence; and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most incredulous of its value. Do not forget to ask for Sands' Sarsaparilla.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam in, and one of the last twenty years has been, prepared by WISTAR & Co., of Boston; and their printed name, as well as the written signature of L. B. WISTAR, appear on the outer wrappers. As you would avoid the spurious and take the genuine, take no other!

WISTAR'S BALM OF WILD CHERRY.—This invaluable remedy is the best extant for the safe, sure, speedy, and permanent cure of coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side, and in fact every form of throat, chest, and lung complaint, as well as GONORRHOEA.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with
Bad or Failing Health.

ARE you languid, inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood; and want of natural perspiration, indigestion in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part of this climate—many of the awful, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure those cases—it will insure animation of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-will and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and OTHER CAUSES.

In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS

has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to \$3, two for \$5—large quart bottles—Sold by every respectable druggist.

The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of food and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial Dr. Webber's Invigorating Sanguiferous, and feel better than we have for years."

MISS SUSAN SMITH, your face and skin, though yellow, coarse, and dark as sin, and pimples, freckles, sunburn, rashes, spots can be, I understand—all such defects are cured, elope, when washed with JONES' CHEMICAL SOAP. Your teeth, your breath, you'll not dispute, by Laidon's famous SOAP TEETH ROUGH white as the driven snow are made, though yellow, tartared, dark, decayed, and fragrant, pure, and sweet your breath, though putrid, foul as rat-fen death; and that red hair, though now as coarse as any mane or tail of horse, silky and dark would be made to live, by James Cord Hair Restorative; all dandruff, scurf would be removed—the hair stopp'd falling and improved; and reader, though we thus do poets, the things are 'em better than we advertise, and are all sold, respectable, at every drug store in Oregon.

CLOVE ANODYNE
Tooth-ache Drops.
Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.
THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.

There are many persons who would rather suffer from pain and disease of the eye, than credit or try the efficacy of any new discovery; all such had better read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, serofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelid. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.

In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts most like magic and removes all appearance of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM. Remember, "Seeing is Believing."

PURIFY THE BLOOD,
MOFFAT'S
Vegetable Life Pills
AND
PHENIX BITTERS.

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits, their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay among these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

Mercurial Diseases.—Never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.

Worms.—The original proprietor of these medicines was cured of Piles 35 years' standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phenix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with those destructive animals, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

Who is Elder in Rev. Howard Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA.
CINCINNATI, Feb. 25, 1859.

Messrs. A. L. SCOVILL & Co.—
Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it where she suffers with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six raising Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At the time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores and as the medicine acted on the blood, she is getting commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours,
H. McWILLIAMS.
