

EXPERIENCE AS AN EDITOR.—In the Or-
bit of 18—, my friend, the editor of the
Baldhead Bugle, was obliged to leave
perishable duties & go & dig his tenters,
& he asked me to edit for him during his
absence. Accordingly I ground up his
Shears and commenced. It didn't take
me a grate while to slash out copy enuff
from xchanges for one issou. I thawt I'd
ride up to the next town on a little Jaunt
to rest my Branes, which had been severely
racked by my mental efforts. (This is sorter
logical.) So I went over to the Rale
Road ediss and axed the Sooprintendent
for a pairs.

2. "I'm a editor?" he axed, evijently
on the pint of sateerkin.

3. "Yes, Sir," said I, "don't I look poor
enuff?"

4. "Just about," said he, "but our
Road can't pay you."

5. "Can't it pay?"

6. "No, Sir—it can't."

7. "Beacuz," sez I, looking him full in
the face, with a Eagle eye, "it goes so or-
ful slow it can't pay any body!" Methinks
I had him there. It's the slowest Rale
Road in the West. With a mortified air
he told me to git out of his ediss. I pitied
him, and went.—*Artemus Ward.*

* OLD HOLDFAST.—The Murfreesboro
correspondent of the Chicago Times
writes:

It is a fact not heretofore published,
that, on the night of Wednesday's battle,
prominent Generals supposed that General
Rosencrans would retreat. He never en-
countered such an idea. After the rebels
were gone he was complimented for his
tenacity. "Yes," said he, "I suppose
you know Bragg is a good dog, but Hold-
fast is a better." They will fight for him
now even more gloriously than before.

66 Sir Walter Scott wrote:—"The
race of mankind would perish, did they
cease to aid each other. From the time
that the mother binds the child's head, till
the moment that some kind assistant wipes
the death-damp from the brow of the dy-
ing, we cannot exist without mutual help.
All, therefore, that need aid, have a right
to ask it of their fellow-mortals; and no
one, who has it in his power to grant, can
refuse, without incurring guilt."

A bright-eyed widow of thirty,
who resides in Marysville, cowdiled the
other day, a fellow whose address she
had rejected, because he persisted in per-
sueing her by his presence, or for other
cause, but after the whipping and a chase
—love chase, perhaps—of several blocks,
he came to terms, and she not only accept-
ed his apology, but him with it. This
may be termed a positive case of whipping
a man into the track.

TRUE CHRISTIAN CHARITY.—Rev. Dr.
Treg, of New York, the eloquent and suc-
cessful Episcopal Clergyman, speaks as
follows on the subject of religious partisan-
ship, and denominational exclusiveness: "I
have tried to be a sectarian. I can't be.
I have labored to work out the principles
on which the people spend their lives in
working up dividing fences between them-
selves and their neighbors. But, sir, I
have always found that a summer spent in
building fences brings a winter of starva-
tion, without a crop. I prefer to think of
those things in which as Christians we are
united, and they constitute the whole truth
which is necessary to save us from sin."

Dr. Baker's Pain Panacea
Is composed entirely of healing gums, and vegeta-
ble oils and herbs. It is perfectly safe for the
most delicate to use. I can most sincerely say
that I have never known any, however delicate,
to be injured by it in the least. I will continue to
ask the afflicted, who have not used it, to try it
for the following diseases. If they are not satis-
fied with its healing properties, the money will be
cheerfully refunded by the agent where the medi-
cine is for sale.

If you have pain in the Stomach or Bowels,
try a dose of Pain Panacea, internally, bathed ex-
ternally over the parts affected, and you will at
once restore the proper action and relieve the pain.

If you have a Burn or Wound, both it and
the Pain Panacea, four times a day. It will
relieve the pain, and take out all the poison, and
heal the wound in a short time.

If you are suffering from Neuralgia or Rheu-
matic Pains, apply the Pain Panacea freely, and
take a dose of it internally, morning and
night; it will not only cure the pain, but will re-
move the cause of the disease.

If you have the Dyspepsia, and your food dis-
tresses your stomach after eating, take a dose of
Pain Panacea after each meal.

If you have a Canker or Sore Mouth or
Throat, apply the Pain Panacea to the affected
parts, and gargle the mouth or throat three or four
times a day.

If you have the Diarrhoea, or a relaxed state
of the bowels, take a few doses of Pain Panacea,
and they will soon be restored. If you have a
painful swelling, bathe the parts freely, and you
will soon relieve the pain, and the swelling will
be removed. If you have a severe toothache, apply
the Pain Panacea on a piece of cotton, and bathe
the gum at the same time; it will stop the pain
instantly.

If you have the Pain in the Breast Side, Back, or
Kidneys, bathe the parts affected morning and night;
at the same time take a dose of the Pain Panacea
internally.

If a Mother has a Caked breast, apply the Pain
Panacea as hot as can be borne.

If you feel chilly or cold, as though you were
going to have a fever, take a dose of Pain Panacea.

If you have a wound, cut, or gash on your
body, apply the Pain Panacea; it will take out
all the inflammation, and heal the sore in a short
time. Sold by all the principal druggists, and by
REDINGTON & CO., Agents,

Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with
Bad or Failing Health.

ARE you languid, faint, restless, appetite
poor, digestion bad, and PAINS IN THE
LUNGS, BODY, BACK, AND HEAD? Reader,
much of this is caused from COLD caught in
willfully, or, in seven cases out of ten, sluggish-
ness of the liver and blood, and want of natural
purification, induced in the use of food and
drink, or from a dryness in the atmosphere—which
is a very subtle part of the climate—many of
the actual, violent, and SUDDEN DEATHS
that occur here must be attributed to this. Now,
reader, I have made this my study for many years,
and I do assure you that my DR. WHEELER'S
INVIGORATING CORDIAL will cure these
causes—it will induce animation of the LIVER,
BLOOD, and BRAINS—it strengthens the
nerves, and gives to the sufferer a lightness of
spirit, a mental and bodily feeling of strength,
which is delightful. The many respectable persons
who have been benefited by and certified their
extraordinary qualities in curing any of the fol-
lowing diseases, must satisfy all but the self-doubt
and ignorant sceptic—

Dyspepsia, or indigestion; loss of
muscular or bodily strength and
mental energy; Fever, Ague,
or chills; rheumatic, neuralgic
or other pains; depletion
and weakness of the nat-
ural functions, debility
from disease, dis-
pation, too much
doctoring,
debauchery,
and
OTHER CAUSES.

In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS

has occurred, I have seen it change the sufferer
in half an hour from the most horrible state to
calmness and placidity. It can, indeed, be com-
parescently recommended to all suffering, and
the proprietor regrets deeply that it is necessary
to state it in order that its merits may be
known. Sold highly concentrated. Price in-
duced to \$3, two for \$5—large quart bottles—
Sold by every respectable druggist.

The Rev. Robert Schuyler, of Petaluma, says:—
"For years, both myself and brother have suf-
fered from dyspepsia, weakness of and sour
stomach, indigestion, and flatulence, that life at
times was a burden. We have used your Cordial
[Dr. Wheeler's Invigorating Sanguifer] four days,
and feel better than we have for years."

SCOVILLE'S
SARSAPARILLA

AND
STILLINGIA!

OR
Blood & Liver Syrup.

IT is hereby recommended by Physicians to
cure the following diseases having their origin
in a disordered state of the blood:

Canker, Ulcers, and Enlargement of the
Joints, Cancerous Tumors, Erysipelas, King's
Evid, St. Anthony's Fire, White Swelling, Ob-
stinate Eruptions, Pimples on the Face, Rheu-
matism, Boils, Pustules, Eczema, etc. etc.
Syphilitic and Mercurial Affections are cured,
Chlorosis, or obstructions in females; Leucor-
rhea, or Whites, are relieved by the use of this
Medicine.

The medical properties of Sarsaparilla in con-
junction with Stillingia are well known by all
medical men to be the best compound yet dis-
covered to cleanse and purify the blood, and eradicate
all humors from the system.

We have given the recipe to most physicians in
the country, that they may know what they are
using, and will continue to send it by mail to those
desirous of knowing the ingredients entering into
its composition, that they may prescribe it in
their practice.

This preparation stands at the head of the list
of remedies for curing all diseases arising from
impurities of the blood or disordered matter lurking in
the system.

Thousands who have used the Stillingia and
Sarsaparilla will testify to its remarkable effect in
eradicating all impurities from their blood, giving tone
and vigor to the whole human frame, and re-
solving a healthy action to all the functions of the
body.

The testimonials received in its favor from every
member of the Medical Faculty would, were we
to publish them, fill a large volume.

It is prepared under the supervision of one of the
oldest and best practical chemists in the country,
(Mr. W. S. Merrill, Chemist), so as to insure a
uniformity of composition and purity in all the in-
gredients.

As a spring remedy, to purify and cleanse the
blood, leaving it free from all humors and impuri-
ties, we assert with confidence there is no better
remedy.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills

AND
PHOSPHOR BITTERS.

THE high and celebrated celebrity which these pre-
eminent Medicines have acquired for their
invaluable efficacy in all the diseases which they
possess to cure, has rendered the small pamphlet
of selling not only unnecessary, but unnecessary of
itself. They are known by their trade, their good
marks testify for them, and they thrive but by the
faith of the credulous.

In all cases of weakness, mental and physical
debility, affections of the bladder and kidneys,
bilious fevers, and liver complaints—in the words
and west, where these diseases prevail, they will
be found invaluable. Phosphor Bitters, and others,
who once use these Medicines, will never af-
terwards be without them.

Dyspepsia.—No person with this distressing
disease should delay using these medicines until
they are known by their trade, their good
marks testify for them, and they thrive but by the
faith of the credulous.

In all cases of weakness, mental and physical
debility, affections of the bladder and kidneys,
bilious fevers, and liver complaints—in the words
and west, where these diseases prevail, they will
be found invaluable. Phosphor Bitters, and others,
who once use these Medicines, will never af-
terwards be without them.

Mercurial Diseases.—Nurses take to eradicate
entirely all the effects of Mercury (which is a
most powerful poison) prepared in all of Sarsaparilla,
Nigella, Scutellaria, Nervous Bitters, Nervous
compounds of all kinds, Oregon Age, etc.
Purification of the Blood, Phosphor Bitters.

Phosphor Bitters.—The original preparation of these medi-
cines was cured of Piles of 20 years' standing by
the use of these Life Medicines alone. Worms
of all kinds are effectively expelled by these medi-
cines. Persons will do well to advertise them
wherever their existence is suspected. Beware of
be deceived.

The Life Pills and Phosphor Bitters
Purify the blood, and thus remove all disease from
the system. A single trial will show the LIFE
PILLS and PHOSPHOR BITTERS beyond
doubt of comparison in the eradication of every
poison.

stroyed all the rats from Government Store No. 6 of
the Inspection, which was infested with these de-
structive animals, and that I witnessed an ex-
traordinary destruction of cockroaches, by Mr.
Meyer, although, when he applied his powder
about their places of resort, only a few were seen,
soon after, in less than fifteen minutes, the floor of
the room was literally covered with them, some
already dead, others dying, and I felt assured that
by a few applications of his Chemical Powder,
which is certainly very efficacious, Mr. Meyer
would entirely rid a home of these obnoxious in-
sects.
