

WHAT a discipline society works upon every individual soul. Brothers, sisters, school-companions, playmates, neighbors, have contributed to its education. Byron's mother was a passionate, unscrupulous woman. She taught her unfortunate son with his infirmity, and who can tell how influential those nuns, and bitter sarcasms, and angry predictions, dropped on his susceptible childhood, were in moulding his unhappy character to evil—Whatever human stuff we touch, cleaves to our fingers. "We build each other up." Every living soul you ever met, since your mother beat over your newborn life, has wrought its effects—light, unseen, imperceptible very often, yet blessing or blasting—at your being and your destiny.

NOTHING LIVING IS VAIN.—God has written on the flowers that sweeten the air, on the boughs that rocks the flowers upon the stem upon the rain-drop that refreshes the sprig of moss that lifts its head in the desert upon its deep chambers under every penitent sheet that sleeps in the caverns of the deep, no less than upon the mighty sun that warms and clevers millions of creatures which live in its light upon all worlds he has written, "None liveth for himself."

Tell Shiekh Abdallah once sent to his neighbour Hassan Alsalil Bein, to borrow a rope. "He cannot have it," replied Hassan. "I have taken the rope to tie up a measure of sand." "Whence did you sand?" replied Abdallah. "Oh, friend," replied Hassan, "it is easy to find a reason for using a rope, when one does not wish to lend it." An oriental upon the gun of wild judgment.

SING AS YOU GO.—"How shall I be useful?" asked me. "Sing as you go," said his experienced friend. "Let men see you with a joyful smile upon your face, coming up from a happy heart, as you go out and in. That will draw men to your Master."

GOOD BYE.—Few people think of the full purport of these words, in using them. Very few know of the origin of them. This phrase is a contraction of the religious expression, "God be with you."

Dr. Baker's Pain Panacea

Is composed entirely of healing gums and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, take a dose of Pain Panacea Internally, bathe externally over the parts affected, and you will at once restore this proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea, four times a day. It will relieve the pain, and take off all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food digestes your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Canker or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diabetes, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced.

If you have a severe tooth-ache, apply the Pain Panacea in a piece of cotton, and bath the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast Side, Back, or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or gash on your horse, apply the Pain Panacea, it will take off all the inflammation, and heal the sore in a short time.

INFALLIBLE HAIR RESTORATIVE

FOR

Restoring Gray Hair to its Original Color.

The more striking proof of the intrinsic worth and excellence of Dr. Wm. Hall's Balsam for the Lungs, is shown in the rapidly with which it cures a general rattle in the lungs. There is nothing of a similar nature, but what is soon lost in the shade when the Balsam has been thoroughly tried. The agents for its sale, the country over, in ordering new supplies, are very enthusiastic in its favor, saying, "It is just the thing; it acts like a charm; its effects are magical."

The purchaser should be very particular to ask for, and take care not Dr. WILLIAM HALL'S BALSAM FOR THE LUNGS, which is warranted to give satisfaction in the money returned.

Navy Yard, N. Y., July 26, 1858.

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with these destructive animals, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer, although, when I applied his powder about their places of resort, only a few were seen, soon after, less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I am assured that by a few applications of his Chemical Powder, (which is extremely efficacious). Mr. Meyer would entirely rid a house of these obnoxious insects.
