LIMITATIONS OF MAN'S KNOWLEDGE.—The narrow limits within which human knowledge is confined, are well set forth in the following narrative, told by an allegorical personage in an old Arabian work. It contains a sharp rebuke to that self-sufficiency which thinks its own range of knowledge complete and absolute:

I passed one day by a very ancient and wonderfully populous city, and I asked one of its inhabitants how long it had been founded.

"It is indeed a mighty city," replied he; "we know not how long it has existed, and our ancestors were on this subject as ignorant as ourselves."

Five centuries afterward, as I passed the same place, I could not perceive the slightest vestige of the city. I demanded of a farmer, who was gathering herbs upon its former site, how long it had been destroyed.

"In sooth, a strange question!" replied he. "The ground here has never been different from what you now behold it."

"Was there not of old," said I, "a splendid city here?"

"Never," answered he, "so far as we have seen; and never did our fathers speak to us of any such."

On my return there five hundred years afterward, *I found the sea in the same place*, and on its shores was a party of fishermen, of whom I inquired how long the land had been covered by the waters.

"Is this a question," said they, "for a man like you? This spot has always been what it is now."

I again returned, five hundred years afterward, and the sea had disappeared. I inquired of a man who stood alone upon the spot, how long ago this change had taken place; and he gave me the same answer I had received before. Lastly, on coming back again after an equal lapse of time, I found there a flourishing city, more populous and more rich in beautiful buildings than the city I had seen the first time; and when I would fain have informed myself concerning its origin, the inhabitants answered me: "Its rise is lost in remote antiquity; we are ignorant how long it has existed, and our fathers were on this subject as ignorant as ourselves."

THE true motives of our actions, like the real pipes of an organ are usually concealed. But the gilded and hollow pretext is pompously placed in the front of show.

THERE is no temptation, was the remark of one of the pre-Lutheran reformers, so great as not being tempted at all. It is being not only cold, but dead.

IT is always a sign of poverty of mind when men are ever aiming to appear great, for they who are really great never seem to know it.

How many people go out of their sphere under good pretences!

MANY hands will make light work.

TROUBLES are the trials of friendship.

Dr. Baker's Pain Panacea

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however debeate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be relieved. If you have a severe tooth-ache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast Side, Back, or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out all the inflammation, and heal the sore in a short time. Sold by all the principal druggists, and by

FOWLE & Co., of Boston; and their printed notice, as well as the written signature of *I. Butts*, appear on the outer wrappers. As you would avoid the spurious and have the genuine, take no other!

WISTAR'S BALSAM OF WILD CHERRY.—This invaluable remedy is the best one extant for the safe, sure, speedy, and permanent cure of *coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side*, and in fact every form of throat, chest, and lung complaint, as well as CONSUMPTION itself.

This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will as surely yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIVER, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught suddenly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of vegetal preparation, indigenous to the use of food and drink, or from a dryness in the atmosphere—which is a very noticeable part of the climate—many of the acute, severe, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure these diseases—I will insure admission of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and *OTHER CAUSES.*

In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS
has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to $3, two for $5—large quart bottles.—Sold by every respectable druggist.

The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifier) four days, and feel better than we have for years."

SCOVILL'S
SARSAPARILLA
AND
STILLINGIA!
OR
Blood & Liver Syrup.

IT is hereby recommended by Physicians to cure the following diseases having their origin in a disordered state of the blood:
Canker, Ulcerations and Enlargement of the Joints, Cancerous Tumors, Erysipelas, King's Evil, St. Anthony's Fire, White Swellings, Obstinate Eruptions, Pimples on the Face, Rheumatism, Blotches, Pustules, Dyspepsia, etc; Syphilitic and Mercurial Affections are cured; Chronic or obstructions in females; Leucharrhœa or Whites, are relieved by the use of this Medicine.

The medical properties of Sarsaparilla in conjunction with Stillingia are well known by all medical men to be the best compound yet discovered to cleanse and purify the blood, and eradicate all humors from the system.

We have given the recipe to most physicians in the country, that they may know what they are using, and will continue to send it by mail to those desirous of knowing the ingredients entering into its composition, that that they may prescribe it in their practice.

This preparation stands at the head of the list of remedies for curing all diseases arising from impurities of the blood or diseased matter lurking in the system.

Thousands who have used the Stillingia and Sarsaparilla will testify to its remarkable effect in moving all impurities from their blood, giving tone and vigor to the whole human frame, and restoring a healthy action to all the functions of the body.

The testimonials received in its favor from many members of the Medical Faculty would, were we to publish them, fill a large volume.

It is prepared under the supervision of one of the oldest and best practical chemists in the country, (Mr. W. S. Merrill, Cincinnati,) so as to insure a uniformity of composition and purity in all the ingredients.

As a spring remedy, to purify and cleanse the blood, leaving it free from all humors and impurities, we assert with confidence there is no better remedy.

Sold by all Druggists, and by
REDINGTON, & CO., Agents,

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and merited celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—in this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM. BE CONVINCED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.

Piles.—The only preparation of these medicines ever cured of Piles of 30 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
MESSRS. A. L. SCOVILL & CO.—
Dear Sirs—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. MCWILLIAMS.
