Cincinnati, March 2.—A Murfreesboro letter of the 22d ult. says: "So far as I can learn, three divisions of Bragg's army are at Shelbyville, twenty-four miles south of this place, at the terminus of the short branch of railroad that runs from the main Chattanooga road. The rest of his army is mainly at Tullahoma, on the Golby road, a few miles from Shelbyville. Duck river seems to be Bragg's present line of defence. I don't think the rebel army has been reinforced at all since the battle of Murfreesboro; at all events, not to the extent of their immense loss at that engagement. The reports of their fortifications about Tullahoma and Shelbyville are conflicting. The better opinion seems to be that most of their entrenching is going on at Bridgeport and Chattanooga. Morgan's headquarters, at last advices were at McMinnville. The Cumberland river is now bank full, and fording is neither safe nor pleasant during the present stage, and few of the rebel cavalry will venture north of it. The war field in Tennessee is becoming more circumscribed, and if we succeed in preserving our railroad communication intact, another heavy blow from the army of the Cumberland will place Gen. Rosecrans' headquarters on the Great Arterial Railroad, reaching from the Mississippi to the head of the rebellion. This may be confidently anticipated by the Ides of March."

GUERRILLAS TO BE SUMMARILY EXECUTED.—St. Louis, Feb. 3.—Gen. Loan, commanding the Central District of Missouri, has issued orders that all bushwhackers, guerrillas, robbers, Confederate recruiting officers, and emissaries assuming to act under rebel authority, found in that military district shall be promptly executed by the first commissioned officer into whose hands they may be delivered; and all persons knowingly harboring, or in any way abetting and aiding such parties, shall suffer like punishment, their houses be destroyed, and all their personal property on their premises, seized and applied to the indemnification of Union citizens. Any officers failing promptly to execute this order to be court-martialed for disobedience of orders.

MASONRY IN VIRGINIA.—The New York correspondent of the Philadelphia Inquirer has the following:

Information has just been received in this city from Richmond that the Grand Lodge of Virginia recently in session there, rescinded the resolution adopted by that body in 1860, forbidding intercourse with the Masons under the jurisdiction of the Grand Lodge of New York, thus again uniting in the bonds of fraternity the brethren of the two jurisdictions. This is an important sign of public feeling in Secessia. It may not go very far, indeed, towards the restoration of amicable relations between North and South, but as far as it does go it is significant.

SPECIFIC FOR DIPHTHERIA.—A gentleman who has administered the following remedy for diphtheria says that it has always proved effectual in affording speedy relief: Take a common tobacco pipe, place a live coal within the bowl, drop a little tar upon the coal, and let the patient draw smoke into the mouth, and discharge it through the nostrils. The remedy is safe and simple, and should be tried whenever occasion may require. Many valuable lives may be saved, the informant confidently believes, by prompt treatment as above.—*N. Y. Post.*

☞ There is quite an excitement in New York over the sacrilegious desecration of the dead by the trustees of the Methodist Church on Sullivan street, who recently sold the building on condition that the four thousand dead bodies under it should be removed. In removing them, the trustees, in order to save expense, dumped the bodies into boxes, cutting off heads and feet when necessary, to make them pack well. The proceedings, of course, created great indignation and a legal investigation is to be made.

RE-ELECTED.—Hon. Charles Sumner has been re-elected to the U. S. Senate from Massachusetts for six years from the 4th of March. The vote stood, Sumner 224, Abbott 43. Mr. Sumner has creditably filled this post for the past twelve years.

A LOYAL LADY.—Annie Carter Lee, the only surviving child of the rebel General, died at Jones' Spring, Warren county, North Carolina, an outcast from her home, because she adhered to the Union to the last. An old black woman soothed her last hours.

Notice

To Donation Claimants in Oregon.

The sixth section of the Act of Congress entitled An Act to reduce the expenses of the Survey of the Public Lands in the United States, approved May 30th, 1862, is as follows:

"SECTION 6. And be it further enacted, "That from and after the first day of July "next the compensation of Registers and "Receivers in all the Land Offices in the "United States shall be an annual salary "of five hundred dollars to each, with the "fees and commissions now prescribed by "law and, to be paid by claimants, an additional fee in donation cases of five dollars for each final certificate for one hundred and sixty acres, ten dollars for three hundred and twenty acres, and fifteen dollars for six hundred and forty acres."

In view of the above enactment, and to have the order in which we think it best for the work of the office to proceed understood, we now say to the donation claimants of the Townships herewith designated that we shall proceed to make out the certificates of such of those claimants as are disposed to take the prescribed oath of loyalty, and pay for their certificates. A reasonable time will be allowed within which to file request for certificates, complete proof, and take the oath. We shall then pass to other townships, and in this order call on all the Donation Claimants in our district.

Persons who live at a distance from this Office can take the oath before a Justice, having the Clerk of the proper county certify that the Justice was authorized at the time to administer oaths.

SANFORD'S

LIVER INVIGORATOR.

Never Debilitates.

It is compounded entirely from GUMS, and has become an established fact, a standard medicine, known and approved by all that have used it, and is now resorted to with confidence in all the diseases for which it is recommended.

It has cured thousands within the last two years who had given up all hopes of relief, as the numerous unsolicited certificates in my possession show.

The dose must be adapted to the temperament of the individual taking it, and used in such quantities as to act gently on the bowels.

Let the dictates of your judgment guide you in the use of the Liver Invigorator, and it will cure Liver complaint, bilious attacks, dyspepsia, chronic diarrhœa, summer complaints, dysentery, dropsy, sour stomach, habitual costiveness, cholic, cholera, cholera morbus, cholera infantum, flatulency, jaundice, female weakness and may be used successfully as an ordinary family medicine. It will cure sick headache (as thousands can testify in) twenty minutes, if one or three teaspoonfuls are taken at commencement of attack. All who use it are giving their testimony in its favor.

Mix water in the mouth with the Invigorator, and swallow both together.

☞ Price, $1 per bottle.

FAMILY CATHARTIC PILLS,

COMPOUNDED FROM

Pure Vegetable Extracts,

Put in glass cases, air tight, and will keep in any climate.

The Family Cathartic Pill is a gentle but active cathartic, which the proprietor has used in his practice more than twenty years.

The constantly increasing demand from those who have long used the Pills, and the satisfaction which all express in regard to their use, has induced me to place them within the reach of all.

The profession well know that different cathartics act on different portions of the bowels.

The Family Cathartic Pill has, with due reference to this well established fact, been compounded from a variety of the purest vegetable extracts, which act alike on every part of the alimentary canal, and are good and safe in all cases where a cathartic is needed, such as derangements of the stomach, sleeplessness, pains in the back and loins, costiveness, piles and soreness over the whole body, from sudden cold, which frequently, if neglected, end in a long course of fever, loss of appetite, a creeping sensation of cold over the body, restlessness, headache, or weight in the head, all inflammatory diseases, worms in children or adults, rheumatism, a great purifier of the blood, and many diseases to which flesh is heir too numerous to mention in this advertisement.—Dose, 1 to 3.

PRICE, THREE DIMES.

The Liver Invigorator and Family Cathartic Pills are sold by Druggists everywhere, and by
