BOOKS AND READING.—Read not to contradict and confute, nor to believe and take for granted, nor to find talk and discourse, but to weigh and consider. Some books are to be tasted, others to be swallowed, and some few to be chewed and digested; that is, some books are to be read only in parts; others to be read, but not attentively; and some few to be read wholly, and with diligence and attention. Some books also may be read by deputy, and extracts made of them by others; but that would be only in the less important arguments, and the meaner sort of books; else distilled books are, like common distilled waters, flashy things. Reading maketh a full man, conference a ready man, and writing an exact man: and therefore, if a man write little, he had need have a great memory; if he confer little, he had need have a present wit; and if he read little, he had need have much cunning, to seem to know that he doth not.—*Lord Bacon.*

DYING TESTIMONY OF SIR WALTER SCOTT.—Many persons in youth and vigor deem it fanatical for a man to be anxious to be prepared for death. Solicitude for the salvation of the soul they regard as irrational. Thirty years ago, the gifted Sir Walter Scott, who had charmed the world with his genius, was on a dying bed. He had passed the night in delirious slumber. As the morning sun shone into his chamber, he awoke but to die. Every trace of delirium had passed away, and his intellect was unclouded. Raising his dying eye, and fixing it upon his son-in-law, Lockhart, who sat by his bedside, he said:

"My dear son, I may have but a moment to speak to you. Be a good man; be virtuous; be religious. Be a good man. Nothing else will give you any comfort when called upon to lie here."

If you would not be forgotten as soon as you are dead, either write things worth reading or do something worth writing.

Duty is ours—events are God's.

Dr. Baker's Pain Panacea

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea *internally*, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning, noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be relieved. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back, or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out all the inflammation, and heal the sore in a short time. Sold by all the principal druggists, and by

You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inanimate, restless, apprehensive, depressed, feel PAINS IN THE LIVER, BODY, BACK, and HEAD? Realize much of the time a sensation COLD creeps in a chill, or, in other words, all is not right, because the liver and blood, and want of vital perspiration, in correction by the use of food and drink, or from a deficiency in the atmosphere—which is a very delicate part of the organism—many of the awful, direful, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have to state this not simply to create alarm, but I do assure you that my DR. WEBBER'S INVIGORATING COMPOUND will cure these maladies—will relieve sensations of the LIVER, BLOOD, and BRAIN—will strengthen the nerves, and give to the sufferer a sufficiency of spirits, a mental and bodily recognized strength, that is delightful. Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and
OTHER CAUSES

Sold highly concentrated. Price reduced to $3.50 for $5—large quart bottles—Sold by every respectable druggist.
The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written newspapers, crude speculations, and flying rumors of the daily Journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.
The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

To cure all scrofulous and other diseases that originate from the BLOOD or LIVER.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances stricken for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
MESSRS. A. L. SCOVILL & CO.—
Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. McWILLIAMS.
