short distance, lodging on the Kentucky shore. The boat, with her guns and machinery, is a total loss.

The Richmond Whig of 22d January says: Longstreet has gone to Tennessee with thirteen brigades.

The Richmond papers contain a dispatch from Charleston, Jan. 31, stating that on that day two rebel iron-clads went out and sunk two of the blockading fleet, and drove the rest away—but in the evening the blockaders came back again.

Secesh thereupon publishes to the world that the blockade has been legally raised—the effect of raising a blockade is that it cannot again be legally instituted until after 60 days' notice to neutral maritime powers.

But a blockade does not seem to be raised by a temporary interruption.

The Negro Soldier bill has passed the House by a vote of 85 to 55.

In the House, the Bankrupt bill was laid on the table by 62 to 61.

E. D. Morgan, Republican, late Governor, has been elected U. S. Senator from New York.

The N. O. Delta says accounts from the rebel army at Port Hudson and elsewhere show a most deplorable state of affairs among them, the men being kept from mutiny only by promises of peace. In thirty days over 20 conscription officers had been shot while trying to raise men.

The British war-ship Vesuvius, at Bermudas Jan. 27, reports that the French had been defeated in their attack on Puebla, Mexico, losing 3000 men.

A Card.

As Superintendent of the Oregon City Seminary, it is my duty to inform the public that owing to some dissatisfaction occasioned by raising the entrance fees of the Seminary, the City Council have deemed it proper to reconsider the matter, and have ordered the entrance fees to be reduced to the old standard—$4 per term

It may be well to explain the object of raising the fees, viz: the heavy pressure on the school funds caused by a sudden depreciation of legal tenders, and the additional expense of supporting a grade school. The following exhibit will show the last year's expenditure. I will take this opportunity to inform the public that it is the desire of the School Directors to place the City Seminary entrance fees to such a scale as to enable scholars living outside the district to come in on equal terms with those living within the corporation who pay a city tax.

CATHARTIC PILLS,

FAMILY CATHARTIC PILLS,

COMPOUNDED FROM

Pure Vegetable Extracts,

Put in glass cases, air tight, and will keep in any climate.

The Family Cathartic Pill is a gentle but active cathartic, which the proprietor has used in his practice more than twenty years.

The constantly increasing demand from those who have long used the Pills, and the satisfaction which all express in regard to their use, has induced me to place them within the reach of all.

The profession well know that different cathartics act on different portions of the bowels.

The Family Cathartic Pill has, with due reference to this well established fact, been compounded from a variety of the purest vegetable extracts, which act alike on every part of the alimentary canal, and are good and safe in all cases where a cathartic is needed, such as derangements of the stomach, sleeplessness, pains in the back and loins, costiveness, pains and soreness over the whole body, from sudden cold, which frequently, if neglected, end in a long course of fever, loss of appetite, a creeping sensation of cold over the body, restlessness, headache, or weight in the head, all inflammatory diseases, worms in children or adults, rheumatism, a great purifier of the blood, and many diseases to which flesh is heir too numerous to mention in this advertisement.—Dose, 1 to 3.

PRICE, THREE DIMES.

The Liver Invigorator and Family Cathartic Pills are sold by Druggists everywhere, and by
