

POLITENESS.—An acute critic has said that any one who caught the spirit of the Sermon on the Mount, could not fail to be a gentleman.—There is much truth in the remark, for the Christian spirit, which enjoins a careful consideration of the feelings of others, makes its possessor polite and courteous. An exchange sets forth some of the advantages of politeness, which costs nothing.

One of the English infidels was so struck with the politeness and good feeling manifested in St. Paul's writings, that he affirmed if St. Paul had said that he himself had ever performed a miracle, he would believe it, because he deemed St. Paul too much of a gentleman to tell an untruth.—Whatever we may think of this remark, we cannot but be struck with the power which politeness had over the infidel. And as this infidel is not an exception, it may be well to show some of the advantages of being polite.

1. *We conform to the Scriptures.*—If St. Paul taught politeness by his example—so did he in his writings. He tells us, "In honor we must prefer one another." Here is the great secret of politeness, viz: forgetfulness of self. In another place he says, "Be courteous"—in other words, be polite.

2. *We make friends.* Nothing so wins upon strangers as true politeness. A little attention shown in a stage, or in the cars, or at a public table, costs us very little. But what an effect it has upon the persons to whom the attention is shown! The pleased look, the gratified smile, show us we have gained a friend.

3. *We increase our usefulness.*—One reason why ministers and good Christian people have no more influence, is on account of their sour face and forbidding countenance. They look as if they said, "Keep away from me." But if they allow the vulgar to approach within reach of their majestic presence, there is a pious manner of way they have, which prevents the hearts of others going out to them, and thus influence over such people is lost.

4. *It gives success.* Let any man who has goods to sell, or office to attain, be kind and polite—no sham, like that put on by the politicians—and his goods are sold and his office reached in less time than the man who looks mad, and cuts you up as he cuts off his calves and cloths.

Politeness, of all things earthly, costs the least. But its power, it is not saying too much, is tremendous. As St. Paul said of Daniel Webster, "He is a steam engine in trousers," so we may say of the really genuine polite man—he, too, is a steam engine—his power in his peculiar sphere is wonderful. He, other things being anything like equal, will accomplish good in the world.

A WHOLE FAMILY IN HEAVEN.—The following beautiful passage is from the pen of the Rev. Albert Barnes:

"A whole family in Heaven—who can describe their everlasting joy? No one is absent. Nor father, nor mother, nor son, nor daughter is away. In the world before they were united in faith, and love, and peace, and joy. In the morning of the resurrection they ascended together. Before the throne they bow together in united adoration. On the banks of the river of life they walk hand in hand; and as a family, they have commenced a career of glory which shall be everlasting. There is hereafter to be no separation in that family. No one is to lie down on a bed of pain. No one to wander away into temptation. No one to sink into the arms of death. Never in heaven is that family to move along in the slow procession, clad in the habiliments of woe, to console one of its members to the tomb. God grant in his infinite mercy that every family may be thus united!"

THE CHINESE have no word which answers to our English word "Amen"; they say, instead, "Sin yuen ching shing"; "The hour wishes exactly so."

Dr. Baker's Pain Panacea
Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathed externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bath it with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning, noon and night. It will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Canker or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhea, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and hold the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back, or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea. If you have a cold, cough, or pain in your chest, apply the Pain Panacea, it will take out all the inflammation, and heal the sore in a short time. Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you lagging, impatient, restless, appetite gone, body hot, and PAINS IN THE LIMBS, HEAD, BACK, and HEAD? Result, mostly of the cause from COULD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of natural perspiration, indicating in the use of food and drink, or from dryness in the atmosphere—which is a very unhealthy part of this climate—many of the cold, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WERBER'S INVIGORATING CORDIAL will cure these cases—it will more animation of the LIVER, BLOOD, and BRAINS—it strengthens the spirits, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, which is delightful. The many respectable persons who have been benefited by, and certified in its extraordinary qualities in curing any of the following diseases, most satisfy all but the selfish and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and OTHER CAUSES.

In case of excitement from constant INTemperance, and where DELIRIUM TREMENS has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to \$3, two for \$5—large quart bottles. Sold by every respectable druggist.

The Rev. Robert Seligson, of Petaluma, says: "For years both myself and brother have suffered from dyspepsia, weakness of and some stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Werber's Invigorating Cordial) four days, and feel better than we have for years." CRANE & BRIGHAM AND REDINGTON & CO., Druggists, San Francisco, Agents. July

MEDICAL DISCOVERY.
SCOVILL'S
Blood & Liver Syrup,
OR
SARSAPARILLA AND STILLINGIA,
FOR THE CURE OF
Scrofula, Syphilitic, and Mercurial Diseases, Old sores, skin diseases, and all other diseases which are caused by an Impure state of the Blood!

THIS BLOOD & LIVER SYRUP IS WARRANTED TO CURE all scrofulous and other diseases that originate from the impure state of the BLOOD.

READ THE STATEMENT OF MR. M. McWILLIAMS, Who is Elder in Rev. Horse-Band's church, regarding the cure of his daughter, who was at all appearances crippled for life with the terrible disease, SCROFULA: CINCINNATI, Feb. 25, 1855.

Messrs. A. L. SCOVILLE & Co.—Dear Sirs—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit. My daughter Eliza has been cruelly afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs, so that she could not walk. At the time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sore commenced to heal. The Ulcers are going straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health. With the greatest respect, I remain yours, H. McWILLIAMS.

STATEMENT OF REV. HORACE BUSHNELL, City Missionary & Pastor of the Presbyterian Church, CINCINNATI, March 24, 1859.

Messrs. A. L. SCOVILLE & Co.—Dear Sirs—Mr. McWilliams, Esq., is an elder in the church of which I am pastor, and is acquainted with the circumstances of the case of his daughter, and I have no hesitancy in saying that I consider the cure truly wonderful. HORACE BUSHNELL.
